Summary Form Under Review

Title of Collection: Generic Clearance for the Collection of Qualitative Feedback on Agency Service Delivery.

Type of Review: New information collection.

Agency Form Number: DFC–011.

OMB Form Number: Not assigned, new information collection.

Frequency: Once.

Affected Public: Business or other for-profit; not-for-profit institutions; individuals.

Total Estimated Number of Annual Number of Respondents: 200.

Estimated Time per Respondent: 0.1 to 1 hours.

Total Estimated Number of Annual Burden Hours: 100 hours.

Abstract: The information collection activity under this clearance will garner qualitative customer and stakeholder feedback in an efficient, timely manner. By qualitative feedback the agency means information that provides useful insights on perceptions and opinions, but are not statistical surveys that yield quantitative results that can be generalized to the population of study. This feedback will provide insights into customer or stakeholder perceptions, experiences and expectations, provide an early warning of issues with service, or focus attention on areas where communication, training or changes in operations might improve delivery of products or services. These collections will allow for ongoing, collaborative and actionable communications between the agency and its customers and stakeholders. It will also allow feedback to contribute directly to the improvement of program management.

Feedback collected under this generic clearance will provide useful information, but it will not yield data that can be generalized to the overall population. This type of generic clearance for qualitative information will not be used for quantitative

information collections that are designed to yield reliably actionable results, such as monitoring trends over time or documenting program performance. Such data uses require more rigorous designs.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34–86896]

Order Granting Application by Nasdaq BX, Inc. for Exemption Pursuant to Section 36(a) of the Exchange Act From the Rule Filing Requirements of Section 19(b) of the Exchange Act With Respect to the Nasdaq Rule 1000 Series Incorporated by Reference

September 6, 2019.

Nasdaq BX, Inc. (the “Exchange”) has filed with the Securities and Exchange Commission (the “Commission”) an application for an exemption under Section 36(a)(1) of the Securities Exchange Act of 1934 (“Exchange Act”)¹ from the rule filing requirements of Section 19(b) of the Exchange Act² with respect to certain rules of The Nasdaq Stock Market LLC (“Nasdaq”) that the Exchange seeks to incorporate by reference.³ Section 36(a)(1) of the Exchange Act,⁴ subject to certain limitations, authorizes the Commission to conditionally or unconditionally exempt any person, security, or transaction, or any class thereof, from any provision of the Exchange Act or rule thereunder, if necessary or appropriate in the public interest and

consistent with the protection of investors.

The Exchange filed a proposed rule change⁵ under Section 19(b) of the Exchange Act to replace its existing membership rules, as set forth in the Rule 1000 Series of its rulebook, with the Rule 1000 Series of the Nasdaq rulebook, as such rules may be in effect from time to time.⁶ Namely, in the proposed rule change, the Exchange proposed to incorporate by reference the Nasdaq Rule 1000 Series such that Nasdaq Rule 1000 Series would be applicable to the Exchange's applicants, members, associated persons, and other persons subject to the Exchange's jurisdiction as though such rules were fully set forth within the Exchange's rulebook.⁷

The Exchange has requested, pursuant to Rule 0–12 under the Exchange Act,⁸ that the Commission grant the Exchange an exemption from the rule filing requirements of Section 19(b) of the Exchange Act for changes to the Exchange's rules that are effected solely by virtue of a change to the Nasdaq Rule 1000 Series that are incorporated by reference. Specifically, the Exchange requests that it be permitted to incorporate by reference changes made to the Nasdaq Rule 1000 Series that are cross-referenced in the Exchange's rules without the need for the Exchange to file separately the same proposed rule change pursuant to Section 19(b) of the Exchange Act.⁹

The Exchange represents that the Nasdaq Rule 1000 Series are not trading rules.¹⁰ Moreover, the Exchange states that it proposes to incorporate by reference a category of rules (rather than individual rules within a category).¹¹ The Exchange also represents that, as a condition of this exemption, the Exchange will provide written notice to its applicants and members whenever

⁵ See Securities Exchange Act Release No. 86425 (July 22, 2019), 84 FR 36139 (July 26, 2019) (SR–BX–2019–022). Although the proposed rule change was filed pursuant to Section 19(b)(3)(A)(iii) of the Exchange Act, and thereby became effective upon filing with the Commission, the Exchange stipulated in its proposal that the incorporation by reference would not be operative until such time as the Commission grants this Exemptive Request.

⁶ For purposes of this application, the Nasdaq Rule 1000 Series refers to the Nasdaq Rule 1000 Series with the exception of Nasdaq Rules 1031, 1050, 1090, 1130, 1150, 1160, or 1170. The Exchange will retain its existing corresponding versions of each of these rules and will not incorporate by reference the Nasdaq versions of the same.
