

report that the Commission sends to the President and the U.S. Trade Representative. The Commission's *Handbook on E-Filing*, available on the Commission's website at <https://edis.usitc.gov>, elaborates upon the Commission's rules with respect to electronic filing.

Additional written submissions to the Commission, including requests pursuant to section 201.12 of the Commission's rules, will not be accepted unless good cause is shown for accepting such submissions, or unless the submission is pursuant to a specific request by a Commissioner or Commission staff.

In accordance with section 201.16(c) of the Commission's rules, each document filed by a party to the investigation must be served on all other parties to the investigation (as identified by the service list), and a certificate of service must be timely filed. The Secretary will not accept a document for filing without a certificate of service.

Authority: This investigation is being conducted under the authority of section 204(a) of the Trade Act of 1974; this notice is published pursuant to section 206.3 of the Commission's rules.

Numbering of investigations under section 204.—This investigation incorporates a new investigation title and numbering system. Under section 204, the Commission may be required to prepare up to four types of reports under section 204 after the President proclaims relief—reports on monitoring of the remedy, modification of the remedy, extension of the remedy, and evaluation of the effectiveness of the remedy. To make it easier for the public to identify the related section 201 proceeding, the Commission will use the original investigation number, followed by a one-word description of the type of report (monitoring, modification, extension, or evaluation), and the title of the investigation. The title and number of this investigation follow the new format.

By order of the Commission.

Issued: July 26, 2019.

Katherine Hiner,

Supervisory Attorney.

BILLING CODE 7020-02-P

DEPARTMENT OF JUSTICE

Bureau of Alcohol, Tobacco, Firearms and Explosives

[OMB Number 1140-0091]

Agency Information Collection Activities; Proposed eCollection eComments Requested; Revision of a Currently Approved Collection; National Response Team Customer Satisfaction Survey

AGENCY: Bureau of Alcohol, Tobacco, Firearms and Explosives, Department of Justice.

ACTION: 60-Day notice.

SUMMARY: The Department of Justice (DOJ), Bureau of Alcohol, Tobacco, Firearms and Explosives (ATF), will submit the following information collection request to the Office of Management and Budget (OMB) for review and approval in accordance with the Paperwork Reduction Act of 1995. The proposed collection OMB 1140-0091 (National Response Team Customer Satisfaction Survey) is being revised due to an increase in the number of respondents and total burden hours, since the last renewal in 2016.

DATES: Comments are encouraged and will be accepted for 60 days until September 30, 2019.

FOR FURTHER INFORMATION CONTACT: If you have additional comments, regarding the estimated public burden or associated response time, suggestions, or need a copy of the proposed information collection instrument with instructions, or additional information, please contact: Jennifer George, Fire Investigations & Arson Enforcement Division, either by mail at ATF NCETR, Corporal Road, Building 3750, Redstone Arsenal, Huntsville, AL 35898, by email at Jennifer.George@atf.gov, or by telephone at 256-261-7614.

SUPPLEMENTARY INFORMATION: Written comments and suggestions from the public and affected agencies concerning the proposed collection of information are encouraged. Your comments should address one or more of the following four points:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;

- Evaluate whether and if so how the quality, utility, and clarity of the information to be collected can be enhanced; and
- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

Overview of This Information Collection

1. *Type of Information Collection (check justification or form 83):* Revision of a currently approved collection.

2. *The Title of the Form/Collection:* National Response Team Customer Satisfaction Survey.

3. *The agency form number, if any, and the applicable component of the Department sponsoring the collection:* Form number (if applicable): None.

Component: Bureau of Alcohol, Tobacco, Firearms and Explosives, U.S. Department of Justice.

4. *Affected public who will be asked or required to respond, as well as a brief abstract:*

Primary: State, Local or Tribal Government.

Other (if applicable): None.

Abstract: The National Response Team Customer Satisfaction Survey is used to obtain feedback regarding services provided by the ATF National Response Team.

