With respect to the Impact issue, the Panel found that the Commission's finding of adverse impact is lawful and supported by substantial evidence in light of its determinations regarding post-petition data, substitutability, volume, price effects, and the business cycle, which have been remanded elsewhere in this decision. If, in any of these remands, the Commission reaches a different finding or conclusion on the particular issue, then the Panel directs the Commission to determine and explain what effect such reconsideration has on its impact analysis.

SUMMARY: The Department of Commerce (Commerce) is rescinding the administrative review of the countervailing duty (CVD) order on 1-Hydroxyethylidene-1, 1-Diphosphonic Acid (HEDP) from the People's Republic

of China (China) for the period January 1, 2018, through December 31, 2018.

DATES: Applicable September 10, 2019.

FOR FURTHER INFORMATION CONTACT: Justin Neuman, AD/CVD Operations, Office V, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482-0486.

SUPPLEMENTARY INFORMATION:

Background

On May 1, 2019, Commerce published in the **Federal Register** a notice of opportunity to request an administrative review of the CVD order on HEDP from China for the period January 1, 2018, through December 31, 2018.¹ On May 31, 2019, Compass Chemical International LLC (Compass Chemical), a domestic interested party, filed a timely request for review with respect to Shandong Taihe Chemicals Co., Ltd., Shandong Taihe Water Treatment Technologies Co., Ltd., and Henan Qingshuiyuan Technology Co., Ltd., in accordance with section 751(a) of the Tariff Act of 1930, as amended (the Act), and 19 CFR 351.213(b).² Pursuant to this request, and in accordance with section 751(a) of the Act and 19 CFR 351.221(c)(1)(i), we initiated an administrative review of these companies.³ On August 26, 2019, Compass Chemical filed a timely withdrawal of request for the administrative review.⁴

Rescission of Review

Pursuant to 19 CFR 351.213(d)(1), the Secretary will rescind an administrative review, in whole or in part, if the party that requested the review withdraws the request within 90 days of the date of publication of the notice of initiation of the requested review. As noted above, Compass Chemical, the only party to file a request for review, withdrew its request by the 90-day deadline. Accordingly, we are rescinding the administrative review of the CVD order on HEDP from China for the period January 1, 2018, through December 31, 2018, in its entirety.

Assessment

Commerce will instruct U.S. Customs and Border Protection (CBP) to assess CVD duties on all appropriate entries of HEDP from China. CVD duties shall be assessed at rates equal to the cash deposit of estimated CVD duties required at the time of entry, or withdrawal from warehouse, for consumption, in accordance with 19 CFR 351.212(c)(1)(i). Commerce intends to issue appropriate assessment instructions to CBP 15 days after the date of publication of this notice in the **Federal Register**.

Notification to Importers

This notice serves as a reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of CVD duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of CVD duties occurred and the subsequent assessment of doubled CVD duties.

Notification Regarding Administrative Protective Orders

This notice also serves as a reminder to all parties subject to administrative protective order (APO) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305. Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.

SUMMARY: In accordance with the Tariff Act of 1930, as amended (the Act), the Department of Commerce (Commerce) is

automatically initiating the five-year review (Sunset Review) of the antidumping (AD) order listed below. The International Trade Commission (the Commission) is publishing concurrently with this notice its notice of *Institution of Five-Year Reviews* which covers the same order.

DATES: Applicable (September 1, 2019).

FOR FURTHER INFORMATION CONTACT: Commerce official identified in the *Initiation of Review* section below at AD/CVD Operations, Enforcement and Compliance, International Trade Administration, U.S. Department of

Commerce, 1401 Constitution Avenue NW, Washington, DC 20230. For information from the Commission contact Mary Messer, Office of Investigations, U.S. International Trade Commission at (202) 205-3193.

