**SUPPLEMENTARY INFORMATION:**

**Additions**

On June 7, 2019, the Committee for Purchase From People Who Are Blind or Severely Disabled published notice of proposed additions to the Procurement List.

After consideration of the material presented to it concerning capability of qualified nonprofit agencies to provide the service and impact of the additions on the current or most recent contractors, the Committee has determined that the service listed below are suitable for procurement by the Federal Government under 41 U.S.C. 8501-8506 and 41 CFR 51-2.4.

**Regulatory Flexibility Act Certification**

I certify that the following action will not have a significant impact on a substantial number of small entities. The major factors considered for this certification were:

1. The action will not result in any additional reporting, recordkeeping or other compliance requirements for small entities other than the small organizations that will furnish the service to the Government.

2. The action will result in authorizing small entities to furnish the service to the Government.

3. There are no known regulatory alternatives which would accomplish the objectives of the Javits-Wagner-O'Day Act (41 U.S.C. 8501-8506) in connection with the service proposed for addition to the Procurement List.

**End of Certification**

Accordingly, the following service is added to the Procurement List:

*Service*

*Service Type:* Custodial Service.

*Mandatory for:* U.S. Air Force, Columbus AFB (including Shuqualak Auxiliary Airfield, Shuqualak, MS), Columbus, MS.

*Mandatory Source of Supply:* Training, Rehabilitation, & Development Institute, Inc., San Antonio, TX.

*Contracting Activity:* DEPT OF THE AIR FORCE, FA3022 14 CONS LGCA.

**SUPPLEMENTARY INFORMATION:**

**Addition**

On 5/17/2019, the Committee for Purchase From People Who Are Blind or Severely Disabled published notice of proposed addition to the Procurement List.

The Commission received a public comment from counsel for the current contractor, citing impact on one employee who currently performs this work, lack of experience, and safety concerns for people with severe disabilities as the reasons for his client's objection to the Commission's action. The counsel asked the Commission to delay the addition of the service to the Procurement List until he and his client can address the Commission in person. For the reasons described below, the Commission has determined that the proposed Waste Management Services are suitable to be added to the Procurement List.

The mission of the AbilityOne Program is to create employment opportunities for people who are blind or severely disabled through the Federal procurement system. In the process of adding products or services to the Program, the Commission is required to perform an impact analysis on the current contractor, which was accomplished with a finding of no severe adverse impact. In accordance with 41 CFR 51-2.4(a)(4), the impact analysis focused on the company, rather than a specific individual. Further, if the project is not added to the AbilityOne Program, the current contractor will have to re-compete for a new contract, with no guarantee of a winning bid.

For 23 years, the nonprofit agency proposed to perform the work, CW Resources, Inc. (CWR), has successfully provided similar trash hauling services for the U.S. Coast Guard Academy. This past performance is geographically relevant, as it is also located in New London, CT, making CWR familiar with waste management processes in this area. In addition, CWR is well established in the janitorial line of business, and performs on 46 Procurement List projects that are either purely janitorial/custodial projects or have a custodial component (e.g., PL# 20145065, Janitorial, Grounds and Refuse Collection, U.S. Air Force, Arnold Air Force Base, TN.)

Regarding the safety of individuals with significant disabilities, CWR has identified direct labor positions and tasks that can be safely performed by people with significant disabilities. The
