AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (Commerce) continues to find that High Den Enterprises Ltd. (High Den) is not eligible for a separate rate and is therefore a part of the China-wide entity. The period of review is August 1, 2017 through July 31, 2018.

DATES: Applicable October 1, 2019.

FOR FURTHER INFORMATION CONTACT: Allison Hollander or Minoo Hatten, AD/CVD Operations, Office I, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482-2805 or (202) 482-1690, respectively.

SUPPLEMENTARY INFORMATION:

Background

On June 14, 2019, Commerce published the *Preliminary Results*¹ of the administrative review of the antidumping duty (AD) order on polyethylene retail carrier bags (PRCBs) from the People's Republic of China (China).² We invited interested parties to comment on these *Preliminary Results*. We received no comments from interested parties. As such, these final results are unchanged from the *Preliminary Results*.

¹ See *Polyethylene Retail Carrier Bags from the People's Republic of China: Preliminary Results of Antidumping Duty Administrative Review and Rescission of Review in Part; 2017-2018*, 84 FR 27756 (June 14, 2019) and accompanying Preliminary Decision Memorandum (*Preliminary Results*).

² See *Antidumping Duty Order: Polyethylene Retail Carrier Bags from the People's Republic of China*, 69 FR 48201 (August 9, 2004) (*Order*).

Scope of the Order

The products subject to the AD order on PRCBs from China, are PRCBs, which may be referred to as t-shirt sacks, merchandise bags, grocery bags, or checkout bag. Imports of the subject merchandise are currently classifiable under statistical category 3923.21.0085 of the Harmonized Tariff Schedule of the United States (HTSUS). This subheading also covers products that are outside the scope of the order. Furthermore, although the HTSUS subheading is provided for convenience and customs purposes, our written description of the scope of the order is dispositive. For a complete description of the scope of the *Order*, see the *Preliminary Decision Memorandum*.

Methodology

Commerce conducted this review in accordance with section 751(a)(1)(B) of the Tariff Act of 1930, as amended (the Act). In the *Preliminary Results*, Commerce found that High Den failed to respond to the initial questionnaire. Therefore, Commerce preliminarily determined that High Den is not eligible for a separate rate and is therefore part of the China-wide entity. We have not received any information since the issuance of the *Preliminary Results* that provides a basis for reconsidering this determination. For a full description of the methodology underlying our conclusions, see the *Preliminary Decision Memorandum*. The *Preliminary Decision Memorandum* is a public document and is on file electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <http://access.trade.gov> and to all parties in the Central Records Unit, room B8024 of the main Commerce building. In addition, a complete version of the *Preliminary Decision Memorandum* can be accessed directly on the internet at <http://enforcement.trade.gov/frn/index.html>. The signed and the electronic versions of the *Preliminary Decision Memorandum* are identical in content.

Final Results of Review

We received no comments pertaining to the *Preliminary Results*. For the Final results, we made no changes to our preliminary analysis.