5. *An estimate of the total number of respondents and the amount of time estimated for an average respondent to respond:* An estimated 32 respondents will utilize the survey, and it will take each respondent approximately 15 minutes to complete their responses.

6. *An estimate of the total public burden (in hours) associated with the collection:* The estimated annual public burden associated with this collection is eight (8) hours, which is equal to 32 (# of respondents) * 1 (# of responses per respondent) * .25 (15 minutes).

7. *An Explanation of the Change in Estimates:* The adjustment to the public burden includes an increase the number of respondents from 20 in 2016, to 32. Consequently, the total burden hours has also increased from 5 hours in 2016, to 8 hours.

DEPARTMENT OF JUSTICE

Bureau of Alcohol, Tobacco, Firearms and Explosives

[OMB Number 1140-0055]

Agency Information Collection Activities; Proposed eCollection eComments Requested; Revision of a Currently Approved Collection; Identification of Explosive Materials

AGENCY: Bureau of Alcohol, Tobacco, Firearms and Explosives, Department of Justice.

ACTION: 60-Day notice.

SUMMARY: The Department of Justice (DOJ), Bureau of Alcohol, Tobacco, Firearms and Explosives (ATF), will submit the following information collection request to the Office of Management and Budget (OMB) for review and approval in accordance with the Paperwork Reduction Act of 1995. The proposed collection OMB 1140-0055 (Identification of Explosive Materials) is being revised due to a reduction in the number of respondents, responses and public burden hours, since the last renewal in 2016.

DATES: Comments are encouraged and will be accepted for 60 days until September 30, 2019.

FOR FURTHER INFORMATION CONTACT: If you have additional comments, regarding the estimated public burden or associated response time, suggestions, or need a copy of the proposed information collection instrument with instructions, or additional information, please contact: Anita Scheddel, Program Analyst, ATF Explosives Industry Programs Branch, either by mail at 99 New York Ave NE, Washington, DC 20226, or by email at eipbinformationcollection@atf.gov, or by telephone at 202-648-7158.

SUPPLEMENTARY INFORMATION: Written comments and suggestions from the public and affected agencies concerning the proposed collection of information are encouraged. Your comments should address one or more of the following four points:

—Evaluate whether the proposed collection of information is necessary for the proper performance of the

functions of the agency, including whether the information will have practical utility;

—Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;

—Evaluate whether and if so how the quality, utility, and clarity of the information to be collected can be enhanced; and

—Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, *e.g.*, permitting electronic submission of responses.

Overview of This Information Collection

1. *Type of Information Collection* (check justification or form 83): Revision of a currently approved collection.

2. *The Title of the Form/Collection:* Identification of Explosive Materials.

3. *The agency form number, if any, and the applicable component of the Department sponsoring the collection:*

Form number (if applicable): None.

Component: Bureau of Alcohol, Tobacco, Firearms and Explosives, U.S. Department of Justice.

4. *Affected public who will be asked or required to respond, as well as a brief abstract:*

Primary: Business or other for-profit.

Other (if applicable): None.

Abstract: Marking of explosives enables law enforcement entities to more effectively trace explosives from the manufacturer through the distribution chain, to the end purchaser. This process is used as a tool in criminal enforcement activities.

5. *An estimate of the total number of respondents and the amount of time estimated for an average respondent to respond:* An estimated 2,153

respondents will respond to this IC approximately 520 times, and it will take each respondent approximately three (3) seconds to provide response twice per day.

6. *An estimate of the total public burden (in hours) associated with the collection:* The estimated annual public burden associated with this collection is 932.9 or 933 hours, which is equal to 2,153 (# of respondents) * 260 (number of workdays) * 0.00166667 hours (total six (6) seconds to respond each day).

7. *An Explanation of the Change in Estimates:* The adjustment associated with this collection is a decrease in the

number of respondents by 52. Consequently, the total responses and burden hours have reduced by 27, 040 and 23 hours respectively, since the last renewal in 2016.
