alibons and are used to collect
information on citizenship, residency, passport, and contact information. The
data elements collected on these forms enable the Department of Homeland
Security (DHS) to perform its mission related to the screening of alien visitors
for potential risks to national security and the determination of admissibility to
the United States. The Electronic System for Travel Authorization (ESTA)
Applies to aliens seeking to travel to the
United States under the Visa Waiver Program (VWP) and requires that VWP
travelers provide information electronically to CBP before embarking on
travel to the United States without a visa. Travelers who are entering the
United States under the VWP in the air or sea environment, and who have a
travel authorization obtained through
ESTA, are not required to complete the
Form I–94. I–94 is provided for
by 8 C.F.R. 235.1(h), ESTA is provided for
by 8 C.F.R. 217.5.

Recent Changes

On November 27, 2017, the Secretary
of State designated DPRK, as a State
Sponsor of Terrorism, or SST. Countries
determined by the Secretary of State “to
have repeatedly provided support for
acts of international terrorism” are
considered to have been designated as
“state sponsors of terrorism.”

Section 217(a)(12)(A)(i) of the
Immigration and Nationality Act, 8
U.S.C. 1187(a)(12)(A)(i) bars from travel
under the Visa Waiver Program (VWP)
nationals of VWP program countries who have “been present, at any time on
or after March 1, 2011,” . . . “in a country that is designated by the
Secretary of State” as a SST.

To meet the requirements and intent of
the law and to keep ESTA and Form
I–94W aligned, DHS is strengthening the
security of the United States through
enhancements to the ESTA application,
and Form I–94W. Existing questions
that request information from
applicants/enrollees about countries to
which they have traveled on or after
March 1, 2011; countries of which they
are citizens/nationals; and countries for
which they hold passports are being
revised to include, the DPRK.

Under the Emergency Clearance
process DHS has recently added
DPRK to the following question to
ESTA and Form I–94W (no change has been
made to Form I–94): “Have you traveled
to, or been present in Iran, Iraq, Syria,
Sudan, Libya, Somalia, Yemen, or the
Democratic People’s Republic of Korea
(North Korea) on or after March 1, 2011?
If yes, provide the country, date(s) of
travel, and reason for travel.”

OMB Number: 1651–0139.

Form Number: N/A.

Current Actions: N/A.

Current Actions: This submission is being made to extend the expiration date of this information collection with no changes to the burden hours or the information collected.

Type of Review: Extension (without change).

Affected Public: Individuals.

Abstract: The Electronic Visa Update System (EVUS) allows for the collection of biographic and other information from nonimmigrant aliens who hold a passport issued by an identified country containing a U.S. nonimmigrant visa of a designated category. Nonimmigrant aliens subject to this requirement must periodically enroll in EVUS and obtain a notification of compliance with EVUS prior to travel to the United States. The EVUS requirement is currently limited to nonimmigrant aliens holding unrestricted, maximum validity B–1 (business visitor), B–2 (visitor for pleasure), or combination B–1/B–2 visas contained in a passport issued by the People’s Republic of China. EVUS provides for greater efficiencies in the screening of international travelers by allowing DHS to identify
