[Docket No. MARAD–2019–0093]

Deepwater Port License Application: Texas GulfLink LLC; Extension of Scoping Period

AGENCY: Maritime Administration, Department of Transportation.

ACTION: Notice of extension of the public scoping comment period.

SUMMARY: By **Federal Register** notice of Wednesday, July 3, 2019, titled *Deepwater Port License Application: Texas GulfLink LLC*, the U.S. Coast Guard (USCG), in coordination with the Maritime Administration (MARAD), announced the intent to prepare an environmental impact statement (EIS) as part of the environmental review of the Texas GulfLink LLC (Texas GulfLink) deepwater port license application. Publication of that notice began a 30-day scoping process, announced the date and location of a public scoping meeting as well as requested public participation to assist in the identification and determination of the environmental issues to be addressed in the EIS.

In a **Federal Register** notice dated Wednesday, August 14, 2019, USCG and MARAD previously advised that the public scoping period for Texas GulfLink would be extended until August 30, 2019. MARAD and USCG have determined that a second extension of the public scoping period for the GulfLink application is necessary to allow the public and interested parties a full 30 days to review the application and provide written feedback to the agencies. This second extension is due to delays in getting the application properly posted on the docket. This **Federal Register** Notice announces the date of the extended scoping period.

license application must be received by September 24, 2019.

Please note the Community Development Financial Institutions Fund (CDFI Fund) will only accept applications and attachments (*e.g.*, the Controlling Entity's representative signature page, investor letters, and organizational charts) in electronic form (see Section IV.C of this NOAA for more details). Applications must meet all eligibility and other requirements and deadlines, as applicable, set forth in this NOAA. Any Applicant that is not yet certified as a Community Development Entity (CDE) must submit an application for CDE certification through the CDFI Fund's Awards Management Information System (AMIS) on or before 5:00 p.m. ET on September 23, 2019 (see Section III.A.1 of this NOAA for more details on CDE certification).

Executive Summary: This NOAA is issued in connection with the CY 2019 allocation round (Allocation Round) of the New Markets Tax Credit Program (NMTC Program), as authorized by Title I, subtitle C, section 121 of the Community Renewal Tax Relief Act of 2000 (Pub. Through the NMTC Program, the CDFI Fund provides authority to CDEs to offer an incentive to investors in the form of tax credits over seven years, which is expected to stimulate the provision of private investment capital that, in turn, will facilitate economic and community development in Low-Income Communities. Through this NOAA, the

CDFI Fund announces the availability of \$3.5 billion of NMTC Allocation authority in this Allocation Round.

In this NOAA, the CDFI Fund specifically addresses how a CDE may apply to receive an allocation of NMTCs, the competitive procedure through which NMTC Allocations will be made, and the actions that will be taken to ensure that proper allocations are made to appropriate entities.

All such materials may be found on the CDFI Fund's website at <https://www.cdfifund.gov>. The CDFI Fund requires Applicants to review these documents. Capitalized terms used, but not defined, in this NOAA have the respective meanings assigned to them in the NMTC Program Allocation Application, Internal Revenue Code (IRC) § 45D or the IRS NMTC regulations. In the event of any inconsistency between this NOAA, the Allocation Application, and guidance issued by the CDFI Fund thereto, IRC § 45D or the IRS NMTC Regulations, the provisions of IRC § 45D and the IRS NMTC Regulations shall govern.

II. Allocation Information
