the weight of the portfolio and the aggregate gross notional value of listed derivatives based on any single underlying reference asset not exceed 30% of the weight of the portfolio (including gross notional exposures). Instead, the Funds will hold listed derivatives primarily on a single reference asset, the Nasdaq-100 Index or the Russell 2000 Price Index. Despite the exposure of the listed derivatives to a single reference asset, the Commission nevertheless believes that certain representations by the Exchange help to mitigate concerns about the prices of the Shares being susceptible to manipulation. Specifically, the Exchange represents that the market for options contracts for each Reference Index are liquid and derive their value from actively traded Reference Index components. Additionally, all of the options held by the Funds will trade on markets that are a member of ISG or affiliated with a member of ISG or with which the Exchange has in place a comprehensive surveillance sharing agreement.

Additionally, in support of this proposal, the Exchange represents that:

1. The Funds and the Shares will satisfy all of the requirements applicable to Managed Fund Shares under BZX Rule 14.11(i), as well as the Generic Listing Standards other than BZX Rule 14.11(i)(4)(C)(iv)(b).

2. Trading in the Shares will be subject to the existing trading surveillance administered by the Exchange, as well as cross-market surveillances administered by FINRA, on behalf of the Exchange, which are designed to detect violations of Exchange rules and applicable federal securities laws.

3. For initial and continued listing, the Funds will be in compliance with Rule 10A–3 under the Act.

4. A minimum of 100,000 Shares will be outstanding at the commencement of trading on the Exchange.

This approval order is based on all of the Exchange’s statements and representations, including those set forth above and in Amendment Nos. 2 and 3.

For the foregoing reasons, the Commission finds that the proposed rule change, as modified by Amendment Nos. 2 and 3 thereto, is consistent with Section 6(b)(5) of the Act and the rules and regulations thereunder applicable to a national securities exchange.

IV. Conclusion

It is therefore ordered, pursuant to Section 19(b)(2) of the Act, that the proposed rule change (SR–ChoeBZX–2019–067), as modified by Amendment Nos. 2 and 3, be, and it hereby is, approved.

For the Commission, by the Division of Trading and Markets, pursuant to delegated authority. Jill M. Peterson, Assistant Secretary.

SURFACE TRANSPORTATION BOARD
[Docket No. EP 526 (Sub-No. 13)]
Notice of Railroad-Shopper Transportation Advisory Council Vacancies

AGENCY: Surface Transportation Board (Board).

ACTION: Notice of upcoming vacancies on the Railroad-Shopper Transportation Advisory Council (RSTAC) and solicitation of nominations.

SUMMARY: The Board hereby gives notice of upcoming vacancies on RSTAC for two large shipper representatives. The Board seeks suggestions for candidates to fill these vacancies.

DATES: Nominations are due on October 31, 2019.

ADDRESSES: Suggestions may be submitted either via e-filing or in writing addressed to: Surface Transportation Board, Attn: Docket No. EP 526 (Sub-No. 13), 395 E Street SW, Washington, DC 20423–0001. Submissions will be posted to the Board’s website at www.stb.gov under Docket No. EP 526 (Sub-No. 13).

FOR FURTHER INFORMATION CONTACT: Katherine Bourdon at (202) 245–0285. Assistance for the hearing impaired is available through the Federal Relay Service at (800) 877–8339.

SUPPLEMENTARY INFORMATION: The Board, created in 1996 to take over many of the functions previously performed by the Interstate Commerce Commission, exercises broad authority over transportation by rail carriers, including regulation of railroad rates and service (49 U.S.C. 10701–47, 11101–24), the construction, acquisition, operation, and abandonment of rail lines (49 U.S.C. 10901–07), as well as railroad line sales, consolidations, mergers, and common control arrangements (49 U.S.C. 10902, 11323–27).

The ICC Termination Act of 1995 (ICCTA), enacted on December 29, 1995, established RSTAC to advise the Board’s Chairman, the Secretary of Transportation, the Committee on Commerce, Science, and Transportation of the Senate, and the Committee on Transportation and Infrastructure of the House of Representatives with respect to rail transportation policy issues RSTAC considers significant. RSTAC focuses on issues of importance to small shippers and small railroads, including car supply, rates, competition, and procedures for addressing claims. ICCTA instructs RSTAC to endeavor to develop private-sector mechanisms to prevent, or identify and address, obstacles to the most effective and efficient transportation system practicable. The members of RSTAC also prepare an annual report concerning RSTAC’s activities. RSTAC is not subject to the Federal Advisory Committee Act.

RSTAC’s 15 appointed members consist of representatives of small and large shippers, and small and large railroads. In addition, members of the Board and the Secretary of Transportation serve as ex officio members. Of the 15 appointed members, nine are voting members and are appointed from senior executive officers of organizations engaged in the railroad and rail shipping industries. At least four of the voting members must be representatives of small shippers as determined by the Chairman, and at least four of the voting members must be representatives of Class II or III railroads. The remaining six members to be appointed—three representing Class I railroads and three representing large shipper organizations—serve in a nonvoting, advisory capacity, but may participate in RSTAC deliberations. Meetings of RSTAC are required by statute to be held at least semi-annually. In recent years, RSTAC has met four times a year. Meetings are generally held at the Board’s headquarters in Washington, DC, although some meetings are held in other locations.
