SUPPLEMENTARY INFORMATION:

I. Background

The VETS USERRA/VP Form 1010 (VETS-1010 Form) is used to file complaints with the Department of Labor's Veterans' Employment and Training Service (VETS) under either the Uniformed Services Employment and Reemployment Rights Act (USERRA) or the laws and regulations related to Veterans' Preference (VP) in Federal employment. On October 13, 1994, the Uniformed Services Employment and Reemployment Rights Act (USERRA), Public Law 103-353, 108 Stat. 3150 was signed into law. Contained in Title 38, U.S.C. 4301-4335, USERRA is the replacement for the Veterans' Reemployment Rights (VRR) law. The purposes of USERRA laws and regulations are: To minimize disruption to the lives of persons who perform service in the uniformed services (including the National Guard and Reserves), as well as to their employers, their fellow employees, and their communities, by providing for prompt reemployment of such persons upon completion of such service; to encourage individuals to participate in non-career uniformed service by eliminating and minimizing the disadvantages to civilian careers and employment which can result from such service; and to prohibit discrimination in employment and acts of reprisal against persons because of their obligations in the uniformed services, prior service, intention to join the uniformed services, filing of a USERRA claim, seeking assistance concerning an alleged USERRA violation, testifying in a proceeding, or otherwise assisting in an investigation of a USERRA claim. The Veterans Employment Opportunities Act (VEOA) of 1998,

Public Law 105-339, 12 Stat. 3182, contained in Title 5 U.S.C. 3330a-3330c, authorizes the Secretary of Labor to provide assistance to preference eligible individuals who believe their rights under the veterans' preference laws have been violated, and to investigate claims filed by those individuals. The purposes of veterans' preference laws include: To provide preference for certain veterans over others in Federal hiring from competitive lists of applicants; to allow access and open up Federal job opportunities to veterans that might otherwise be closed to the public; and to provide preference eligible veterans with preference over others in retention during reductions in force in Federal agencies. VETS has an electronic complaint form, the VETS e1010, available on our website at: <https://vets1010.dol.gov/Login.aspx>, and which may also be accessed via our USERRA elaws Advisor (<https://webapps.dol.gov/elaws/vets/userra/>) and Veterans' Preference elaws Advisor (<https://webapps.dol.gov/elaws/vetspref.htm>). The e1010 may be completed and submitted electronically without having to download, print, and mail a signed hard copy to our Atlanta data center.

II. Desired Focus of Comments

VETS is soliciting comments concerning the proposed information collection in the VETS-1010 Form. The Department of Labor is particularly interested in comments which:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
 - Enhance the quality, utility, and clarity of the information to be collected; and
