Coast Guard

33 CFR Part 165

[Docket Number USCG-2019-0756]

RIN 1625-AA00

Safety Zone, Wilmington River, Savannah, GA

AGENCY: Coast Guard, DHS.

ACTION: Temporary final rule.

SUMMARY: The Coast Guard is establishing a temporary safety zone for navigable waters on the Wilmington River 1,000 feet on the north and south side of the Islands Expressway Bridge in Savannah, GA. The safety zone is needed to protect personnel, vessels, and the marine environment from potential hazards created by the placement of multiple spans for the new Islands Expressway Bridge. Entry of vessels or persons into this zone is

prohibited unless specifically authorized by the Captain of the Port (COTP) Savannah or a designated representative.

DATES: This rule is effective without actual notice from September 26, 2019 to 2:00 p.m. on October 22, 2019. For the purposes of enforcement, actual notice will be used from 8:00 a.m. on September 18, 2019 through September 26, 2019.

ADDRESSES: To view documents mentioned in this preamble as being available in the docket, go to <http://www.regulations.gov>, type USCG-2019-0756 in the “SEARCH” box and click “SEARCH.” Click on Open Docket Folder on the line associated with this rule.

FOR FURTHER INFORMATION CONTACT: If you have questions on this rule, call or email MST1 Rachel Crowe, Marine Safety Unit Savannah Office of Waterways Management, Coast Guard; telephone 912-652-4353, extension 243, or email Rachel.M.Crowe@uscg.mil.

CFR Code of Federal Regulations
 DHS Department of Homeland Security
 FR Federal Register
 NPRM Notice of proposed rulemaking
 § Section
 U.S.C. United States Code

II. Background Information and Regulatory History

The Coast Guard is issuing this temporary rule without prior notice and opportunity to comment pursuant to authority under section 4(a) of the Administrative Procedure Act (APA) (5 U.S.C. 553(b)). This provision authorizes an agency to issue a rule without prior notice and opportunity to comment when the agency for good cause finds that those procedures are “impracticable, unnecessary, or contrary to the public interest.” Under 5 U.S.C.

553(b)(B), the Coast Guard finds that good cause exists for not publishing a notice of proposed rulemaking (NPRM) with respect to this rule because doing so would be impracticable. Immediate action is needed to respond to the potential safety hazards created by the placement of multiple spans for the new Islands Expressway Bridge. The Coast Guard received information on August 27, 2019 regarding the operations beginning on September 18, 2019. The operation would begin before the rulemaking process would be completed. Because of the dangers posed by the placement of multiple spans, the safety zone is necessary to provide for the safety of persons, vessels, and the marine environment in the event area.

Under 5 U.S.C. 553(d)(3), the Coast Guard finds that good cause exists for making this rule effective less than 30 days after publication in the **Federal Register**. Delaying the effective date of this rule would be impracticable because immediate action is needed to respond to the potential safety hazards associated with the construction and placement of multiple spans.

III. Legal Authority and Need for Rule

The Coast Guard is issuing this rule under authority in 46 U.S.C. 70034. The COTP Savannah has determined that potential hazards associated with the placement of multiple spans for the new Islands Expressway Bridge starting September 18, 2019, will be a safety concern for anyone within 1,000 feet of the north and south side of the Islands Expressway Bridge. This rule is needed to protect personnel, vessels, and the marine environment in the navigable waters within the safety zone during bridge construction.

IV. Discussion of the Rule

This rule establishes a safety zone from 8:00 a.m. on September 18, 2019

to 2:00 p.m. on September 20, 2019, 8:00 a.m. on September 23, 2019 to 2:00 p.m. on September 27, 2019, 8:00 a.m. on September 30, 2019 to 2:00 p.m. on October 4, 2019, 8:00 a.m. on October 14, 2019 to 2:00 p.m. on October 18, 2019, 8:00 a.m. on October 21, 2019 to 2:00 p.m. on October 22, 2019. The safety zone will cover all navigable waters within 1,000 feet on the north and south side of the Islands Expressway Bridge, Savannah, GA. Weather contingency days have been factored into this timeframe. If the safety zone is not enforced on weather contingency days, the Coast Guard will notify the public via Broadcast Notice to Mariners and will update the Local Notice to Mariners.

The duration of the zone is intended to protect personnel, vessels, and the marine environment in these navigable waters during placement of multiple spans for the new Islands Expressway Bridge. No vessel or person will be permitted to enter, transit through, anchor in, or remain within the safety zone without obtaining permission from the COTP or a designated representative.

