

Any person seeking to become a party to the proceeding must file a motion to intervene pursuant to Rule 214 of the Commission's Rules of Practice and Procedures (18 CFR 385.214). Motions to intervene are more fully described at <http://www.ferc.gov/resources/guides/how-to/intervene.asp>. Only intervenors have the right to seek rehearing or judicial review of the Commission's decision. The Commission may grant affected landowners and others with environmental concerns intervenor status upon showing good cause by stating that they have a clear and direct interest in this proceeding which no other party can adequately represent. Simply filing environmental comments will not give you intervenor status, but you do not need intervenor status to have your comments considered.

Additional information about the Project is available from the Commission's Office of External Affairs, at (866) 208-FERC, or on the FERC website (www.ferc.gov) using the eLibrary link. The eLibrary link also provides access to the texts of all formal documents issued by the Commission, such as orders, notices, and rulemakings.

In addition, the Commission offers a free service called eSubscription which allows you to keep track of all formal issuances and submittals in specific dockets. This can reduce the amount of time you spend researching proceedings by automatically providing you with

notification of these filings, document summaries, and direct links to the documents. Go to www.ferc.gov/docs-filing/esubscription.asp.

DEPARTMENT OF ENERGY

Federal Energy Regulatory Commission

[Docket No. ER19-2585-000]

Florida Power & Light Company; Notice of Extension of Time

August 23, 2019.

On August 15, 2019, Seminole Electric Cooperative, Inc. (Seminole), Lee County Electric Cooperative, Inc. (LCEC), and Florida Keys Electric Cooperative Association, Inc. (FKEC) filed a joint motion to intervene and a request for an extension, from September 3, 2019 to September 13, 2019, of the date for filing interventions and comments in response to Florida Power & Light Company's (FPL) rate filing, filed pursuant to Section 205 of the Federal Power Act, in this proceeding.¹ Seminole, LCEC, and FKEC state that an extension of time is necessary to aid intervenors in

developing a greater understanding of this complex filing and the issues it presents without unduly constraining the time available to the Commission for its deliberations. Seminole, LCEC and FKEC are authorized to represent that the Florida Municipal Power Agency (FMFA)² supports, and that FPL does not oppose, the requested extension of the date for interventions and comments.

Upon consideration, notice is hereby given that Seminole, LCEC, and FKEC's motion is granted, and the interventions and comment date for the above-captioned proceeding is hereby extended to and including September 13, 2019.

Kimberly D. Bose,
Secretary.
