#### **SUPPLEMENTARY INFORMATION:**

*Title of Collection:* Generic Information Collection Plan for the Development and Testing of Disclosures and Related Materials.

*OMB Control Number:* 3170-0022.

*Type of Review:* Reinstatement with change of a previously approved information collection.

*Affected Public:* Individuals and Households.

*Estimated Number of Annual Respondents:* 16,400.

*Estimated Total Annual Burden Hours:* 8,488.

*Abstract:* This is a request for a generic clearance for the Bureau for the development and testing of consumer financial disclosures and related materials. The research will result in recommendations for the development of and revisions to such disclosures and related materials. The research activities may be conducted by the Bureau or its contractors, and will include cognitive psychological testing methods or rigorous quantitative evaluations. This approach has been demonstrated to be feasible and valuable by the Bureau and other agencies in developing disclosures and related materials. The planned research activities will be conducted with the goal of creating effective disclosures and related materials that will help consumers understand the features of consumer financial products and services. The Bureau is modifying this generic information collection plan to provide for enhanced public notice and opportunity to comment to OMB for each request submitted under this generic.

*Request for Comments:* The Bureau issued a 60-day **Federal Register** notice on June 14, 2019, 84 FR 27771, Docket Number: CFPB-2019-0034. Comments were solicited and continue to be invited on: (a) Whether the collection of information is necessary for the proper performance of the functions of the Bureau, including whether the information will have practical utility; (b) The accuracy of the Bureau's estimate of the burden of the collection of information, including the validity of the methods and the assumptions used; (c) Ways to enhance the quality, utility, and clarity of the information to be collected; and (d) Ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Comments submitted in response to this notice will be reviewed by OMB as part of its review of this request. All comments will become a matter of public record.
