Background

On April 1, 2019, Commerce published a notice of opportunity to request an administrative review of the AD order on stainless steel sheet and strip (SSSS) from the People’s Republic of China (China) for the period April 1, 2018, through March 31, 2019. On April 30, 2019, the petitioners filed a timely request for review with respect to all entities for which it had requested a review.

Recission of Review

Pursuant to 19 CFR 351.213(d)(1), the Secretary will rescind an administrative review, in whole or in part, if the party that requested the review withdraws the request within 90 days of the date of publication of the notice of initiation of the requested review. As noted above, the petitioners, who were the only party to file a request for review, withdrew their request by the 90-day deadline. Accordingly, we are rescinding the administrative review of the AD order on SSSS from China for the period April 1, 2018, through March 31, 2019, in its entirety.

Assessment

Commerce will instruct U.S. Customs and Border Protection (CBP) to assess AD duties on all appropriate entries of SSSS from China. AD duties shall be assessed at rates equal to the cash deposit of estimated AD duties required at the time of entry, or withdrawal from warehouse, for consumption, in accordance with 19 CFR 351.212(c)(1)(i). Commerce intends to issue appropriate assessment instructions to CBP 15 days after the date of publication of this notice in the Federal Register.

This notice serves as a reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of AD duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in Commerce’s presumption that reimbursement of AD duties occurred and the subsequent assessment of doubled AD duties.
