There are 34 entities required to comply with the rule: 23 national securities exchanges, 1 national securities association, 9 registered clearing agencies, and the Municipal Securities Rulemaking Board. The Commission staff estimates that the average number of hours necessary for compliance with the requirements of Rule 17a-1 is 52 hours per year. In addition, 4 national securities exchanges notice-registered pursuant to Section 6(g) of the Act (15 U.S.C. 78f(g)) are required to preserve records of determinations made under Rule 3a55-1 under the Act (17 CFR 240.3a55-1), which the Commission staff estimates will take 1 hour per exchange, for a total of 4 hours. Accordingly, the Commission staff estimates that the total number of hours necessary to comply with the requirements of Rule 17a-1 is 1,772 hours. The total internal cost of compliance for all respondents is \$124,040, based on an average cost per hour of \$70.

Schedule 13E-4F; SEC File No. 270-340, OMB Control No. 3235-0375

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") is soliciting comments on the collection of information summarized below. The Commission plans to submit this existing collection of information to the Office of Management and Budget for extension and approval.

Schedule 13E-4F (17 CFR 240.13e-102) may be used by an issuer that is incorporated or organized under the laws of Canada to make a cash tender or exchange offer for the issuer's own securities if less than 40 percent of the class of such issuer's securities outstanding that are the subject of the tender offer is held by U.S. holders. The information collected must be filed with the Commission and is publicly available. We estimate that it takes approximately 2 hours per response to prepare Schedule 13E-4F and that the information is filed by approximately 3 respondents for a total annual reporting burden of 6 hours (2 hours per response \times 3 responses).

Written comments are invited on: (a) Whether this proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (b) the accuracy of the agency's estimate of the burden imposed by the collection of information; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication.

SECURITIES AND EXCHANGE COMMISSION

Submission for OMB Review; Comment Request

Upon Written Request, Copies Available From: Securities and Exchange Commission, Office of FOIA Services, 100 F Street NE, Washington, DC 20549-2736.

Extension:

Rule 607, SEC File No. 270-561, OMB Control No. 3235-0747, Request for a New OMB Control No.

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission (the "Commission") has submitted to the Office of Management and Budget a request for extension of the previously approved collection of information discussed below.

Regulation E (17 CFR 230.601-230.610a) exempts from registration under the Securities Act of 1933 (15 U.S.C. 77a *et seq.*) ("Securities Act") securities issued by a small business investment company ("SBIC") which is registered under the Investment Company Act of 1940 (15 U.S.C. 80a-1 *et seq.*) ("Investment Company Act") or a closed-end investment company that has elected to be regulated as a business development company ("BDC") under the Investment Company Act, so long as the aggregate offering price of all securities of the issuer that may be sold within a 12-month period does not exceed \$5,000,000 and certain other conditions are met. Rule 607 under Regulation E (17 CFR 230.607) entitled, "Sales material to be filed," requires sales material used in connection with securities offerings under Regulation E to be filed with the Commission at least five days (excluding weekends and

holidays) prior to its use.¹ Commission staff reviews sales material filed under rule 607 for materially misleading statements and omissions. The requirements of rule 607 are designed to protect investors from the use of false or misleading sales material in connection with Regulation E offerings.

Respondents to this collection of information include SBICs and BDCs making an offering of securities pursuant to Regulation E. Two filings were submitted to the Commission under rule 607 in 2016, 2017, and 2018. Accordingly, we estimate one annual response. Each respondent's reporting burden under rule 607 relates to the burden associated with filing its sales material electronically, which is negligible. For administrative purposes, we estimate an annual burden of one hour.

The requirements of this collection of information are mandatory. Responses will not be kept confidential. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid control number.

The public may view the background documentation for this information collection at the following website, www.reginfo.gov. Comments should be directed to: (i) Desk Officer for the Securities and Exchange Commission, Office of Information and Regulatory Affairs, Office of Management and Budget, Room 10102, New Executive Office Building, Washington, DC 20503, or by sending an email to: lindsay.m.abate@omb.eop.gov; and (ii) Charles Riddle, Acting Director/Chief Information Officer, Securities and Exchange Commission, c/o Candace Kenner, 100 F Street NE, Washington, DC 20549 or send an email to: PRA_Mailbox@sec.gov. Comments must be submitted to OMB within 30 days of this notice.

Dated: July 29, 2019.

Rather, as discussed below, the Commission seeks additional input on the proposed rule change, as modified by Partial Amendment No. 1, and on the issues presented by the proposal.

II. Description of the Proposed Rule Change

A. Proposed Rule Change as Originally Filed

The following is a summary of the proposed rule change as originally filed by FINRA.⁸

As described in more detail in the Notice, FINRA proposes to modify Rule 5110 in an effort to modernize, simplify, and streamline the Rule. Specifically, FINRA proposes changes to the following: (1) Filing requirements; (2) filing requirements for shelf offerings; (3) exemptions from filing and substantive requirements; (4) underwriting compensation; (5) venture capital exceptions; (6) treatment of non-convertible or non-exchangeable debt securities and derivatives; (7) lock-up restrictions; (8) prohibited terms and arrangements; and (9) defined terms.⁹

⁶ See Letter from Jeanette Wingler, Associate General Counsel, FINRA, to Vanessa Countryman, Secretary, Commission, dated July 11, 2019 (“FINRA Response”). Partial Amendment No. 1 and FINRA's response to comments received are available at <https://www.finra.org/industry/rule-filings/sr-finra-2019-012>. See also Section II.B *infra*.

⁸ See Notice, *supra* note 3, for a complete description of the proposal as originally filed.

⁹ As discussed below, the proposal retains the current approach to itemized disclosure of underwriting compensation, but makes explicit the existing practice of disclosing specified material terms and arrangements related to underwriting compensation, such as exercise terms, in the prospectus. In addition, the proposed rule change does not include any changes to current Rule 5110(h) (Non-Cash Compensation). According to FINRA, these provisions are the subject of a separate consolidated approach to non-cash
