AGENCY: Office on Violence Against Women, United States Department of Justice.

ACTION: Notice of request for nominations for new members for the Task Force on Research on Violence Against American Indian and Alaska Native Women.

SUMMARY: The Office on Violence Against Women of the U.S. Department of Justice requests recommendations for individuals to serve as members on a federal advisory committee, the Task Force on Research on Violence Against American Indian and Alaska Native Women (Task Force). Recommendations should consist of a cover letter recommending the individual and explaining the individual's qualifications to serve on the Task Force, as well as a copy of the individual's resume or curriculum vitae. Self-recommendations are not accepted. If you would like to make a membership recommendation for this federal advisory committee, please send your recommendation to the email address or contact person listed below.

ADDRESSES: Nominations may be submitted by email to OVW.taskforce@usdoj.gov or by mail to: Laura L. Rogers, Acting Director, Office on Violence Against Women, U.S. Department of Justice, 145 N Street NE, Washington, DC 20530 by September 13, 2019.

SUPPLEMENTARY INFORMATION: The Task Force was authorized by Section 904(a)(3) of the Violence Against Women and Department of Justice Reauthorization Act of 2005 (Pub. L. 109-162) and is subject to the requirements of the Federal Advisory Committee Act. The Task Force provides advice and recommendations on the development and implementation of a program of research that examines violence against Indian women in Indian Country and Alaska Native villages, including domestic violence, dating violence, sexual

assault, stalking, murder, and sex trafficking, and evaluates the effectiveness of federal, state, tribal, and local responses to these crimes.

By statute, Task Force members must be representatives of one of the following entities: Tribal governments; national tribal domestic violence and sexual assault non-profit organizations; or national tribal organizations. Task Force candidates should be nominated by the authorized representative of the listed governments or organizations (*i.e.*, tribal council or executive director). Task Force members are expected to: Attend meetings that usually last 1–2 days; be prepared to discuss materials distributed in advance of each meeting; and draft written recommendations and reports, as necessary. Additional information on the Task Force can be found on the OVW and NIJ websites at: <https://www.justice.gov/ovw/section-904-task-force> and <https://www.nij.gov/topics/tribal-justice/vaw-research/pages/task-force.aspx>.

While OVW has previously solicited and received nominations for new Task Force members, OVW would like to expand OVW's pursuit for experience and expertise and solicit additional nominations for new members to supplement the nominations that OVW has previously received. OVW is particularly interested in individuals with law enforcement, prosecutorial and research experience.

AND (2(A) or 2(B) below)

(2) The second criterion (set forth in Section 222(a)(2) of the Act, 19 U.S.C. 2272(a)(2)) may be satisfied by either (A) the Increased Imports Path, or (B) the Shift in Production or Services to a Foreign Country Path/Acquisition of Articles or Services from a Foreign Country Path, as follows:

(II)(bb) imports of articles like or directly competitive with articles which are produced directly using the services supplied by such firm, have increased; OR

(III) imports of articles directly incorporating one or more component parts produced outside the United States that are like or directly competitive with imports of articles incorporating one or more component

parts produced by such firm have increased;

AND

(iii) the increase in imports described in clause (ii) contributed importantly to such workers’ separation or threat of separation and to the decline in the sales or production of such firm; OR

(B) Shift in Production or Services to a Foreign Country Path OR Acquisition of Articles or Services from a Foreign Country Path:

(i) (I) There has been a shift by such workers’ firm to a foreign country in the production of articles or the supply of services like or directly competitive with articles which are produced or services which are supplied by such firm; OR

(II) such workers’ firm has acquired from a foreign country articles or services that are like or directly competitive with articles which are produced or services which are supplied by such firm;

AND

(ii) the shift described in clause (i)(I) or the acquisition of articles or services described in clause (i)(II) contributed importantly to such workers’ separation or threat of separation.

Section 222(b)—Adversely Affected Secondary Workers

In order for an affirmative determination to be made for adversely affected secondary workers of a firm and a certification issued regarding eligibility to apply for TAA, the group eligibility requirements of Section