V. Regulatory Analyses

We developed this rule after considering numerous statutes and Executive orders related to rulemaking. Below we summarize our analyses based on a number of these statutes and Executive orders, and we discuss First Amendment rights of protestors.

A. Regulatory Planning and Review

Executive Orders 12866 and 13563 direct agencies to assess the costs and benefits of available regulatory alternatives and, if regulation is necessary, to select regulatory approaches that maximize net benefits. Executive Order 13771 directs agencies to control regulatory costs through a budgeting process. This rule has not been designated a “significant regulatory action,” under Executive Order 12866. Accordingly, this rule has not been reviewed by the Office of Management and Budget (OMB), and pursuant to OMB guidance it is exempt from the requirements of Executive Order 13771.

This regulatory action determination is based on the size, location, duration, and time-of-day of the safety zone. The safety zone is only in effect for navigable waters within 1,000 feet of the Islands Expressway Bridge on the north and south side during the placement of multiple spans for the new Islands Expressway Bridge. Vessels and persons seeking to enter, transit through, anchor in, or remain within the regulated area

may seek authority from the COTP or a designated representative. The Coast Guard will provide notification of the regulated area to the local maritime community by Local Notice to Mariners, Broadcast Notice to Mariners via VHF–FM marine channel 16, and Marine Safety Information Bulletin release.

B. Impact on Small Entities

The Regulatory Flexibility Act of 1980, 5 U.S.C. 601–612, as amended, requires Federal agencies to consider the potential impact of regulations on small entities during rulemaking. The term “small entities” comprises small businesses, not-for-profit organizations that are independently owned and operated and are not dominant in their fields, and governmental jurisdictions with populations of less than 50,000. The Coast Guard certifies under 5 U.S.C. 605(b) that this rule will not have a significant economic impact on a substantial number of small entities.

While some owners or operators of vessels intending to transit the safety zone may be small entities, for the reasons stated in section V.A above, this rule will not have a significant economic impact on any vessel owner or operator.

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Pub. L. 104–121), we want to assist small entities in understanding this rule. If the rule would affect your small business, organization, or governmental jurisdiction and you have questions concerning its provisions or options for compliance, please contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section.

Small businesses may send comments on the actions of Federal employees who enforce, or otherwise determine compliance with, Federal regulations to the Small Business and Agriculture Regulatory Enforcement Ombudsman and the Regional Small Business Regulatory Fairness Boards. The Ombudsman evaluates these actions annually and rates each agency’s responsiveness to small business. If you wish to comment on actions by employees of the Coast Guard, call 1–888–REG–FAIR (1–888–734–3247). The Coast Guard will not retaliate against small entities that question or complain about this rule or any policy or action of the Coast Guard.

C. Collection of Information

This rule will not call for a new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501–3520).

D. Federalism and Indian Tribal Governments

A rule has implications for federalism under Executive Order 13132, Federalism, if it has a substantial direct effect on the States, on the relationship between the national government and the States, or on the distribution of power and responsibilities among the various levels of government. We have analyzed this rule under that Order and have determined that it is consistent with the fundamental federalism principles and preemption requirements described in Executive Order 13132.

Also, this rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it does not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes. If you believe this rule has implications for federalism or Indian tribes, please contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section above.

E. Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531–1538) requires Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or tribal government, in the aggregate, or by the private sector of \$100,000,000 (adjusted for inflation) or more in any one year. Though this rule will not result in such an expenditure, we do discuss the effects of this rule elsewhere in this preamble.

F. Environment

We have analyzed this rule under Department of Homeland Security Directive 023–01 and Environmental Planning COMDTINST 5090.1 (series), which guide the Coast Guard in complying with the National Environmental Policy Act of 1969 (42 U.S.C. 4321–4370f), and have determined that this action is one of a category of actions that do not individually or cumulatively have a significant effect on the human environment. This rule involves a safety zone during the placement of multiple spans for the new Islands Expressway Bridge. It is categorically excluded from further review under paragraph L60(a) in Table 3–1 of U.S. Coast Guard Environmental Planning Implementing Procedures 5090.1. A Record of

Environmental Consideration supporting this determination is available in the docket where indicated under **ADDRESSES**.

G. Protest Activities

The Coast Guard respects the First Amendment rights of protesters. Protesters are asked to contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section to coordinate protest activities so that your message can be received without jeopardizing the safety or security of people, places or vessels.

Harbors, Marine safety, Navigation (water), Reporting and recordkeeping requirements, Security measures, Waterways.

