This action is directed to the public in general, and may be of interest to a wide range of stakeholders including environmental, human health, and agricultural advocates; the chemical industry; pesticide users; and members of the public interested in the sale, distribution, or use of pesticides. Since others also may be interested, the Agency has not attempted to describe all the specific entities that may be affected by this action.

EPA is correcting the cancellation order issued in the **Federal Register** of August 14, 2019 (84 FR 40405; FRL-9996-70), by removing three entries in Table 1, of Unit II., because the registrant of those registrations inadvertently requested the voluntary cancellations. On page 40405, in Table 1, of Unit II., please remove the entries for registration numbers 1043-87, 1043-91 and 1043-92.
