

INTERNATIONAL TRADE COMMISSION

[Investigation Nos. 701–TA–607 and 731–TA–1417 and 1419 (Final)]

Steel Propane Cylinders From China and Thailand; Determinations

On the basis of the record¹ developed in the subject investigations, the United States International Trade Commission (“Commission”) determines, pursuant to the Tariff Act of 1930 (“the Act”), that an industry in the United States is materially injured by reason of imports of steel propane cylinders from China and Thailand, provided for in subheading 7311.00.00 of the Harmonized Tariff Schedule of the United States, that have been found by the U.S. Department of Commerce (“Commerce”) to be sold in the United States at less than fair value (“LTFV”), and to be subsidized by the government of China.²

Background

The Commission, pursuant to sections 705(b) and 735(b) of the Act (19 U.S.C. 1671d(b) and 19 U.S.C. 1673d(b)), instituted these investigations effective May 22, 2018, following receipt of a petition filed with the Commission and Commerce by Worthington Industries Inc. (“Worthington”), Columbus, Ohio, and Manchester Tank and Equipment (“Manchester”), Franklin, Tennessee. The final phase of the investigations was scheduled by the Commission following notification of preliminary determinations by Commerce that imports of steel propane cylinders from China were subsidized within the meaning of section 703(b) of the Act (19 U.S.C. 1671b(b)) and imports from China and Thailand were being sold at LTFV within the meaning of 733(b) of the Act (19 U.S.C. 1673b(b)). Notice of the scheduling of the final phase of the Commission’s investigations and of a public hearing to be held in connection therewith was given by posting copies of the notice in the Office of the Secretary, U.S. International Trade Commission, Washington, DC, and by publishing the notice in the **Federal Register** on March 13, 2019 (84 FR 9135) and revised on April 29, 2019 (84 FR 18084). The hearing was held in Washington, DC, on June 5, 2019, and all persons who requested the opportunity were permitted to appear in person or by counsel.

¹ The record is defined in sec. 207.2(f) of the Commission’s Rules of Practice and Procedure (19 CFR 207.2(f)).

² Commissioner Meredith M. Broadbent not participating.

The Commission made these determinations pursuant to sections 705(b) and 735(b) of the Act (19 U.S.C. 1671d(b) and 19 U.S.C. 1673d(b)). It completed and filed its determinations in these investigations on August 5, 2019. The views of the Commission are contained in USITC Publication 4938 (August 2019), entitled *Steel Propane Cylinders from China and Thailand: Investigation Nos. 701–TA–607 and 731–TA–1417 and 1419 (Final)*.

By order of the Commission.

Issued: August 5, 2019.

Lisa Barton,

Secretary to the Commission.

Notice Pursuant to the National Cooperative Research and Production Act of 1993—UHD Alliance, Inc.

Notice is hereby given that, on July 22, 2019, pursuant to Section 6(a) of the National Cooperative Research and Production Act of 1993, 15 U.S.C. 4301 *et seq.* (“the Act”), UHD Alliance, Inc. (“UHD Alliance”) filed written notifications simultaneously with the Attorney General and the Federal Trade Commission disclosing changes in its membership. The notifications were filed for the purpose of extending the Act’s provisions limiting the recovery of antitrust plaintiffs to actual damages under specified circumstances. Specifically, CerebrEX, Inc., Osaka, JAPAN; Nanosys, Inc., Milpitas, CA; and Netflix, Inc., Los Gatos, CA, have withdrawn as parties to this venture.

No other changes have been made in either the membership or planned activity of the group research project. Membership in this group research project remains open, and UHD Alliance intends to file additional written notifications disclosing all changes in membership.

On June 17, 2015, UHD Alliance filed its original notification pursuant to Section 6(a) of the Act. The Department of Justice published a notice in the **Federal Register** pursuant to Section 6(b) of the Act on July 17, 2015 (80 FR 42537).

The last notification was filed with the Department on May 17, 2019. A notice was published in the **Federal**

Register pursuant to Section 6(b) of the Act on June 17, 2019 (84 FR 28074).

Suzanne Morris,

Chief, Premerger and Division Statistics Unit, Antitrust Division.

Notice Pursuant to the National Cooperative Research and Production Act of 1993—American Commission of Accreditation for Schools and Universities LLC

Notice is hereby given that, on July 24, 2019, pursuant to Section 6(a) of the National Cooperative Research and Production Act of 1993, 15 U.S.C. 4301 *et seq.* (“the Act”), American Commission of Accreditation for Schools and Universities LLC (“ACASU”) has filed written notifications simultaneously with the Attorney General and the Federal Trade Commission disclosing (1) the name and principal place of business of the standards development organization and (2) the nature and scope of its standards development activities. The notifications were filed for the purpose of invoking the Act’s provisions limiting the recovery of antitrust plaintiffs to actual damages under specified circumstances.

Pursuant to Section 6(b) of the Act, the name and principal place of business of the standards development organization is: American Commission of Accreditation for Schools and Universities LLC, Syracuse, NY. The nature and scope of ACASU’s standards development activities are: To develop educational standards and pedagogical tools for international schools and colleges. They will be related to the following categories: School governance structures; educational content and delivery; school operations; school culture; and quality improvement and maintenance plans. Standards will be developed in partnership with various experts in school and college education to promote a broad perspective and ensure applicability to varied international environments. Standards will go through a process of ongoing evaluation and revision based on feedback from our clients and through systematic review processes entailing additional experts. ACASU will also provide evaluation, accreditation, and education training services for educational institutions through the use of pedagogical evaluation tools and
