Oil Country Tubular Goods From Ukraine: Preliminary Results of the First Five-Year Sunset Review of the Antidumping Duty Order

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: On June 4, 2019, the Department of Commerce (Commerce) initiated the first sunset review of the antidumping duty (AD) order on oil country tubular goods (OCTG) from Ukraine. Commerce determined that it was appropriate to conduct a full review. Commerce preliminarily finds that revocation of this AD order would be likely to lead to continuation or recurrence of dumping at the levels indicated in the “Preliminary Results of Review” section of this notice.

SUPPLEMENTARY INFORMATION:

Background

On June 4, 2019, Commerce initiated the sunset review of the agreement suspending the AD investigation on OCTG from Ukraine, pursuant to section 751(c) of the Tariff Act of 1930, as amended (the Act). Subsequent to the initiation of the sunset review, the suspension agreement on OCTG from Ukraine was terminated and an AD order was issued, effective July 10, 2019. As section 751(c) of the Act provides for sunset reviews of an AD order or a notice of a suspended investigation, Commerce concludes that continuing the sunset review of the Order despite the termination of the suspension agreement is contemplated by the Act. Commerce received notices of intent to participate from Benteler Steel/Tube (Benteler), Boomerang Tube, LLC (Boomerang), IPSCO Tubulars, Inc. (IPSCO), Vallourec Star, LP (Vallourec), Welded Tube USA Inc. (Welded Tube USA), Maverick Tube Corporation (Maverick), Tenaris Bay City, Inc. (Tenaris Bay), and the United States Steel Corporation (U.S. Steel) (collectively, the domestic interested parties), and Interpipe and North American Interpipe, Inc. (collectively, Interpipe) within the deadline specified in 19 CFR 351.218(d)(1)(i). Commerce received substantive responses from the domestic interested parties and Interpipe within the 30-day deadline specified in 19 CFR 351.218(d)(3)(i). On July 8, 2019, we received rebuttal comments from the domestic interested parties within the deadline specified in 19 CFR 351.218(d)(4). In addition, on July 8, 2019, the GOU’s Ministry of Economic Development and Trade provided comments on the record concerning the initiation of the sunset review of the suspended investigation.

Analysis of Comments Received

All issues raised for the preliminary results of this sunset review are addressed in the Preliminary Decision Memorandum. The issues discussed in the Preliminary Decision Memorandum are the likelihood of continuation or recurrence of dumping, and the magnitude of the margins of dumping likely to prevail if this Order were revoked. The Preliminary Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance’s Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at http://access.trade.gov, and in the Central Records Unit, Room B8024 of the main Commerce building. In addition, a complete version of the Preliminary Decision Memorandum can be accessed directly on the internet at http://enforcement.trade.gov/fm/. The signed Preliminary Decision Memorandum and the electronic version of the Preliminary Decision Memorandum are identical in content.

Preliminary Results of Review

Pursuant to sections 752(c) of the Act, we determine that revocation of the AD order on OCTG from Ukraine would be likely to lead to continuation or recurrence of dumping at weighted average margins of 7.47 percent.

Interested parties may submit case briefs no later than 30 days after the date of publication of the preliminary results of this full sunset review, in accordance with 19 CFR 351.309(c)(1)(i). Rebuttal briefs, which must be limited to issues raised in the case briefs, may be filed no later than five days after the time limit for filing case briefs in accordance with 19 CFR 351.309(d). Any interested party may request a hearing within 30 days of publication of this notice in accordance with 19 CFR 351.310(c). A hearing, if requested, will ordinarily be held two days after the date the rebuttal briefs are due. Commerce will issue a notice of final results of this full sunset review, which will include the results of its analysis of issues raised in any such comments, no later than January 30, 2020.

This five-year (sunset) review and notice are in accordance with sections 751(c), 752(c), and 777(i)(1) of the Act and 19 CFR 351.218(f)(1).