For the reasons discussed in the preamble, the Coast Guard amends 33 CFR part 165 as follows:

PART 165—REGULATED NAVIGATION AREAS AND LIMITED ACCESS AREAS

■ 1. The authority citation for part 165 continues to read as follows:

Authority: 46 U.S.C. 70034, 70051; 33 CFR 1.05–1, 6.04–1, 6.04–6, and 160.5; Department of Homeland Security Delegations No. 0170.1.

■ 2. Add § 165.T07–0756 to read as follows:

§ 165.T07–0756 Safety Zone, Wilmington River, Savannah, GA.

(a) *Regulated area.* The following areas are established as safety zones: All waters of the Wilmington River within 1,000 feet on the north and south side of the Islands Expressway Bridge, Wilmington River in Savannah, GA.

(b) *Definition.* As used in this section, “designated representative” means Coast Guard Patrol Commanders, including Coast Guard coxswains, petty officers, and other officers operating Coast Guard vessels or aircraft, and federal, state, and local officers designated by or assisting the Captain of the Port (COTP) Savannah in the enforcement of the regulated areas.

(c) *Regulations.* (1) All persons and vessels are prohibited from entering, transiting through, anchoring in, or remaining within the regulated area of the safety zone unless authorized by the COTP Savannah or a designated representative.

(2) Persons or vessels desiring to enter, transit through, anchor in, or remain within the safety zone may contact COTP Savannah by telephone at (912) 652–4353 × 243, or a designated representative via VHF radio on channel 16, to request authorization. If

authorization to enter, transit through, anchor in, or remain within the regulated area is granted by the COTP Savannah or a designated representative, all persons and vessels receiving such authorization must comply with the instructions of the COTP Savannah or a designated representative.

(3) The Coast Guard will provide notice of the regulated areas by Local Notice to Mariners, Broadcast Notice to Mariners, Marine Safety Information Bulletins, and on-scene designated representatives.

(d) *Effective and enforcement period.* This section is effective without actual notice from September 26, 2019 to 2:00 p.m. on October 22, 2019. For the purposes of enforcement, actual notice will be used from 8:00 a.m. on September 18, 2019 through September 26, 2019. This section will be enforced intermittently from 8:00 a.m. on September 18, 2019 to 2:00 p.m. on September 20, 2019, 8:00 a.m. on September 23, 2019 to 2:00 p.m. on September 27, 2019, 8:00 a.m. on September 30, 2019 to 2:00 p.m. on October 4, 2019, 8:00 a.m. on October 14, 2019 to 2:00 p.m. on October 18, 2019, 8:00 a.m. on October 21, 2019 to 2:00 p.m. on October 22, 2019.

(e) *Notice of suspension of enforcement.* If the safety zone described in paragraph (a) of this section is not enforced on the days listed in paragraph (d) of this section, the Coast Guard will notify the public via Broadcast Notice to Mariners and will update the Local Notice to Mariners.

Dated: September 16, 2019.

Judson A. Coleman,

*Lieutenant Commander, U.S. Coast Guard,
Acting Captain of the Port Savannah.*

BILLING CODE 9110–04–P

ENVIRONMENTAL PROTECTION AGENCY

40 CFR Part 52

[EPA–R04–OAR–2018–0813; FRL–10000–25–Region 4]

Air Plan Approval; Georgia; 2008 8-Hour Ozone Interstate Transport

AGENCY: Environmental Protection Agency (EPA).

ACTION: Final rule.

SUMMARY: The Environmental Protection Agency (EPA) is finalizing approval of Georgia’s August 15, 2018, State Implementation Plan (SIP) submission

pertaining to the “good neighbor” provision of the Clean Air Act (CAA or Act) for the 2008 8-hour ozone National Ambient Air Quality Standards (NAAQS). The good neighbor provision requires each state’s implementation plan to address the interstate transport of air pollution in amounts that contribute significantly to nonattainment, or interfere with maintenance, of a NAAQS in any other state. In this action, EPA is finalizing the determination that Georgia will not contribute significantly to nonattainment or interfere with maintenance of the 2008 8-hour ozone NAAQS in any other state. Therefore, EPA is approving Georgia’s August 15, 2018, SIP revision as meeting the requirements of the good neighbor provision for the 2008 8-hour ozone NAAQS.

DATES: This rule will be effective October 28, 2019.

ADDRESSES: EPA has established a docket for this action under Docket Identification No. EPA–R04–OAR–2018–0813. All documents in the docket are listed on the www.regulations.gov website.
