SUPPLEMENTARY INFORMATION:

Background

On September 10, 2018, Commerce published a notice of initiation of an administrative review of the countervailing duty (CVD) order on CORE from Korea.¹ On January 28, 2019, Commerce exercised its discretion to toll all deadlines affected by the partial federal government closure from December 22, 2018 through the resumption of operations on January 29, 2019.² If the new deadline falls on a non-business day, in accordance with Commerce's practice, the deadline will become the next business day.³ On April 16, 2019, and July 23, 2019, Commerce extended the deadline for the preliminary results. The revised deadline for the preliminary results of this administrative review is September 6, 2019.⁴ For a complete description of the events that followed the initiation of this review, see the Preliminary Decision Memorandum.⁵ A list of topics

ACCESS is available to registered users at <http://access.trade.gov> and is available to all parties in the Central Records Unit, room B8024 of the main Commerce building. In addition, a complete version of the Preliminary Decision Memorandum can be accessed directly at <http://enforcement.trade.gov/frn/>. The signed and electronic versions of the Preliminary Decision Memorandum are identical in content.

Scope of the Order

The merchandise covered by the order is certain corrosion-resistant steel products. For a complete description of the scope of the order, see the Preliminary Decision Memorandum.

Rescission of Administrative Review, In Part

Commerce initiated a review of 23 companies in this segment of the proceeding.⁶ The petitioners timely withdrew their request for review of Mitsubishi International Corp.,⁷ and no other party requested a review of this company. We are, therefore, rescinding the review with respect to Mitsubishi International Corp., in accordance with 19 CFR 351.213(d)(1).

Methodology

Commerce is conducting this review in accordance with section 751(a)(1)(A) of the Tariff Act of 1930, as amended (the Act). For each of the subsidy programs found countervailable, we preliminarily determine that there is a subsidy, *i.e.*, a financial contribution from an authority that gives rise to a benefit to the recipient, and that the subsidy is specific.⁸ For a full description of the methodology underlying our conclusions, see the accompanying Preliminary Decision Memorandum.

Companies Not Selected for Individual Review

The statute and Commerce's regulations do not directly address the

establishment of rates to be applied to companies not selected for individual examination where Commerce limits its examination in an administrative review pursuant to section 777A(e)(2) of the Act. However, Commerce normally determines the rates for non-selected companies in reviews in a manner that is consistent with section 705(c)(5) of the Act, which provides instructions for calculating the all-others rate in an investigation.

Section 705(c)(5)(A)(i) of the Act instructs Commerce, as a general rule, to calculate an all-others rate equal to the weighted average of the countervailable subsidy rates established for exporters and producers individually investigated, excluding any zero, *de minimis*, or rates based entirely on facts available. In this review, the only preliminary subsidy rate above *de minimis* is the rate calculated for Dongbu. Therefore, for the companies for which a review was requested that were not selected as mandatory respondents, and for which we did not receive a timely request for withdrawal of review, and for which we are not finding to be cross-owned with the mandatory company respondents, we are applying the subsidy rate calculated for Dongbu.

Preliminary Results of Review

As a result of this review, we preliminarily determine the net countervailable subsidy rates to be:

Company	Net countervailable subsidy rate (percent <i>ad valorem</i>) 2017
Dongbu Steel Co., Ltd./ Dongbu Incheon Steel Co., Ltd.	7.17
Hyundai Steel Company	0.44 (<i>de minimis</i>)

Assessment Rate

Pursuant to section 751(a)(2)(C) of the Act, upon issuance of the final results, Commerce shall determine, and Customs and Border Protection (CBP) shall assess, countervailing duties on all appropriate entries covered by this review. We intend to issue instructions to CBP 15 days after publication of the final results of this review. For companies for which this review is rescinded, Commerce will instruct CBP to assess countervailing duties on all appropriate entries at a rate equal to the cash deposit of estimated countervailing duties required at the time of entry, or withdrawal from warehouse, for consumption, during the POR, in accordance with 19 CFR 351.212(c)(1)(i). Commerce intends to issue appropriate assessment instructions directly to CBP 15 days after publication of this notice.

Cash Deposit Rate

Pursuant to section 751(a)(2)(C) of the Act, Commerce intends to instruct CBP to collect cash deposits of estimated countervailing duties in the amount indicated above with regard to shipments of subject merchandise entered, or withdrawn from warehouse, for consumption on or after the date of publication of the final results of this review. For all non-reviewed firms, we will instruct CBP to continue to collect cash deposits of estimated countervailing duties at the most recent company-specific or all-others rate applicable to the company, as appropriate. These cash deposit instructions, when imposed, shall remain in effect until further notice.
