BILLING CODE 6820-61-P

GOVERNMENT ACCOUNTABILITY OFFICE

Request for Health Information Technology Advisory Committee (HITAC) Nominations

AGENCY: Government Accountability Office (GAO).

ACTION: Request for letters of nomination and resumes.

SUMMARY: The 21st Century Cures Act established HITAC to provide recommendations to the National Coordinator for Health Information Technology on policies, standards, implementation specifications, and certification criteria relating to the implementation of a health information technology infrastructure that advances the electronic access, exchange, and use of health information. The Act gave the Comptroller General of the United States responsibility for appointing a portion of HITAC's members. The Act requires that members at least reflect providers, ancillary health care workers, consumers, purchasers, health plans, health information technology developers, researchers, patients, relevant Federal agencies, and individuals with technical expertise on health care quality, system functions, privacy, security, and on the electronic exchange and use of health information, including the use standards for such activity. GAO is now accepting nominations for HITAC appointments that will be effective January 1, 2020. From these nominations, GAO expects to appoint at least two new HITAC members, including one advocate for

patients or consumers of health information technology. Nominations should be sent to the email or mailing address listed below. Acknowledgement of submissions will be provided within a week of submission.

DATES: Letters of nomination and resumes should be submitted no later than September 27, 2019, to ensure adequate opportunity for review and consideration of nominees prior to appointment.

ADDRESSES: Submit letters of nomination and resumes by email: HITCommittee@gao.gov. The address for materials sent by mail is U.S. GAO, Attn: HIT Committee, 441 G Street NW, Washington, DC 20548.

FOR FURTHER INFORMATION CONTACT: Will Simerl at (404) 679-1888 or simerlw@gao.gov if you do not receive an acknowledgment or need additional information. For general information, contact GAO's Office of Public Affairs, (202) 512-4800.

Authority: Public Law 114-255, sec. 3002(d) (2016), 42 U.S.C. 300jj-12.

Gene L. Dodaro,

Comptroller General of the United States.

BILLING CODE 1610-02-P

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Centers for Disease Control and Prevention

National Institute for Occupational Safety and Health (NIOSH); World Trade Center Health Program Scientific/Technical Advisory Committee (WTCHP STAC)

AGENCY: Centers for Disease Control and Prevention (CDC), Department of Health and Human Services (HHS).

ACTION: Notice of meeting.

SUMMARY: In accordance with the Federal Advisory Committee Act, the CDC National Institute for Occupational Safety and Health (NIOSH), announces the following meeting for the World Trade Center Health Program Scientific/Technical Advisory Committee (WTCHP STAC). This meeting is open to the public, limited only by the number of telephone lines. The room will accommodate approximately 100 persons. The public is also welcome to listen to the meeting by dial-in 1 (800) 988-0212, the passcode 1440561, and will accommodate up to 50 callers. To view the web conference, enter the following web address in your web browser: <https://>

odniosh.adobeconnect.com/wtchpstac19-1/.

DATES: The meeting will be held on September 18, 2019, 10:30 a.m. to 4:00 p.m., EDT.

Public Comment Time and Date: September 18, 2019, 10:45 a.m. to 11:00 a.m., EDT.

Please note that the public comment period ends at the time indicated above or following the last call for comments, whichever is earlier. Members of the public who want to comment must sign up by providing their name to Mia Wallace, Committee Management Specialist, by phone: (404) 498-2553, email: MWallace@cdc.gov, or the addresses provided below by September 4, 2019. Each commenter will be provided up to five minutes for comment. A limited number of time slots are available and will be assigned on a first come-first served basis. Written comments will also be accepted from those unable to attend the public session.

ADDRESSES: Jacob J. Javits Federal Building, 26 Federal Plaza, Rooms A/B, New York, New York 10278.

FOR FURTHER INFORMATION CONTACT: Tania Carreón-Valencia, Ph.D., Designated Federal Officer, World Trade Center Health Program Associate Director for Science, 1600 Clifton Rd. NE, MS: R-12, Atlanta, GA 30329-4027; telephone (513) 841-4515; email: wtc-stac@cdc.gov.

SUPPLEMENTARY INFORMATION:

Background: The WTCHP STAC was established by Title I of the James Zadroga 9/11 Health and Compensation Act of 2010, Public Law 111-347 (January 2, 2011), amended by Public Law 114-113 (Dec. 18, 2015), adding Title XXXIII to the Public Health Service Act (codified at 42 U.S.C. 300mm to 300mm-61).

Purpose: The purpose of the WTCHP STAC is to review scientific and medical evidence and to make recommendations to the World Trade Center (WTC) Program Administrator regarding additional WTC Health Program eligibility criteria, potential additions to the list of covered WTC-related health conditions, and research regarding certain health conditions related to the September 11, 2001 terrorist attacks.

Title XXXIII of the PHS Act established the WTC Health Program within the Department of Health and Human Services (HHS). The WTC Health Program provides medical monitoring and treatment benefits to eligible firefighters and related personnel, law enforcement officers, and rescue, recovery, and cleanup

workers who responded to the September 11, 2001, terrorist attacks in New York City, at the Pentagon, and in Shanksville, Pennsylvania (responders), and to eligible persons who were present in the dust or dust cloud on September 11, 2001 or who worked, resided, or attended school, childcare, or adult daycare in the New York City disaster area (survivors). Certain specific activities of the WTC Program Administrator are reserved to the Secretary, HHS, to delegate at his discretion; other WTC Program Administrator duties not explicitly reserved to the Secretary, HHS, are assigned to the Director, NIOSH. The administration of the WTCHP STAC is left to the Director of NIOSH in his role as WTC Program Administrator. CDC and NIOSH provide funding, staffing, and administrative support services for the WTCHP STAC. The charter was reissued on May 12, 2019, and will expire on May 12, 2021.

