SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-86864; File No. SR-EMERALD-2019-32]

Self-Regulatory Organizations; MIAX Emerald, LLC; Notice of Filing and Immediate Effectiveness of a Proposed Rule Change To Amend Exchange Rule 519, MIAX Emerald Order Monitor

September 4, 2019.

Pursuant to the provisions of Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act"),¹ and Rule 19b-4 thereunder,² notice is hereby given that on August 30, 2019, MIAX Emerald, LLC ("MIAX Emerald" or "Exchange") filed with the Securities and Exchange Commission ("Commission") a proposed rule change as described in Items I, II, and III below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange is filing a proposal to amend Exchange Rule 519, MIAX Emerald Order Monitor.

The text of the proposed rule change is available on the Exchange's website at <http://www.miaxonoptions.com/rule-filings/emerald> at MIAX Emerald's principal office, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these

statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to amend Exchange Rule 519, MIAX Emerald Order Monitor, to remove a term in the Exchange's rule which creates an ambiguity concerning the application of the rule. Specifically, subsection (4) of paragraph (a), Limit Orders to Sell, provides that "[f]or options with a National Best Bid ("NBB") equal to or greater than \$0.25 the System³ will reject an incoming limit order that has a limit price equal to or less than the NBB by the lesser of (i) \$2.50, or (ii) 50% of the NBB price." The second provision of the rule provides that, "[f]or options with an NBB of \$0.25 or less the System will accept any incoming limit order."

The statements an NBB "equal to or greater than \$0.25" and "an NBB of \$0.25 or less" both contemplate the NBB being equal to \$0.25. The operation of the rule requires a bifurcation at \$0.25 and only one action (accepting or rejecting an incoming order) can occur when the NBB is equal to \$0.25. The desired behavior by the Exchange, for limit orders to sell, is to accept an order at any price when the NBB is equal to \$0.25 or less. Therefore the Exchange proposes to remove the phrase "equal to or" from the first sentence in the rule.

The new proposed rule text will provide that, "[f]or options with a National Best Bid ("NBB") greater than \$0.25 the System will reject an incoming limit order that has a limit price equal to or less than the NBB by the lesser of (i) \$2.50, or (ii) 50% of the NBB price. For options with an NBB of \$0.25 or less the System will accept any incoming limit order.

The Exchange believes its proposed change provides additional detail and clarity to the Exchange's rule and eliminates any inadvertent ambiguity in the rule text concerning order protections for incoming limit orders to sell.

2. Statutory Basis

MIAX Emerald believes that its proposed rule change is consistent with

¹ 15 U.S.C. 78s(b)(1).
² 17 CFR 240.19b-4.
³ The term "System" means the automated trading system used by the Exchange for the trading of securities. See Exchange Rule 100.
