#### Certain Amorphous Silica Fabric From the People's Republic of China: Rescission of Antidumping Duty Administrative Review; 2018-2019

**AGENCY:** Enforcement and Compliance, International Trade Administration, Department of Commerce.

**SUMMARY:** The Department of Commerce (Commerce) is rescinding the administrative review of the antidumping duty order on certain amorphous silica fabric (silica fabric) from the People's Republic of China (China) for the period March 1, 2018, through February 28, 2019, based on the timely withdrawal of the request for review.

**DATES:** Applicable August 23, 2019.

**FOR FURTHER INFORMATION CONTACT:** Julie Geiger, AD/CVD Operations, Office VI, Enforcement and Compliance,

International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482-2057.

#### Background

On March 5, 2019, Commerce published in the **Federal Register** a notice of opportunity to request an administrative review of the antidumping duty order on silica fabric from China for the period of review covering March 1, 2018, through February 28, 2019.<sup>1</sup> On April 1, 2019, Auburn Manufacturing, Inc. (AMI), a domestic producer of silica fabric, timely filed a request for review, in accordance with section 751(a) of the Tariff Act of 1930, as amended (the Act), and 19 CFR 351.213(b).<sup>2</sup> Pursuant to this request, and in accordance with section 751(a) of the Act and 19 CFR 351.221(c)(1)(i), we initiated an administrative review of 81 companies.<sup>3</sup> On July 8, 2019, AMI timely filed a withdrawal of its request for the administrative review of all 81 companies.<sup>4</sup>

#### Rescission of Review

Pursuant to 19 CFR 351.213(d)(1), the Secretary will rescind an administrative review, in whole or in part, if the party that requested the review withdraws the request within 90 days of the date of publication of the notice of initiation of the requested review. As noted above, AMI, the only party to file a request for review, withdrew this request by the 90-day deadline. Accordingly, we are rescinding the administrative review of the antidumping duty order on silica fabric from China covering March 1, 2018, through February 28, 2019, in its entirety.

#### Assessment

Commerce will instruct U.S. Customs and Border Protection (CBP) to assess antidumping duties on all appropriate entries of silica fabric from China. Antidumping duties shall be assessed at

<sup>3</sup> See *Initiation of Antidumping and Countervailing Duty Administrative Reviews*, 84 FR 24743 (May 29, 2019). Commerce published a correction to five companies' names in July. See *Initiation of Antidumping and Countervailing Duty Administrative Reviews*, 84 FR 33739 (July 15, 2019).

rates equal to the cash deposit of estimated antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption, in accordance with 19 CFR 351.212(c)(1)(i). Commerce intends to issue appropriate assessment instructions to CBP 15 days after the date of publication of this notice in the **Federal Register**.

#### Notification to Importers

This notice serves as a reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of doubled antidumping duties.

#### Notification Regarding Administrative Protective Orders

This notice also serves as a reminder to all parties subject to administrative protective order (APO) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305. Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.

This notice is issued and published in accordance with sections 751(a)(1) and 777(i)(1) of the Act, and 19 CFR 351.213(d)(4).

Dated: August 19, 2019.

#### Initiation and Preliminary Results of Changed Circumstances Review: Fine Denier Polyester Staple Fiber (PSF) From the Republic of Korea

**AGENCY:** Enforcement and Compliance, International Trade Administration, Department of Commerce.

**SUMMARY:** The Department of Commerce (Commerce) is initiating a changed circumstances review (CCR) of the

antidumping duty (AD) order on fine denier polyester staple fiber (PSF) from the Republic of Korea (Korea) and simultaneously issuing preliminary results finding Toray Advanced Materials Korea, Inc. (TAK) to be the successor-in-interest to Toray Chemical Korea, Inc. (TCK).

**DATES:** Applicable August 23, 2019.

**FOR FURTHER INFORMATION CONTACT:** Thomas Hanna, AD/CVD Operations, Office IV, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482-0835.

#### SUPPLEMENTARY INFORMATION:

##### Background

On July 20, 2018, Commerce published the *AD Order* on PSF from the Republic of Korea in the **Federal Register**.<sup>1</sup> TCK was excluded from the *AD Order*.<sup>2</sup> On May 23, 2019, Commerce received a request on behalf of TAK for an expedited CCR to establish TAK as the successor-in-interest to TCK with respect to the *AD Order*.<sup>3</sup> On June 17, 2019, Commerce informed TAK that it required additional information in order to determine whether to initiate the requested CCR.<sup>4</sup> On June 21, 2019, TAK provided the requested information.<sup>5</sup>

##### Scope of the AD Order

The merchandise covered by the order is fine denier polyester staple fiber (fine denier PSF), not carded or combed, measuring less than 3.3 decitex (3 denier) in diameter. The scope covers all fine denier PSF, whether coated or uncoated. Fine denier PSF is classifiable under the HTSUS subheading 5503.20.0025. Although the HTSUS subheadings are provided for convenience and customs purposes, the written description of the scope of the order is dispositive.<sup>6</sup>

<sup>1</sup> See *Fine Denier Polyester Staple Fiber from the People's Republic of China, India, the Republic of Korea, and Taiwan: Antidumping Duty Orders*, 83 FR 34545 (July 20, 2018) (*AD Order*).

<sup>5</sup> See TAK's Letter, "Response Regarding Changed Circumstances Review Request" (June 21, 2019) (Response Regarding Changed Circumstances Review Request).

<sup>6</sup> For a complete description of the scope of the *AD Order*, see Memorandum, "Initiation and Preliminary Results of Changed Circumstances Review: Fine Denier Polyester Staple Fiber (PSF) from the Republic of Korea," dated concurrently, with and hereby adopted by, this notice (Preliminary Decision Memorandum). #### Initiation

Pursuant to section 751(b)(1) of the Tariff Act of 1930, as amended (the Act), and 19 CFR 351.216(d), Commerce will conduct a CCR upon receipt of information or a review request showing changed circumstances sufficient to warrant a review of an order. Among other things, Commerce has conducted CCRs to consider the applicability of cash deposit rates after there have been changes in the name or structure of a company, such as a merger or spinoff ("successor-in-interest," or "successorship," determinations). However, pursuant to 19 CFR 351.216(c), Commerce will not conduct a CCR in a proceeding within 24 months of publication of the notice of final determination in that proceeding without good cause.

The final determination that led to the *AD Order* was published on May 30, 2018.<sup>7</sup> Thus, the CCR request under consideration was filed less than 24 months after the date of publication of the notice of final determination in the PSF investigation. However, pursuant to 19 CFR 351.216(c), we find that good cause exists to initiate this CCR on the grounds of fairness and ease of administration. Commerce has found good cause on the basis of fairness and ease of administration in other CCRs involving "successor-in-interest."<sup>8</sup>

Moreover, we find the information provided is sufficient to warrant a CCR of the *AD Order*. Specifically, the information TAK provided regarding TCK's merger into TAK and the fact that TCK was excluded from the *AD Order*, but TAK is subject to the all-others dumping rate, demonstrates changed circumstances sufficient to warrant a CCR with respect to the order.

Therefore, in accordance with section 751(b)(1) of the Act and 19 CFR

Countervailing Duty Centralized Electronic Service System (ACCESS). The signed and the electronic versions of the Preliminary Decision Memorandum are identical in content.
