Legal authorization and confidentiality: The FR 4014 is authorized by section 24A(a) of the \textit{FRA}, which requires that state member banks obtain prior Board approval before investing in bank premises that exceed certain statutory thresholds.\footnote{12 U.S.C. 371(d)(a). The Board has the authority to require state member banks to submit information as the Board deems necessary (12 \textit{U.S.C. 248(a))).} The FR 4014 notification is required to obtain a benefit because banks wanting to make an investment in bank premises that exceed a certain threshold are required to notify the Federal Reserve. Generally, respondent data would not be confidential; however, individual respondents may request that the data be kept confidential on a case-by-case basis. If a respondent requests confidential treatment, the Board will determine whether the information is entitled to confidential treatment on an ad hoc basis in connection with the request. Any such determination will be made in accordance with the Freedom of Information Act\footnote{5 \textit{U.S.C. 552.}} and the Board’s rules regarding availability of information.\footnote{3 12 CFR 261.}

Current actions: On April 12, 2019, the Board published a notice in the \textit{Federal Register} (84 FR 14938) requesting public comment for 60 days on the extension, without revision, of the FR 4014. Final Approval Under OMB Delegated Authority of the Extension for Three Years, Without Revision, of the Following Information Collection

Report title: Reporting, Recordkeeping, and Disclosure Requirements Associated with Regulation NN.

Agency form number: FR NN.

OMB control number: 7100–0353.

Frequency: Event generated.

Respondents: Banking institutions.

Estimated number of respondents: Reporting: 1; recordkeeping: 2; disclosure: 2.

Estimated average hours per response: Reporting: 16; recordkeeping: 183; disclosure: 787.

Estimated annual burden hours: Reporting: 16; recordkeeping: 366; disclosure, 1,574; total, 1,956.

General description of report: Regulation NN includes certain reporting, recordkeeping, and disclosure requirements for banking institutions that elect to provide foreign currency exchange services to retail consumers. The regulation applies to state member banks, uninsured state-licensed branches of foreign banks, financial holding companies, bank holding companies, savings and loan holding companies, agreement corporations, and Edge Act corporations (collectively, “banking institutions”) that engage in retail foreign exchange transactions.

Legal authorization and confidentiality: The reporting, recordkeeping, and disclosure requirements in Regulation NN are authorized pursuant to section 2(c)(2)(E) of the Commodity Exchange Act (CEA) (7 \textit{U.S.C. 2(c)(2)(E)}), Section 2(c)(2)(E) of the CEA prohibits a United States financial institution and its related persons under the supervision of a Federal regulatory agency, such as the Board, from offering or entering into certain types of foreign exchange transactions with retail customers except pursuant to a rule or regulation prescribed by the appropriate Federal regulatory agency allowing the transaction under such terms and conditions as the Federal regulatory agency shall prescribe.

Regulation NN’s reporting requirement (12 CFR 240.4), recordkeeping requirements (12 CFR 240.7, 240.9(b)(2), and 240.13(a)) and disclosure requirements (240.5(a), 240.6, 240.7, 240.9(b)(2), 240.10, 240.13(a) & (c)–(d), 240.15, and 240.16(a) and (b)) are mandatory for banking institutions that engage in retail foreign exchange transactions.

The reporting requirement under section 240.4 of Regulation NN requires a banking institution to provide a prior written notice to the Board that includes information concerning customer due diligence; the policies and procedures for haircuts to be applied to noncash margin; information concerning new product approvals; and information on addressing conflicts of interest. The disclosure of this information is reasonably likely to result in substantial competitive harm to the banking institution, and therefore, may be kept confidential under exemption (b)(4) of the Freedom of Information Act (FOIA), which protects “trade secrets and commercial or financial information obtained from a person [that is] privileged or confidential” (5 \textit{U.S.C. 552(b)(4)}). In addition, the prior written notice must also include a resolution of the banking institution’s board of directors certifying that the institution has written policies, procedures, and risk measurement and management systems and controls in place to ensure retail foreign exchange transactions are conducted in a safe and sound manner and in compliance with Regulation NN. Generally, this resolution by the board of directors would not be accorded...
confidential treatment. If confidential treatment is requested by a banking institution, the Board will review the request to determine if confidential treatment is appropriate.

The recordkeeping and disclosures required under sections 240.5(a), 240.6, 240.7, 240.9(b)(2), 240.10, 240.13(a) & (c)–(d), 240.15, and 240.16(a) and (b) of Regulation NN generally are not submitted to the Board. Accordingly, no confidentiality issues will normally arise under the FOIA. In the event such records or disclosures are obtained by the Federal Reserve through the examination or enforcement process, such information may be kept confidential under exemption 8 of the FOIA, which protects information contained in or related to an examination of a financial institution (5 U.S.C. 552(b)(8)). Current actions: On May 17, 2019, the Board published a notice in the Federal Register (84 FR 22494) requesting public comment for 60 days on the extension, without revision, of the Reporting, Recordkeeping, and Disclosure Requirements Associated with Regulation NN. The comment period for this notice expired on July 16, 2019. The Board did not receive any comments.

Michele Taylor Fennell, Assistant Secretary of the Board.

CMS–10383 Review and Approval Process for Waivers for State Innovation

Under the PRA (44 U.S.C. 3501–3520), federal agencies must obtain approval from the Office of Management and Budget (OMB) for each collection of information they conduct or sponsor. The term “collection of information” is defined in 44 U.S.C. 3502(3) and 5 CFR 1320.3(c) and includes agency requests or requirements that members of the public submit reports, keep records, or provide information to a third party. Section 3506(c)(2)(A) of the PRA requires federal agencies to publish a 60-day notice in the Federal Register concerning each proposed collection of information, including each proposed extension or reinstatement of an existing collection of information, before submitting the collection to OMB for approval. To comply with this requirement, CMS is publishing this notice.

Information Collection

Type of Information Collection Request: New collection (Request for a new OMB control number); Title of information Collection: Review and Approval Process for Waivers for State Innovation; Use: The information required under this collection is necessary to ensure that states comply with statutory and regulatory requirements related to the development and implementation of section 1332 waivers. States seeking waiver authority under section 1332 of the PPACA are required to meet certain requirements for applications, public notice, and reporting. The authority for these requirements is found in section 1332 of the PPACA. This information collection reflects the requirements provided in the final rules published February 27, 2012 (77 FR 11700). Additionally, on October 24 2018, the Departments published guidance (83 FR 53575), that provides supplementary information about the requirements that must be met for the approval of a section 1332 waiver, the Secretaries’ application review procedures, the calculation of pass-through funding, certain analytical requirements, and operational considerations. This guidance supersedes the guidance related to section 1332 of the PPACA that was previously published on December 16, 2015. This information collection also reflects the requirements outlined in a state’s specific terms and conditions (STCs), as part of the approval of a state’s section 1332 waiver application.
