SURFACE TRANSPORTATION BOARD

[Docket No. AB 1261]

New York State Department of Environmental Conservation—Adverse Abandonment—Saratoga and North Creek Railway in Town of Johnsbury, N.Y.

On September 10, 2018, the New York State Department of Environmental Conservation (the Department) filed an application under 49 U.S.C. 10903 requesting a third-party, or “adverse,” abandonment by the Saratoga and North Creek Railway (SNCR) of approximately 29.71 miles of rail line between milepost NC 0.0 at North Creek, N.Y., and its terminus at milepost NC 29.71 near the former Tahawus Mine (the Line). Notice of the exemption was served and published in the **Federal Register** on September 28, 2018 (83 FR 49,151).

On October 16, 2018, the Department requested that the proceeding be held in abeyance for 90 days because OmniTRAX, Inc. (OmniTRAX) was negotiating with SNCR for the purchase of the Line and with the Department regarding storage of rail cars. In a decision served October 23, 2018, the request was granted and the comment deadlines on the application and the environmental assessment (EA)

postponed pending further order of the Board. In a series of decisions, the abeyance period was extended, most recently until July 19, 2019.

By letter dated June 14, 2019, OmniTRAX informed the Board that it had discontinued its negotiations with SNCR and the Department. Shortly thereafter, on July 11, 2019, United Rail, Inc. (United Rail), submitted a letter stating that it had initiated preliminary discussions with SNCR regarding the purchase of the Line and requesting the Board continue to hold the proceeding in abeyance so that discussions regarding purchase of the Line could continue.

On July 12, 2019, the Department filed a letter requesting that the Board set a briefing schedule, and on July 31, 2019, the Department filed a letter opposing United Rail's request to continue to hold the proceeding in abeyance. On August 19, 2019, the Adirondack Council filed a letter supporting the Department's position opposing United Rail's request and asks the Board to allow the adverse abandonment application to move forward.

Because the negotiations involving OmniTRAX have terminated and the Department, the applicant here, opposes United Rail's request to continue to hold the proceeding in abeyance, the proceeding will be removed from abeyance and a procedural schedule set.

Any interested person may file written comments concerning the proposed adverse abandonment or protests (including protestant's entire opposition case) by September 30, 2019. Persons who may oppose the proposed adverse abandonment but who do not wish to participate fully in the process by submitting verified statements of witnesses containing detailed evidence should file comments. Persons opposing the proposed adverse abandonment who wish to participate actively and fully in the process should file a protest, observing the filing, service, and content requirements of 49 CFR. 1152.25. The Department's reply will be due by October 18, 2019.

All filings in response to this notice must refer to Docket No. AB 1261 and must be sent to: (1) Surface Transportation Board, 395 E Street SW, Washington, DC 20423-0001; and (2) Joshua M. Tallent, New York State Office of the Attorney General, Environmental Protection Bureau, The Capitol, Albany, NY 12224-0341.

Any request for an interim trail use/ railbanking condition under 16 U.S.C. 1247(d) and 49 CFR 1152.29 must be
