RI 20–123 is available only on the OPM website. It is used by retirees separated for disability and the survivors of retirees separated for disability to request that Retirement Operations review the computations of disability annuities to include the formulae provided in law for individuals who performed service as law enforcement officers, firefighters, nuclear materials carriers, air traffic controllers, Congressional employees, and Capitol and Supreme Court police. When responses are received, action is taken to review the annuity computation and, if the respondent is entitled to an increased benefit, the benefit is authorized.
