

*Abstract:* The Application and Permit for Importation of Firearms, Ammunition, and Defense Articles—ATF Form 6—Part I (5330.3A) allows ATF to determine if the article(s) described on the application qualifies for importation. It also serves as authorization for the importer.

5. *An estimate of the total number of respondents and the amount of time estimated for an average respondent to respond:* An estimated 10,000 respondents will utilize the form, and it will take each respondent approximately 39 minutes to provide their responses.

6. *An estimate of the total public burden (in hours) associated with the collection:* The estimated annual public burden associated with this collection is 6,500 hours, which is equal to 10,000 (# of respondents) \* 1 (# of responses per respondents) \* .65 (39 minutes).
