

order satisfy the requirements of Commission Rule 210.21(c) (19 CFR 210.21(c)). He further found, pursuant to Commission Rule 210.50(b)(2) (19 CFR 210.50(b)(2)), that there is no indication that termination of this investigation as to Sunwood based on the consent order stipulation would adversely impact the public interest. The ALJ also found that good cause exists, pursuant to Commission Rule 210.4 (19 CFR 210.14), to grant OUII's request and amend the complaint and notice of investigation to accurately reflect the correct name for respondent Sunwood as Changzhou Sunwood International Trading Co., Ltd. The ALJ terminated the investigation before him because Sunwood is the last participating respondent and Complainants did not request a general exclusion order. No party petitioned for review of the ID.

The Commission has determined not to review the subject ID and has issued the requested consent order.

Section 337(g)(1) (19 U.S.C. 1337(g)(1)) and Commission Rule 210.16(c) (19 CFR 210.16(c)) authorize the Commission to order limited relief against a respondent found in default, unless after consideration of the public interest factors in Section 337(g)(1), it finds that such relief should not issue. Accordingly, in connection with the final disposition of this investigation, the Commission is interested in receiving written submissions that address the form of remedy, if any, that should be ordered with respect to Ningbo. If a party seeks exclusion of an article from entry into the United States for purposes other than entry for consumption, the party should so indicate and provide information establishing that activities involving other types of entry either are adversely affecting it or likely to do so. For background, see *Certain Devices for Connecting Computers via Telephone Lines*, Inv. No. 337-TA-360, USITC Pub. No. 2843, Comm'n Op. at 7-10 (December 1994).

If the Commission contemplates some form of remedy, it must consider the effects of that remedy upon the public interest. The factors the Commission will consider include the effect that an exclusion order and/or cease and desist orders would have on (1) the public health and welfare, (2) competitive conditions in the U.S. economy, (3) U.S. production of articles that are like or directly competitive with those that are subject to investigation, and (4) U.S. consumers. The Commission is therefore interested in receiving written submissions that address the aforementioned public interest factors in the context of this investigation.

If the Commission orders some form of remedy, the U.S. Trade Representative, as delegated by the President, has 60 days to approve or disapprove the Commission's action. See Presidential Memorandum of July 21, 2005, 70 FR 43251 (July 26, 2005). During this period, the subject articles would be entitled to enter the United States under bond, in an amount determined by the Commission and prescribed by the Secretary of the Treasury. The Commission is therefore interested in receiving submissions concerning the amount of the bond that should be imposed if a remedy is ordered.

Written Submissions: Parties to the investigation, interested government agencies, and any other interested parties are encouraged to file written submissions on the issues of remedy, the public interest, and bonding.

Complainants and OUII are also requested to submit proposed remedial orders for the Commission's consideration. Complainants are also requested to state the date that the asserted patents expire, the HTSUS numbers under which the accused products are imported, and to supply the names of known importers of the products at issue in this investigation. The written submissions regarding remedy, bonding, and the public interest and proposed remedial orders must be filed no later than close of business on August 12, 2019. Reply submissions must be filed no later than the close of business on August 19, 2019. No further submissions on these issues will be permitted unless otherwise ordered by the Commission.

Persons filing written submissions must file the original document electronically on or before the deadlines stated above and submit eight true paper copies to the Office of the Secretary pursuant to Section 210.4(f) of the Commission's Rules of Practice and Procedure (19 CFR 210.4(f)). Submissions should refer to the investigation number ("Inv. No. 337-TA-1143") in a prominent place on the cover page and/or the first page. (See Handbook on Filing Procedures, https://www.usitc.gov/documents/handbook_on_filing_procedures.pdf). Persons with questions regarding filing should contact the Secretary at (202) 205-2000.

Any person desiring to submit a document to the Commission in confidence must request confidential treatment unless the information has already been granted such treatment during the proceedings. All such requests should be directed to the Secretary of the Commission and must include a full statement of the reasons

why the Commission should grant such treatment. See 19 CFR 210.6. Documents for which confidential treatment by the Commission is sought will be treated accordingly. A redacted non-confidential version of the document must also be filed simultaneously with any confidential filing. All information, including confidential business information and documents for which confidential treatment is properly sought, submitted to the Commission for purposes of this Investigation may be disclosed to and used: (i) By the Commission, its employees and Offices, and contract personnel (a) for developing or maintaining the records of this or a related proceeding, or (b) in internal investigations, audits, reviews, and evaluations relating to the programs, personnel, and operations of the Commission including under 5 U.S.C. Appendix 3; or (ii) by U.S. government employees and contract personnel,¹ solely for cybersecurity purposes. All non-confidential written submissions will be available for public inspection at the Office of the Secretary and on EDIS.

The authority for the Commission's determination is contained in section 337 of the Tariff Act of 1930, as amended, 19 U.S.C. 1337, and in Part 210 of the Commission's Rules of Practice and Procedure, 19 CFR part 210.

By order of the Commission.

Issued: July 29, 2019.

Lisa Barton,

Secretary to the Commission.

The public record for this investigation may be viewed on the Commission's electronic docket (EDIS) at <https://edis.usitc.gov>.

SUPPLEMENTARY INFORMATION:

Background.—On January 23, 2018, the President, pursuant to section 203 of the Trade Act of 1974 (19 U.S.C. 2253) (Trade Act), issued Proclamation 9693, imposing a safeguard measure on imports of CSPV products, in the form of (a) a tariff-rate quota on imports of solar cells not partially or fully assembled into other products and (b) an increase in duties on imports of modules. The proclamation was published in the **Federal Register** on January 25, 2018 (83 FR 3541). The measure took effect on February 7, 2018, for a period of four years, or through February 7, 2022. The President imposed the measure following receipt of a report from the Commission in November 2017 under section 202 of the Trade Act (19 U.S.C. 2252) that contained an affirmative determination, remedy recommendations, and certain additional findings (see Crystalline Silicon Photovoltaic Cells (Whether or not Partially or Fully Assembled into Other Products), investigation No. TA–201–75, USITC Publication 4739, November 2017).

