**AGENCY:** National Park Service, Interior.  
**ACTION:** Notice.

**SUMMARY:** The U.S. Department of the Interior, National Park Service, Natchez Trace Parkway has completed an inventory of human remains and

If no additional requestors come forward, transfer of control of the human remains and associated funerary objects to the Indian Tribes or Native Hawaiian organizations stated in this notice may proceed.

**DATES:** Representatives of any Indian Tribe or Native Hawaiian organization not identified in this notice that wish to request transfer of control of these human remains and associated funerary objects should submit a written request with information in support of the request to Natchez Trace Parkway at the address in this notice by September 16, 2019.

**SUPPLEMENTARY INFORMATION:** Notice is here given in accordance with the Native American Graves Protection and Repatriation Act (NAGPRA), 25 U.S.C. 3003, of the completion of an inventory of human remains and associated funerary objects under the control of the U.S. Department of the Interior, National Park Service, Natchez Trace Parkway, Tupelo, MS. The human remains and associated funerary objects were removed from sites in Chickasaw and Lee Counties, MS.

This notice is published as part of the National Park Service's administrative responsibilities under NAGPRA, 25 U.S.C. 3003(d)(3) and 43 CFR 10.11(d). The determinations in this notice are the sole responsibility of the Superintendent, Natchez Trace Parkway.

#### Consultation

A detailed assessment of the human remains was made by Natchez Trace Parkway professional staff in consultation with representatives of the Cherokee Nation, The Chickasaw Nation, The Seminole Nation of Oklahoma, and the United Keetoowah Band of Cherokee Indians in Oklahoma.

### History and Description of the Remains

At an unknown date, human remains representing, at minimum, 15 individuals were removed from the Rich Toy Factory site in Lee County, MS. The remains were found in 1984 in boxes in the abandoned warehouse. It is likely that looters removed them from a mound on the factory property. While it's unclear how the remains came to be in the possession of Natchez Trace Parkway, it appears likely that the staff historian of Natchez Trace Parkway received them from the owners of the warehouse. No known individuals were identified. No associated funerary objects are present.

In 1947 and 1948, human remains representing, at minimum, 16 individuals were removed from the Bynum Mounds site in Chickasaw County, MS, during archeological investigations by the National Park Service. No known individuals were identified. The four associated funerary objects are four hammered copper spoons.

### Determinations Made by Natchez Trace Parkway

Officials of Natchez Trace Parkway have determined that:

- Pursuant to 25 U.S.C. 3001(9), the human remains described in this notice are Native American based on removal from known Native American sites.
- Pursuant to 25 U.S.C. 3001(9), the human remains described in this notice represent the physical remains of 31 individuals of Native American ancestry.
- Pursuant to 25 U.S.C. 3001(3)(A), the four objects described in this notice are reasonably believed to have been placed with or near individual human remains at the time of death or later as part of the death rite or ceremony. The National Park Service intends to convey the associated funerary objects to the tribes pursuant to 54 U.S.C. 102503(g) through (i) and 54 U.S.C. 102504.
- Pursuant to 25 U.S.C. 3001(2), a relationship of shared group identity cannot be reasonably traced between the Native American human remains and associated funerary objects and any present-day Indian Tribe.
- Treaties, Acts of Congress, or Executive Orders, indicate that the land from which the Native American human remains and associated funerary objects were removed is the aboriginal land of The Chickasaw Nation.
- Pursuant to 43 CFR 10.11(c)(1), the disposition of the human remains and associated funerary objects may be to The Chickasaw Nation.

### Additional Requestors and Disposition

Representatives of any Indian Tribe or Native Hawaiian organization not identified in this notice that wish to request transfer of control of these human remains and associated funerary objects should submit a written request with information in support of the request to Mary Risser, Superintendent, Natchez Trace Parkway, 2680 Natchez Trace Parkway, Tupelo, MS 38804, telephone (662) 680-4005, email [mary\\_risser@nps.gov](mailto:mary_risser@nps.gov), by September 16, 2019. After that date, if no additional requestors have come forward, transfer of control of the human remains and associated funerary objects to The Chickasaw Nation may proceed.
