Rule 19b-5 and Form PILOT

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 ("PRA") (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("SEC") has submitted to the Office of Management and Budget ("OMB") a request for approval of extension of the previously approved collection of information provided for in Rule 19b-5 (17 CFR 240.19b-5) and Form PILOT (17 CFR 249.821) under the Securities Exchange Act of 1934 ("Exchange Act") (15 U.S.C. 78a *et seq.*).

Rule 19b-5 provides a temporary exemption from the rule-filing requirements of Section 19(b) of the Exchange Act (15 U.S.C. 78s(b)) to self-regulatory organizations ("SROs") wishing to establish and operate pilot trading systems. Rule 19b-5 permits an SRO to develop a pilot trading system and to begin operation of such system shortly after submitting an initial report on Form PILOT to the SEC. During operation of any such pilot trading system, the SRO must submit quarterly reports of the system's operation to the SEC, as well as timely amendments describing any material changes to the system. Within two years of operating such pilot trading system under the exemption afforded by Rule 19b-5, the SRO must submit a rule filing pursuant to Section 19(b)(2) of the Exchange Act (15 U.S.C. 78s(b)(2)) to obtain permanent approval of the pilot trading system from the SEC.

The collection of information is designed to allow the SEC to maintain an accurate record of all new pilot trading systems operated by SROs and to determine whether an SRO has

properly availed itself of the exemption afforded by Rule 19b-5, is operating a pilot trading system in compliance with the Exchange Act, and is carrying out its statutory oversight obligations under the Exchange Act.

The respondents to the collection of information are national securities exchanges and national securities associations.

There are 23 SROs which could avail themselves of the exemption under Rule 19b-5 and the use of Form PILOT. The SEC estimates that approximately three of these SROs, in the aggregate, each year will file on Form PILOT one initial report (*i.e.*, 3 reports total, for an estimated annual burden of 72 hours total), four quarterly reports (*i.e.*, 12 reports total, for an estimated annual burden of 36 hours total), and two amendments (*i.e.*, 6 reports total, for an estimated annual burden of 18 hours total). Thus, the estimated annual response burden resulting from Form PILOT is 42 hours per SRO, or a total of 126 hours for the three SROs. The SEC estimates that the aggregate annual internal cost of compliance for all three respondents is approximately \$38,094 (126 hours at an average of \$302.333 per hour). In addition, the SEC estimates that the three SRO respondents will incur, in the aggregate, printing, supplies, copying, and postage expenses of \$6,101 per year for filing initial reports, \$3,046 per year for filing quarterly reports, and \$1,523 per year for filing notices of material systems changes, for a total annual cost burden of \$10,670 for all three respondents.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information under the PRA unless it displays a currently valid OMB control number.

Comments must be submitted to OMB within 30 days of this notice.

Rule 15b1-1/Form BD

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (“PRA”) (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission (“Commission”) has submitted to the Office of Management and Budget (“OMB”) a request for approval of extension of the previously approved collection of information provided for in Rule 15b1-1(17 CFR 240.15b1-1) and Form BD (17 CFR 249.501) under the Securities Exchange Act of 1934 (17 U.S.C. 78a *et seq.*).

Form BD is the application form used by firms to apply to the Commission for registration as a broker-dealer, as required by Rule 15b1-1. Form BD also is used by firms other than banks and registered broker-dealers to apply to the Commission for registration as a municipal securities dealer or a government securities broker-dealer. In addition, Form BD is used to change information contained in a previous Form BD filing that becomes inaccurate.

The total industry-wide annual time burden imposed by Form BD is approximately 4,118.07 hours, based on approximately 11,137 responses (183 initial filings + 10,954 amendments). Each application filed on Form BD requires approximately 2.75 hours to complete and each amended Form BD requires approximately 20 minutes to complete. (183 × 2.75 hours = 503.25 hours; 10,954 × 0.33 hours = 3,614.82 hours; 503.25 hours + 3,614.82 hours = 4,118.07 hours.) The staff believes that a broker-dealer would have a Compliance Manager complete and file both applications and amendments on Form BD at a cost of \$314/hour. Consequently, the staff estimates that the total internal cost of compliance associated with the annual time burden is approximately \$1,293,073.98 per year

(\$314 × 4,118.07). There is no external cost burden associated with Rule 15b1-1 and Form BD.

The Commission uses the information disclosed by applicants in Form BD: (1) To determine whether the applicant meets the standards for registration set forth in the provisions of the Exchange Act; (2) to develop a central information resource where members of the public may obtain relevant, up-to-date information about broker-dealers, municipal securities dealers, and government securities broker-dealers, and where the Commission, other regulators, and SROs may obtain information for investigatory purposes in connection with securities litigation; and (3) to develop statistical information about broker-dealers, municipal securities dealers, and government securities broker-dealers. Without the information disclosed in Form BD, the Commission could not effectively implement policy objectives of the Exchange Act with respect to its investor protection function.

Completing and filing Form BD is mandatory in order to engage in broker-dealer activity. Compliance with Rule 15b1-1 does not involve the collection of confidential information.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information under the PRA unless it displays a currently valid OMB control number.

The public may view background documentation for this information collection at the following website: <http://www.reginfo.gov>. Comments must be submitted within 30 days of this notice.

[Docket No. FD 36299]

Soo Line Railroad Company—Petition for Declaratory Order and Preliminary Injunction—Interchange With Canadian National

By decision served on July 19, 2019, the Board announced that it will hold oral argument to address the issues presented in this proceeding. The oral argument will be held on Tuesday, August 6, 2019, at 10:00 a.m., in the James E. Webb Memorial Auditorium of the National Aeronautics and Space Administration (NASA), located at 300 E Street SW, Washington, DC, across the street from the Board’s headquarters building. The oral argument will be open for public observation, but only counsel and designated representatives for the parties, as discussed below, will be permitted to participate.

CP and CN will each have 20 minutes of argument time. The Village of Bartlett filed a notice of intent to participate on July 26, 2019, and requested 10 minutes of argument time, which will be granted. CP will open and may reserve part of its time for rebuttal if it so chooses. Board members may ask questions during the parties’ allotted time. Absent a request from the Board, no additional written comments or other submissions may be filed in connection with this oral argument. Each party is encouraged to use its allotted time to call attention to the arguments and evidence it believes are particularly important. The arguments will be in the style of an appellate court. Parties should prepare a short statement of their argument and be prepared to answer questions from the Board. The purpose of oral argument is not to restate the written arguments previously presented or to present evidence, but to summarize and emphasize the key points of a party’s case and provide an opportunity for parties to answer questions that the Board may have.