Section 204(a)(1) of the Trade Act (19 U.S.C. 2254(a)(1)) requires the Commission to monitor developments with respect to the domestic industry, including the progress and specific efforts made by workers and firms in the domestic industry to make a positive adjustment to import competition, as long as any action under section 203 of the Trade Act remains in effect. Whenever the initial period of such an action exceeds 3 years, section 204(a)(2) requires the Commission to submit a report on the results of the monitoring to the President and the Congress no later than the mid-point of the initial period of the relief—in this case by February 7, 2020. Section 204(a)(3) requires the Commission to hold a hearing in the course of preparing such report.

For further information concerning the conduct of this investigation, hearing procedures, and rules of general application, consult the Commission's Rules of Practice and Procedure, part 201, subparts A and B (19 CFR part 201), and part 206, subparts A and F (19 CFR part 206).

Participation in the investigation and service list.—Persons wishing to participate in the investigation as parties must file an entry of appearance with the Secretary to the Commission, as provided in section 201.11 of the Commission's rules, not later than 21 days after publication of this notice in the **Federal Register**. The Secretary will prepare a service list containing the names and addresses of all persons, or their representatives, who are parties to this investigation upon the expiration of the period for filing entries of appearance.

Limited disclosure of confidential business information (CBI).—Pursuant to section 206.17 of the Commission's rules, the Secretary will make CBI gathered in this investigation available to authorized applicants representing interested parties (as defined in 19 CFR 206.17(a)(3)(iii)) under an administrative protective order (APO) issued in the investigation, provided that the application is made not later than 21 days after the publication of this notice in the **Federal Register**. A separate service list will be maintained by the Secretary for those parties authorized to receive CBI under the APO.

The Commission may include CBI in the report it sends to the President and to the U.S. Trade Representative. Additionally, all information, including CBI, submitted in this investigation may be disclosed to and used by (i) the Commission, its employees and Offices, and contract personnel (a) for

developing or maintaining the records of this or a related proceeding, or (b) in internal investigations, audits, reviews, and evaluations relating to the programs, personnel, and operations of the Commission including under 5 U.S.C. Appendix 3; or (ii) by U.S. government employees and contract personnel for cybersecurity purposes.

The Commission will not release information which the Commission considers to be confidential business information unless the party submitting the confidential business information had notice, at the time of submission, that such information would be released by the Commission, or such party subsequently consents to the release of the information. The Commission will not otherwise disclose any CBI in a manner that would reveal the operations of the firm supplying the information.

Public hearing.—As required by statute, the Commission has scheduled a hearing in connection with this investigation. The hearing will be held beginning at 9:30 a.m. on December 5, 2019, at the U.S. International Trade Commission Building, 500 E Street SW, Washington, DC. Requests to appear at the hearing should be filed in writing with the Secretary to the Commission on or before December 2, 2019. All persons desiring to appear at the hearing and make an oral presentation should participate in a prehearing conference to be held on December 4, 2019 at the U.S. International Trade Commission Building, if deemed necessary. Oral testimony and written materials to be submitted at the hearing are governed by sections 201.6(b)(2), and 201.13(f) of the Commission's rules. Parties must submit any request to present a portion of their hearing testimony *in camera* no later than 7 days prior to the date of the hearing.

Written submissions.—Each party is encouraged to submit a prehearing brief to the Commission. The deadline for filing prehearing briefs is November 26, 2019. Parties may also file posthearing briefs. The deadline for filing posthearing briefs is December 12, 2019. In addition, any person who has not entered an appearance as a party to the investigation may submit, on or before December 12, 2019, a written statement concerning the matters to be addressed in the Commission's report to the President. All written submissions must conform with the provisions of section 201.8 of the Commission's rules; any submissions that contain CBI must also conform with the requirements of section 201.6 of the Commission's rules. Any CBI that is provided will be subject to limited disclosure under the APO (see above) and may be included in the

report that the Commission sends to the President and the U.S. Trade Representative. The Commission's *Handbook on E-Filing*, available on the Commission's website at <https://edis.usitc.gov>, elaborates upon the Commission's rules with respect to electronic filing.

Additional written submissions to the Commission, including requests pursuant to section 201.12 of the Commission's rules, will not be accepted unless good cause is shown for accepting such submissions, or unless the submission is pursuant to a specific request by a Commissioner or Commission staff.

In accordance with section 201.16(c) of the Commission's rules, each document filed by a party to the investigation must be served on all other parties to the investigation (as identified by the service list), and a certificate of service must be timely filed. The Secretary will not accept a document for filing without a certificate of service.

Authority: This investigation is being conducted under the authority of section 204(a) of the Trade Act of 1974; this notice is published pursuant to section 206.3 of the Commission's rules.

Numbering of investigations under section 204.—This investigation incorporates a new investigation title and numbering system. Under section 204, the Commission may be required to prepare up to four types of reports under section 204 after the President proclaims relief—reports on monitoring of the remedy, modification of the remedy, extension of the remedy, and evaluation of the effectiveness of the remedy. To make it easier for the public to identify the related section 201 proceeding, the Commission will use the original investigation number, followed by a one-word description of the type of report (monitoring, modification, extension, or evaluation), and the title of the investigation. The title and number of this investigation follow the new format.

By order of the Commission.

Issued: July 26, 2019.

Katherine Hiner,

Supervisory Attorney.
