SUPPLEMENTARY INFORMATION: In accordance with the Paperwork Reduction Act of 1995, we provide the general public and other Federal agencies with an opportunity to comment on new, proposed, revised, and continuing collections of information. This helps us assess the impact of our information collection requirements and minimize the public's reporting burden. It also helps the public understand our information collection requirements and provide the requested data in the desired format.

A **Federal Register** notice with a 60-day public comment period soliciting comments on this collection of information was published on April 16, 2018 (83 FR 16380). No comments were received.

We are again soliciting comments on the proposed ICR that is described below. We are especially interested in public comment addressing the following issues: (1) Is the collection necessary to the proper functions of the BIE; (2) will this information be processed and used in a timely manner; (3) is the estimate of burden accurate; (4) how might the BIE enhance the quality, utility, and clarity of the information to be collected; and (5) how might the BIE minimize the burden of this collection on the respondents, including through the use of information technology.

Comments that you submit in response to this notice are a matter of public record. Before including your address, phone number, email address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to

withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.

Abstract: The Native Language Immersion Grant instructional funding document will be made available on the www.bie.edu website and by email, as requested. The funding document will include instructions on how to complete the document and identify required information applicants need to provide. The Native Language Immersion Grant requires the following be submitted for consideration:

- A project summary including program title, school name, Tribal language(s), geographic location with a brief overview of the need for the program including goals, objectives, specific program activities, and anticipated outputs and outcomes;
- Indication of receipt of funding previously from Department of Education or Administration for Native Americans for this specific program work and confirmation of no duplication;
- Data collection and stakeholder collaboration activities, and timetable;
- Detailed monitoring and evaluation plan including measure indicators and methods, timetable and budget references, products/services to be delivered and how/to whom they will be delivered, if applicable;
- Expected direct effect(s) of the program on beneficiaries;
- Complete budget information, requested budget items/costs for non-construction programs;
- And a completed SF-424A.

Each proposal is rated individually based on the quality of the items above and not against other applications. A summary of the review panel comments may be provided to the applicant if requested.
