

Filers submitting comments containing no business confidential information (BCI) should name their file using the name of the person or entity submitting the comments. For any comments submitted electronically containing BCI, the file name of the business confidential version should begin with the characters 'BC.' Any page containing BCI must be clearly marked "BUSINESS CONFIDENTIAL" on the top of that page. Filers of submissions containing BCI also must submit a public version of their comments that USTR will place in the docket for public inspection. The file name of the public version should begin with the character 'P.' Follow the 'BC' and 'P' with the name of the person or entity submitting the comments.

Please do not attach separate cover letters to electronic submissions; rather, include any information that might appear in a cover letter in the comments themselves. Similarly, to the extent possible, please include any exhibits, annexes, or other attachments in the same file as the submission itself, not as separate files.

As noted, USTR strongly urges that you file submissions through www.regulations.gov. You must make any alternative arrangements with Yvonne Jamison at (202) 395-3475 before transmitting a comment and in advance of the relevant deadline.

USTR will post comments in the docket for public inspection, except BCI. You can view comments on the <https://www.regulations.gov> website by entering docket number USTR-2019-0012 in the search field on the home page. General information concerning USTR is available at <https://www.ustr.gov>.
