This notice is to inform the public that the Rio Grande National Forest is initiating a 60-day period where individuals or entities with specific concerns about the Rio Grande National Forest’s revised Forest Plan and the associated FEIS may file objections for Forest Service review prior to the approval of the revised Forest Plan. This is also an opportunity to object to the Regional Forester’s list of species of conservation concern (SCC) for the Rio Grande National Forest.

An electronic scan of the legal notice with the publication date will be posted at the link above.

**ADDRESSES:** Copies of the Rio Grande National Forest’s revised Forest Plan, FEIS, draft ROD, and Rocky Mountain Region species of conservation concern list can be obtained online at: <https://www.fs.usda.gov/project/>

**SUPPLEMENTARY INFORMATION:** The decision to approve the revised Forest Plan for the Rio Grande National Forest and the Regional Forester’s list of SCC will be subject to the objection process identified in 36 CFR part 219 subpart B (219.50 to 219.62). An objection must include the following (36 CFR 219.54(c)):

- (2) Signature or other verification of authorship upon request (a scanned

signature for electronic mail may be filed with the objection);

(3) Identification of the lead objector, when multiple names are listed on an objection. The Forest Service will communicate to all parties to an objection through the lead objector. Verification of the identity of the lead objector must also be provided if requested;

(7) A statement that demonstrates the link between the objector’s prior substantive formal comments and the content of the objection, unless the objection concerns an issue that arose after the opportunities for formal comment; and

- c. Documents referenced by the Forest Service in the planning documentation related to the proposal subject to objection, and

The Regional Forester will consider comments received and respond in the FEIS and ROD. The decision to approve the SCC list will be subject to a separate objection process. below) and subsequently authorized by the FTZ Board.

Production under FTZ procedures could exempt ProAmpac from customs duty payments on the foreign-status material/component used in export production (estimated 5% percent of production). On its domestic sales, for the foreign-status materials/components noted below, ProAmpac would be able to choose the duty rates during customs entry procedures that apply to plastic pouch/packaging stock, paper can liner and pouch/packaging stock, aluminum laminated packaging stock, and aluminum lidding stock (duty rate ranges from duty-free to 4.2%). ProAmpac would be able to avoid duty on foreign-status components which become scrap/waste. Customs duties also could possibly be deferred or reduced on foreign-status production equipment.

The material/component sourced from abroad is aluminum foil (with gauges not exceeding 0.051 mm) (duty rate ranges from 5.3 to 5.8%). The request indicates that aluminum foil is subject to an antidumping/countervailing duty (AD/CVD) order if imported from China. The FTZ Board's regulations (15 CFR 400.14(e)) require that merchandise subject to AD/CVD orders, or items which would be otherwise subject to suspension of liquidation under AD/CVD procedures if they entered U.S. customs territory, be admitted to FTZs in privileged foreign status (19 CFR 146.41). The request also indicates that aluminum foil is subject to special duties under Section 232 of the Trade Expansion Act of 1962 (Section 232) depending on the country of origin. The applicable Section 232 decisions require subject merchandise to be admitted to FTZs in privileged foreign status.

Public comment is invited from interested parties. Submissions shall be addressed to the Board's Executive Secretary and sent to: [ftz@trade.gov](mailto:ftz@trade.gov). The closing period for their receipt is September 11, 2019.

A copy of the notification will be available for public inspection in the "Reading Room" section of the Board's website, which is accessible via [www.trade.gov/ftz](http://www.trade.gov/ftz).
