

provide a 3-year average for these percentages, consistent with this policy change, as opposed to the 1 year of data previously required.

**Likely Respondents:** The respondents are institutions that apply for SDS program awards.

**Burden Statement:** Burden in this context means the time expended by

persons to generate, maintain, retain, disclose, or provide the information requested. This includes the time needed to review instructions; to develop, acquire, install, and utilize technology and systems for the purpose of collecting, validating, and verifying information, processing and maintaining information, and disclosing

and providing information; to train personnel and to be able to respond to a collection of information; to search data sources; to complete and review the collection of information; and to transmit or otherwise disclose the information. The total annual burden hours estimated for this ICR are summarized in the table below.

#### TOTAL ESTIMATED ANNUALIZED BURDEN HOURS

Form	Number of respondents	Number of responses per respondent	Total responses	Hours per response	Total hour burden
Application .....	323	1	323	31	10,013
Total .....	323	.....	323	.....	10,013

From the last submission, the number of respondents has been updated with more recent application figures. There were 400 applications received for the 2012 application cycle and 323 applications from the 2016 cycle.

HRSA specifically requests comments on (1) the necessity and utility of the proposed information collection for the proper performance of the agency's functions; (2) the accuracy of the estimated burden; (3) ways to enhance the quality, utility, and clarity of the information to be collected; and (4) the use of automated collection techniques or other forms of information technology to minimize the information collection burden.
