published a notice of opportunity to request an administrative review of the Order.² Commerce received multiple timely requests for an administrative review of the Order. On March 14, 2019, in accordance with section 751(a) of Tariff Act of 1930, as amended (the Act), Commerce published in the **Federal Register** a notice of the initiation of an administrative review of the Order.³ The administrative review was initiated with respect to 54 companies or groups of companies, and covers the period from December 1, 2017, through November 30, 2018. Requesting parties have subsequently timely withdrawn all review requests for 14 companies or groups of companies for which Commerce initiated a review, as discussed below.

Rescission of Review, in Part

Pursuant to 19 CFR 351.213(d)(1), Commerce will rescind an administrative review, in whole or in part, if the party that requested the review withdraws its request within 90 days of the publication of the notice of initiation of the requested review. All requesting parties withdrew their respective requests for an administrative review of the 14 companies or groups of companies listed in the Appendix within 90 days of the date of publication of *Initiation Notice*. Accordingly, Commerce is rescinding this review with respect to these companies, in accordance with 19 CFR 351.213(d)(1).⁴

⁴ See Appendix. As stated in *Change in Practice in NME Reviews*, Commerce will no longer consider the non-market economy (NME) entity as an exporter conditionally subject to administrative reviews. See *Antidumping Proceedings: Announcement of Change in Department Practice for Respondent Selection in Antidumping Duty Proceedings and Conditional Review of the Nonmarket Economy Entity in NME Antidumping Duty Proceedings*, 78 FR 65963 (November 4, 2013).

Assessment

Commerce will instruct U.S. Customs and Border Protection (CBP) to assess antidumping duties on all appropriate entries. For the companies for which this review is rescinded, antidumping duties shall be assessed on the subject merchandise at rates equal to the cash deposit of estimated antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption, in accordance with 19 CFR 351.212(c)(1)(i). Commerce intends to issue appropriate assessment instructions to CBP 15 days after publication of this notice in the **Federal Register**.

Notification to Importers

This notice serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in Commerce’s presumption that reimbursement of the antidumping duties occurred and the subsequent assessment of doubled antidumping duties.

Notification Regarding Administrative Protective Orders

This notice also serves as a reminder to parties subject to administrative protective order (APO) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3), which continues to govern business proprietary information in this segment of the proceeding. requested. Failure to comply with the regulations and terms of an APO is a sanctionable violation.

This notice is issued and published in accordance with sections 751(a)(1) and 777(i)(1) of the Act, and 19 CFR 351.213(d)(4).
