Request for Comments

BIS is seeking public comments to assist in determining whether the legitimate commercial activities and interests of chemical, biotechnology, and pharmaceutical firms in the United States would be significantly harmed by the limitations that would be imposed on access to, and production of, the compounds included in the five chemical families identified above, if the CWC States Parties were to agree to add these chemical families to "Schedule 1" in the CWC "Annex on Chemicals." To allow BIS to properly evaluate the significance of any harm to commercial activities involving the proposed "Schedule 1" chemical families, public comments submitted in response to this notice of inquiry should include both a quantitative and qualitative assessment of the impact of the CWC on such activities.

Submission of Comments

All comments must be submitted to one of the addresses indicated in this notice. The Department requires that all comments be submitted in written form. BIS will consider all comments received on or before September 13, 2019. All comments (including any personally identifying information or information for which a claim of confidentiality is asserted either in those comments or their transmittal emails) will be made available for public inspection and copying. Parties who wish to comment

anonymously may do so by submitting their comments via *Regulations.gov*, leaving the fields that would identify the commenter blank and including no identifying information in the comment itself.

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (Commerce) is rescinding its administrative review of the antidumping duty (AD) order on large residential washers (washers) from the Republic of Korea (Korea) for the period of review (POR) February 1, 2018, through February 14, 2018.

DATES: Applicable August 14, 2019.

FOR FURTHER INFORMATION CONTACT: David Goldberger or Ian Hamilton, AD/CVD Operations, Office II, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482-4136 or (202) 482-4798, respectively.

SUPPLEMENTARY INFORMATION:

Background

On February 8, 2019, Commerce published in the **Federal Register** a notice of opportunity to request an administrative review of the AD order on washers from Korea for the POR.¹ Commerce received timely requests from Whirlpool Corporation (the petitioner) and LG Electronics, Inc. (LGE), in accordance with section 751(a) of the Tariff Act of 1930, as amended (the Act), and 19 CFR 351.213(b), to conduct an administrative review of this AD order for LGE.²

On April 30, 2019, the International Trade Commission determined that revocation of the AD order on washers from Korea would not be likely to lead to a continuation or recurrence of material injury to an industry in the United States within a reasonably foreseeable time, pursuant to section 751(c) of the Act.³ Therefore, on May 6, 2019, Commerce revoked the AD order on washers from Korea effective February 15, 2018.⁴

On May 2, 2019, Commerce published in the **Federal Register** a notice of

initiation of administrative review with respect to LGE.⁵ As a result of the revocation of the AD order, the POR of this administrative review is February 1, 2018, through February 14, 2018.

On July 26, 2019, both the petitioner and LGE timely withdrew their requests for an administrative review of LGE.⁶

Rescission of Administrative Review

Pursuant to 19 CFR 351.213(d)(1), Commerce will rescind an administrative review, in whole or in part, if the parties that requested a review withdraw the request within 90 days of the date of publication of the notice of initiation of the requested review. The petitioner and LGE withdrew their requests for review before the 90-day deadline, and no other party requested an administrative review of this order. Therefore, we are rescinding the administrative review of the AD order on washers from Korea covering the period February 1, 2018, through February 14, 2018.

Assessment

Commerce will instruct U.S. Customs and Border Protection (CBP) to assess antidumping duties on all appropriate entries. Because Commerce is rescinding this administrative review in its entirety, the entries to which this administrative review pertained shall be assessed at rates equal to the cash deposit of estimated antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption, in accordance with 19 CFR 351.212(c)(1)(i). Commerce intends to issue appropriate assessment instructions directly to CBP 15 days after the date of publication of this notice in the **Federal Register**.

Notification to Importers

This notice serves as the only reminder to importers of their responsibility, under 19 CFR 351.402(f)(2), to file a certificate regarding the reimbursement of antidumping and/or countervailing duties prior to liquidation of the relevant entries during this review period.
