Certain Steel Nails From the People’s Republic of China: Final Results of Antidumping Duty Changed Circumstances Review

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: On September 17, 2018, the Department of Commerce (Commerce) published a notice of initiation and the preliminary results of the changed circumstances review (CCR) of the antidumping duty (AD) order on certain steel nails (nails) from the People’s Republic of China (China) in the Federal Register regarding certain scope exclusion language. Commerce has adopted the revised scope exclusion language. Commerce published its final results for the CCR revoking the Order with respect to the aforementioned four types of steel nails, unchanged from the preliminary results.4

On March 22, 2017, the petitioner requested that Commerce initiate another CCR to clarify language regarding the four types of steels nails that were excluded from the scope of the Order in the 2011 CCR Final Results.5 On September 17, 2018, Commerce published a notice of initiation and preliminary results of the CCR, and preliminarily determined it appropriate to revise the scope exclusion language which was adopted in the 2011 CCR Final Results to align the exclusion language with the intent of the 2011 CCR Final Results.6

In accordance with 19 CFR 351.309, we invited parties to comment on our Initiation and Preliminary Results. On September 27, 2018, PrimeSource Building Products, Inc. (PrimeSource) submitted a timely filed case brief. On October 4, 2018, the petitioner submitted a timely rebuttal brief pursuant to our regulations.

Scope of the Order

The merchandise covered by the Order includes certain steel nails having a shaft length up to 12 inches. Certain steel nails subject to the Order are currently classified under the Harmonized Tariff Schedule of the United States (HTSUS) subheadings 7317.00.55, 7317.00.65, 7317.00.75, and 7907.00.6000.7 While the HTSUS subheadings are provided for convenience and customs purposes, the written description of the scope of the Order is dispositive.8

Analysis of Comments Received

We addressed all issues raised in the case and rebuttal briefs by parties to this review in the Issues and Decision Memorandum (I&D Memo).9 Attached to this notice, in Appendix II, is a list of the issues which parties raised. The I&D Memo is a public document and on file in the Central Records Unit (CRU), Room B8024 of the main Commerce building, as well as electronically via Enforcement and Compliance’s Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at http://access.trade.gov and in the CRU. In addition, a complete version of the I&D Memo can be accessed directly on the internet at http://enforcement.trade.gov/frn/index.html. The signed I&D Memo and the electronic versions of the I&D Memo are identical in content.

Final Results of Changed Circumstances Review

Pursuant to section 751(b)(1) of the Tariff Act of 1930, as amended (the Act), and 19 CFR 351.216, Commerce determines that changed circumstances exist sufficient to warrant revisions to the scope exclusion language adopted in the 2011 CCR Final Results to align with the intent of the 2011 CCR Final Results. The full description of the scope of the Order, including the revised exclusion language, is at Attachment I.

Cash Deposit Requirements and Assessment

Effective upon publication of the final results of this changed circumstances review, the revised exclusion language will apply to all shipments of the subject merchandise from China, entered, or withdrawn from warehouse, for consumption on or after the publication date of the Initiation and Preliminary Results, September 17, 2018, and that remain unliquidated as of the date of publication of the final results of this determination. For any entries which are not subject to the Order, Commerce will instruct U.S. Customs and Border Protection (CBP) to liquidate without regard to applicable antidumping duties, all unliquidated entries of nails that meet the revised exclusion language, and to refund any estimated antidumping duties collected on such merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date of the Initiation and Preliminary Results, September 17, 2018, the publication of the Initiation and Preliminary Results in accordance with section 778 of the Act.
