Transfer Agent Registration and Amendment Form.

**General Description of Collection:**
Section 17A(c) of the Security Exchange Act of 1934 (the Act) requires all transfer agents for securities registered under section 12 of the Act or, if the security would be required to be registered except for the exemption from registration provided by Section 12(g)(2)(B) or Section 12(g)(2)(G), to “file” with the appropriate regulatory agency an application for registration in such form and containing such information and documents as such appropriate regulatory agency may prescribe as necessary or appropriate in furtherance of the purposes of this section.” In general, an entity performing transfer agent functions for a security are required to register with its appropriate regulatory agency (ARA) if the security is registered on a national securities exchange or if the issuer of the security has total assets exceeding $10 million and a class of equity security held of record by 2,000 persons or, for an issuer that is not a bank, BHC, or SLHC, by 500 persons who are not accredited investors. The Board’s Regulation H (12 CFR 208.31(a) and Regulation Y (12 CFR 225.4(d)), the OCC’s 12 CFR 9.20, and the FDIC’s 12 CFR part 341 implement these provisions of the Act. To accomplish the registration of transfer agents, Form TA–1 was developed in 1975 as an interagency effort by the Securities and Exchange Commission (SEC) and the agencies. The agencies primarily use the data collected on Form TA–1 to determine whether an application for registration should be approved, denied, accelerated or postponed, and they use the data in connection with their supervisory responsibilities.
