SUPPLEMENTARY INFORMATION: The Citizen Science Projects Advisory Committee serves as advisors to the Council’s Citizen Science Program. Committee members include representatives from the Council’s fishery Advisory Panels (AP), Habitat & Ecosystem AP, and Information & Education AP. Their responsibilities include identifying citizen science research and data needs across all the Council’s fishery management plans; assisting with development of volunteer engagement strategies for recruiting, training, retaining, and communicating with volunteers; and serving as outreach ambassadors for the Program.

During the meeting, the Committee will receive an overview of the Citizen Science Program including background information and an update on the current program. The Committee will also review the Citizen Science Program’s research priorities, discuss and provide recommendations as appropriate.

Special Accommodations

The meeting is physically accessible to people with disabilities. Requests for auxiliary aids should be directed to the Council office (see ADDRESSES) 5 days prior to the meeting.

Note: The times and sequence specified in this agenda are subject to change.

Authority: 16 U.S.C. 1801 et seq.

Tracey L. Thompson,
Acting Deputy Director, Office of Sustainable Fisheries, National Marine Fisheries Service.
