i. On September 4, 2019, SCE filed a request for the Commission to expedite the study plan determination process by waiving certain pre-filing study plan development requirements under Part 5 of the Commission's regulations for the existing Bishop Creek Hydroelectric Project. SCE adds that they have met the intent of these regulations through early collaborative efforts with stakeholders in developing the technical study plans included in its Pre-Application Document filed May 1, 2019.⁴
