following information collections. More detailed information can be found in each collection's supporting statement and associated materials (see **ADDRESSES**).

CMS-10704 Health Reimbursement Arrangements and Other Account-Based Group Health Plans

Under the PRA (44 U.S.C. 3501-3520), federal agencies must obtain approval from the Office of Management and Budget (OMB) for each collection of information they conduct or sponsor. The term "collection of information" is defined in 44 U.S.C. 3502(3) and 5 CFR 1320.3(c) and includes agency requests or requirements that members of the public submit reports, keep records, or provide information to a third party. Section 3506(c)(2)(A) of the PRA requires federal agencies to publish a 60-day notice in the **Federal Register** concerning each proposed collection of information, including each proposed extension or reinstatement of an existing collection of information, before submitting the collection to OMB for approval. To comply with this requirement, CMS is publishing this notice.

Information Collection

1. *Type of Information Collection Request:* Extension of a currently approved collection; *Title of Information Collection:* Health Reimbursement Arrangements and Other Account-Based Group Health Plans; *Use:* On June 20, 2019, the Department of the Treasury, the Department of Labor, and the Department of Health and Human Services (collectively, the Departments) issued final regulations titled "Health Reimbursement Arrangements and Other Account-Based Group Health Plans" (84 FR 28888) under section 2711 of the PHS Act and the health nondiscrimination provisions of HIPAA, Public Law 104-191 (HIPAA nondiscrimination provisions). The regulations expand the use of health reimbursement arrangements and other account-based group health plans (collectively referred to as HRAs). In general, the regulations expand the use of HRAs by eliminating the current prohibition on integrating HRAs with individual health insurance coverage, thereby permitting employers to offer individual coverage HRAs to employees that can be integrated with individual health insurance coverage or Medicare. Under the regulations employees will be permitted to use amounts in an individual coverage HRA to pay expenses for medical care (including premiums for individual health

insurance coverage and Medicare), subject to certain requirements. This information collection includes provisions related to substantiation of individual health insurance coverage (45 CFR 146.123(c)(5)), the notice requirement for individual coverage HRAs (45 CFR 146.123(c)(6)), and notification of termination of coverage (45 CFR 146.123(c)(1)(iii)). *Form Number:* CMS-10704 (OMB control number 0938-1361); *Frequency:* Annually; *Affected Public:* Private Sector, State Governments; *Number of Respondents:* 2,005; *Total Annual Responses:* 273,492; *Total Annual Hours:* 6,016. (For policy questions regarding this collection contact Usree Bandyopadhyay at 410-786-6650.)

DEPARTMENT OF HEALTH AND HUMAN SERVICES
Administration for Community Living
Intent To Award a Single-Source Supplement for the Centers for Independent Living (Subchapter C) Training & Technical Assistance (T&TA) Center Cooperative Agreement

ACTION: Announcing the intent to award a single-source supplement.

SUMMARY: The Administration for Community Living (ACL) announces the intent to award a single-source supplement to the current cooperative agreement held by the Memorial Hermann Health System for training and technical assistance to the Centers for Independent Living (CILs) that are Subchapter C grantees. The purpose of this project is to develop and provide trainings for CILs, develop and provide TA to CILs, administer peer mentoring for CILs, and refer CILs to other T&TA resources. The administrative supplement for FY 2019 will be in the amount of \$351,327, bringing the total award for FY 2019 to \$1,634,490.

FOR FURTHER INFORMATION CONTACT: For further information or comments regarding this program supplement, contact Regina Blye, U.S. Department of Health and Human Services,

Administration for Community Living, Administration on Disabilities, Office of Independent Living; telephone (202)-795–7374; email regina.blye@acl.hhs.gov.

SUPPLEMENTARY INFORMATION: The additional funding will not be used to begin new projects, but to serve more CILs that are Subchapter C grantees with the same services and opportunities that Memorial Hermann Health System has been providing for some CILs that are Subchapter C grantees.

Program Name: Centers for Independent Living (Subchapter C) Training & Technical Assistance (T&TA) Center.

Recipient: Memorial Hermann Health System.

Period of Performance: The supplemental award will be issued for the third year of the three-year project period of September 30, 2019 through September 29, 2020.

Total Award Amount: \$1,634,490 in FY 2019.

Award Type: Cooperative Agreement Supplement.

Statutory Authority: Rehabilitation Act of 1973, as amended, Public Law 114–95, Title 7, Section 721.

Basis for Award: The Memorial Hermann Health System is currently funded to provide T&TA to CILs for the period of September 30, 2017 through September 29, 2020. ACL is required to spend 1.8–2% of ACL's funds appropriated for CILs for FY 2020 on T&TA for CILs. Without this supplement, ACL would spend less than the 1.8% minimum required amount of funds on T&TA in FY 2020. This supplement will result in ACL complying with this minimum requirement of the statute. This additional funding will enable Memorial Hermann Health System to enhance its capacity to provide more trainings, technical assistance, peer mentoring, and referrals for more CILs.

Memorial Hermann Health System is uniquely positioned to complete the work called for under this project as Memorial Hermann Health System presently provides T&TA services to CILs. Many CILs have benefited from the T&TA provided by the Memorial Hermann Health System's many trainings and other resources.

Establishing another entity as a T&TA provider for CILs would probably be inefficient and disruptive. Another entity would not be able to promptly develop and implement a high-quality T&TA project for one year of funds. If this supplement were not provided, ACL would not meet the requirement that a minimum of 1.8% of funds

appropriated for CILs be utilized to provide T&TA services to CILs.

Dated: August 30, 2019.

Administrator and Assistant Secretary for Aging.