Policy on Redaction of Committee Meeting Transcripts (Public Comment): Transcripts will be prepared and posted to <http://www.regulations.gov> within 60 days after the meeting. If a person making a comment gives his or her name, no attempt will be made to redact that name. NIOSH will take reasonable steps to ensure that individuals making public comments are aware of the fact that their comments (including their name, if provided) will appear in a transcript of the meeting posted on a public website. Such reasonable steps include a statement read at the start of the meeting stating that transcripts will be posted and names of speakers will not be redacted. If, in making a statement, individuals reveal personal information (e.g., medical information) about themselves, that information will not usually be redacted. The CDC Freedom of Information Act coordinator will, however, review such revelations in accordance with the Freedom of Information Act and, if deemed appropriate, will redact such information. Disclosures of information concerning third party medical information will be redacted.

Matters To Be Considered: The agenda will include discussions on research integration activities that the WTC Health Program is undertaking, including research evaluation and strategic planning; an update on the policies and procedures in effect within the WTC Health Program that are used to determine whether sufficient evidence is available to support adding a non-cancer condition to the List of WTC-Related Health Conditions; and an update on the development of the Inventory of 9/11 Agents that the

Program will use for administrative purposes. Agenda items are subject to change as priorities dictate.

The Director, Strategic Business Initiatives Unit, Office of the Chief Operating Officer, Centers for Disease Control and Prevention, has been delegated the authority to sign **Federal Register** notices pertaining to announcements of meetings and other committee management activities, for both the Centers for Disease Control and Prevention and the Agency for Toxic Substances and Disease Registry.

Kalwant Smagh,

Director, Strategic Business Initiatives Unit, Office of the Chief Operating Officer, Centers for Disease Control and Prevention.

BILLING CODE 4163-18-P

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Centers for Disease Control and Prevention

Solicitation of Nominations for Appointment to the Advisory Council for the Elimination of Tuberculosis (ACET)

ACTION: Notice.

SUMMARY: The Centers for Disease Control and Prevention (CDC) is seeking nominations for membership on the ACET. The ACET consists of 10 experts in fields associated with public health, epidemiology, immunology, infectious disease, pulmonary disease, pediatrics, tuberculosis, microbiology, or preventive health care delivery. They are selected by the Secretary of the U.S. Department of Health and Human Services (HHS). ACET provides advice and recommendations regarding eliminating tuberculosis (TB) to the Secretary, HHS; the Assistant Secretary for Health, HHS; and the CDC Director. ACET (a) makes recommendations regarding TB prevention and control policies, strategies, objectives, and priorities; (b) addresses development and application of new technologies; (c) provides guidance and review of CDC's TB prevention research portfolio and program priorities; and (d) reviews the extent to which progress has been made toward eliminating TB. Nominations are being sought for individuals who have expertise and qualifications necessary to contribute to the accomplishments of ACET's objectives. Nominees will be selected on the basis of their expertise in public health, epidemiology, immunology, infectious diseases, pulmonary disease, pediatrics,

tuberculosis, microbiology, or preventive health care delivery. Federal employees are ineligible for membership. Members may be invited to serve for up to four year terms. Selection of members is based on candidates' qualifications to contribute to the accomplishment of ACET's objectives.

DATES: Nominations for ACET membership must be received no later than August 31, 2019. Packages received after that date will not be considered for the current membership cycle.

ADDRESSES: All nominations should be mailed to 1600 Clifton Road NE, Mailstop E07, Atlanta, GA 30329-4027; or emailed (recommended) to zkr7@cdc.gov; or faxed to 404-639-8600.

FOR FURTHER INFORMATION CONTACT: Margie Scott-Cseh, Committee Management Specialist, NCHHSTP, CDC, 1600 Clifton Road NE, Mailstop E07, Atlanta, GA 30329-4027; telephone: 404-639-8317; email: zkr7@cdc.gov.

SUPPLEMENTARY INFORMATION: The U.S. Department of Health and Human Services policy stipulates that committee membership be balanced in terms of points of view represented, and the committee's function. Appointments shall be made without discrimination on the basis of age, race, ethnicity, gender, sexual orientation, gender identity, HIV status, disability, and cultural, religious, or socioeconomic status. Nominees must be U.S. citizens, and cannot be full-time employees of the U.S. Government. Current participation on federal workgroups or prior experience serving on a federal advisory committee does not disqualify a candidate; however, HHS policy is to avoid excessive individual service on advisory committees and multiple committee memberships. Committee members are Special Government Employees (SGEs), requiring the filing of financial disclosure reports at the beginning and annually during their terms. CDC reviews potential candidates for ACET membership each year, and provides a slate of nominees for consideration to the Secretary of HHS for final selection. HHS notifies selected candidates of their appointment near the start of the term in July 2020, or as soon as the HHS selection process is complete. Note that the need for different expertise varies from year to year and a candidate who is not selected in one year may be reconsidered in a subsequent year. SGE Nominees must be U.S. citizens, and cannot be full-time employees of the U.S. Government. Candidates should submit the following items:
