In the Matter of: Ali Afif Al Herz, Inmate Number: 13992–029, FCI Greenville, P.O. Box 5000, Greenville, IL 62246

On October 31, 2016, in the U.S. District Court for the Northern District of Iowa, Ali Afif Al Herz (“Ali Herz”) was convicted of violating Section 38 of the Arms Export Control Act (22 U.S.C. 2778 (2012)) (“AECA”). Ali Herz was convicted of violating Section 38 of the AECA by knowingly and willfully attempting to export and cause to be exported, from the United States to Lebanon, firearms, ammunition, parts, accessories, attachments and associated equipment designated as defense articles on the United States Munitions List, without the required U.S. Department of State licenses. Ali Herz was sentenced to 342 months in prison, three years of supervised release, a fine of \$150,000, and an assessment of \$400. Ali Herz also was placed on the U.S. Department of State Debarred List.

The Export Administration Regulations (“EAR” or “Regulations”) are administered and enforced by the U.S. Department of Commerce’s Bureau of Industry and Security (“BIS”).¹ Section 766.25 of the Regulations provides, in pertinent part, that the “Director of [BIS’s] Office of Exporter Services, in consultation with the Director of [BIS’s] Office of Export Enforcement, may deny the export privileges of any person who has been convicted of a violation of . . . section 38 of the Arms Export Control Act (22

U.S.C. 2778).” 15 CFR 766.25(a). The denial of export privileges under this provision may be for a period of up to 10 years from the date of the conviction. 15 CFR 766.25(d).² In addition, pursuant to Section 750.8 of the Regulations, BIS’s Office of Exporter Services may revoke any BIS-issued licenses in which the person had an interest at the time of his/her conviction.³

BIS has received notice of Ali Herz’s conviction for violating Section 38 of the AECA and has provided, pursuant to Section 766.25 of the Regulations, notice and an opportunity for Ali Herz to make a written submission to BIS. BIS has not received a submission from Ali Herz.

Based upon my review and consultations with BIS’s Office of Export Enforcement, including its Director, and the facts available to BIS, I have decided to deny Ali Herz’s export privileges under the Regulations for a period of 10 years from the date of Ali Herz’s conviction. I have also decided to revoke any BIS-issued licenses in which Ali Herz had an interest at the time of his conviction.

Accordingly, it is hereby *ordered*:

First, from the date of this Order until October 31, 2026, Ali Afif Al Herz, with a last known address of Inmate Number: 13992–029, FCI Greenville, P.O. Box 5000, Greenville, IL 62246, and when acting for or on his behalf, his successors, assigns, employees, agents or representatives (“the Denied Person”), may not, directly or indirectly, participate in any way in any transaction involving any commodity, software or technology (hereinafter collectively referred to as “item”) exported or to be exported from the United States that is subject to the Regulations, including, but not limited to:

A. Applying for, obtaining, or using any license, license exception, or export control document;

B. Carrying on negotiations concerning, or ordering, buying, receiving, using, selling, delivering, storing, disposing of, forwarding, transporting, financing, or otherwise servicing in any way, any transaction involving any item exported or to be exported from the United States that is subject to the Regulations, or engaging in any other activity subject to the Regulations; or

C. Benefitting in any way from any transaction involving any item exported or to be exported from the United States that is subject to the Regulations, or from any other activity subject to the Regulations.

Second, no person may, directly or indirectly, do any of the following:

A. Export or reexport to or on behalf of the Denied Person any item subject to the Regulations;

B. Take any action that facilitates the acquisition or attempted acquisition by the Denied Person of the ownership, possession, or control of any item subject to the Regulations that has been or will be exported from the United States, including financing or other support activities related to a transaction whereby the Denied Person acquires or attempts to acquire such ownership, possession or control;

C. Take any action to acquire from or to facilitate the acquisition or attempted acquisition from the Denied Person of any item subject to the Regulations that has been exported from the United States;

D. Obtain from the Denied Person in the United States any item subject to the Regulations with knowledge or reason to know that the item will be, or is intended to be, exported from the United States; or

E. Engage in any transaction to service any item subject to the Regulations that has been or will be exported from the United States and which is owned, possessed or controlled by the Denied Person, or service any item, of whatever origin, that is owned, possessed or controlled by the Denied Person if such service involves the use of any item subject to the Regulations that has been or will be exported from the United States. For purposes of this paragraph, servicing means installation, maintenance, repair, modification or testing.

Third, after notice and opportunity for comment as provided in Section 766.23 of the Regulations, any other person, firm, corporation, or business organization related to Ali Herz by ownership, control, position of responsibility, affiliation, or other connection in the conduct of trade or business may also be made subject to the provisions of this Order in order to prevent evasion of this Order.

Fourth, in accordance with Part 756 of the Regulations, Ali Herz may file an appeal of this Order with the Under Secretary of Commerce for Industry and Security. The appeal must be filed within 45 days from the date of this Order and must comply with the provisions of Part 756 of the Regulations.

The President, through Executive Order 13,222 of August 17, 2001 (3 CFR, 2001 Comp. 783 (2002)), which has been extended by successive Presidential Notices, the most recent being that of August 8, 2018 (83 FR 39,871 (Aug. 13, 2018)), continued the Regulations in full force and effect under the International Emergency Economic Powers Act, 50 U.S.C. 1701, *et seq.* (2012) (“IEEPA”). On August 13, 2018, the President signed into law the John S. McCain National Defense Authorization Act for Fiscal Year 2019, which includes the Export Control Reform Act of 2018, Division A, Title XVII, Subtitle B of Public Law 115–232, 132 Stat. 2208 (“ECRA”). While Section 1766 of ECRA repeals the provisions of the EAA (except for three sections which are inapplicable here), Section 1768 of ECRA provides, in pertinent part, that all rules and regulations that were made or issued under the EAA, including as continued in effect pursuant to IEEPA, and were in effect as of ECRA’s date of enactment (August 13, 2018), shall continue in effect according to their terms until modified, superseded, set aside, or revoked through action undertaken pursuant to the authority provided under ECRA.

² See also Section 11(h) of the EAA, 50 U.S.C. 4610(h) (Supp. III 2015); Sections 1760(e) and 1768 of ECRA, Title XVII, Subtitle B of Public Law 115–232, 132 Stat. 2208, 2225 and 2233 (Aug. 13, 2018); and note 1, *supra*.

³ See notes 1 and 2, *supra*.

Fifth, a copy of this Order shall be delivered to Ali Herz and shall be published in the **Federal Register**.

Sixth, this Order is effective immediately and shall remain in effect until October 31, 2026.

Issued this 13th day of August, 2019.

SUPPLEMENTARY INFORMATION:

Background

NMFS Alaska Region administers the Bering Sea and Aleutian Islands Crab Rationalization Program (Program) in the North Pacific. Fishing under the Program began on August 15, 2005. Regulations implementing the Program can be found at 50 CFR part 680.

The Program is a limited access privilege program authorized by section 313(j) of the Magnuson-Stevens Fishery Conservation and Management Act (Magnuson-Stevens Act). The Program includes a cost recovery provision to collect fees to recover the actual costs directly related to the management, data collection, and enforcement of the Program. The Program implemented under the authority of section 313(j) is consistent with the cost recovery provisions included under section 304(d)(2)(A) of the Magnuson-Stevens Act. NMFS developed the cost recovery provision to conform to statutory requirements and to reimburse the agency for the actual costs directly related to the management, data collection, and enforcement of the Program. The cost recovery provision allows collection of 133 percent of the actual management, data collection, and enforcement costs up to 3 percent of the ex-vessel value of crab harvested under the Program. The Program provides that a proportional share of fees charged be forwarded to the State of Alaska for reimbursement of its share of management and data collection costs for the Program.

A crab allocation holder generally incurs a cost recovery fee liability for every pound of crab landed. Catcher vessel and processor quota shareholders split the cost recovery fees equally with each paying half, while catcher/processor quota shareholders pay the full fee percentage for crab processed at sea. The crab allocations subject to cost recovery include Individual Fishing Quota, Crew Individual Fishing Quota, Individual Processing Quota, Community Development Quota, and the Adak community allocation.