SUPPLEMENTARY INFORMATION:

Background

Commerce's procedures for the conduct of Sunset Reviews are set forth in its *Procedures for Conducting Five-Year (Sunset) Reviews of Antidumping and Countervailing Duty Orders*, 63 FR 13516 (March 20, 1998) and 70 FR 62061 (October 28, 2005). Guidance on

methodological or analytical issues relevant to Commerce's conduct of Sunset Reviews is set forth in *Antidumping Proceedings: Calculation of the Weighted-Average Dumping Margin and Assessment Rate in Certain Antidumping Duty Proceedings; Final Modification*, 77 FR 8101 (February 14, 2012).

Initiation of Review

In accordance with section 751(c) of the Act and 19 CFR 351.218(c), we are initiating the Sunset Review of the following AD order:

DOC case No.	ITC case No.	Country	Product	Commerce contact
A-570-882	731-TA-1022	China	Refined Brown Aluminum Oxide (3rd Review).	Joshua Poole, (202) 482-1293.

Filing Information

As a courtesy, we are making information related to sunset proceedings, including copies of the pertinent statute and Commerce's regulations, Commerce's schedule for Sunset Reviews, a listing of past revocations and continuations, and current service lists, available to the public on Commerce's website at the following address: <http://enforcement.trade.gov/sunset/>. All submissions in this Sunset Review must be filed in accordance with Commerce's regulations regarding format, translation, and service of documents. These rules, including electronic filing requirements via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS), can be found at 19 CFR 351.303.¹

Any party submitting factual information in an AD/CVD proceeding must certify to the accuracy and completeness of that information.² Parties must use the certification formats provided in 19 CFR 351.303(g).³ Commerce intends to reject factual submissions if the submitting party does not comply with applicable revised certification requirements.

On April 10, 2013, Commerce modified two regulations related to AD/CVD proceedings: the definition of

factual information (19 CFR 351.102(b)(21)), and the time limits for the submission of factual information (19 CFR 351.301).⁴ Parties are advised to review the final rule, available at <http://enforcement.trade.gov/frn/2013/1304frn/2013-08227.txt>, prior to submitting factual information in these segments. To the extent that other regulations govern the submission of factual information in a segment (such as 19 CFR 351.218), these time limits will continue to be applied. Parties are also advised to review the final rule concerning the extension of time limits for submissions in AD/CVD proceedings, available at <http://enforcement.trade.gov/frn/2013/1309frn/2013-22853.txt>, prior to submitting factual information in this segment.⁵

Letters of Appearance and Administrative Protective Orders

Pursuant to 19 CFR 351.103(d), Commerce will maintain and make available a public service list for this proceeding. Parties wishing to participate in this five-year review must file letters of appearance as discussed at 19 CFR 351.103(d). To facilitate the timely preparation of the public service list, it is requested that those seeking recognition as interested parties to a proceeding submit an entry of appearance within 10 days of the publication of the Notice of Initiation. Because deadlines in Sunset Reviews can be very short, we urge interested parties who want access to proprietary information under administrative

protective order (APO) to file an APO application immediately following publication in the **Federal Register** of this notice of initiation. Commerce's regulations on submission of proprietary information and eligibility to receive access to business proprietary information under APO can be found at 19 CFR 351.304-306.

Information Required From Interested Parties

Domestic interested parties, as defined in section 771(9)(C), (D), (E), (F), and (G) of the Act and 19 CFR 351.102(b), wishing to participate in the Sunset Review must respond not later than 15 days after the date of publication in the **Federal Register** of this notice of initiation by filing a notice of intent to participate. The required contents of the notice of intent to participate are set forth at 19 CFR 351.218(d)(1)(ii). In accordance with Commerce's regulations, if we do not receive a notice of intent to participate from at least one domestic interested party by the 15-day deadline, Commerce will automatically revoke the order without further review.⁶

If we receive an order-specific notice of intent to participate from a domestic interested party, Commerce's regulations provide that *all parties* wishing to participate in the Sunset Review must file complete substantive responses not later than 30 days after the date of publication in the **Federal Register** of this notice of initiation. The required contents of a substantive response, on an order-specific basis, are set forth at 19 CFR 351.218(d)(3). Note that certain information requirements differ for respondent and domestic
