

purposes only; the written description of the scope of the order is dispositive.

Methodology

Commerce is conducting this review in accordance with section 751(a)(1)(B) of the Tariff Act of 1930, as amended (the Act), and 19 CFR 351.213.

Preliminary Results of Review

Neither of the companies subject to this review filed an SRA. Thus, Commerce preliminarily determines that these companies have not demonstrated their eligibility for separate rate status. As such, Commerce preliminarily determines that the companies subject to review are part of the China-wide entity. In addition, Commerce no longer considers the non-market economy (NME) entity as an exporter conditionally subject to an antidumping duty administrative review.⁷ Accordingly, the NME entity will not be under review unless Commerce specifically receives a request for, or self-initiates, a review of the NME entity.⁸ In this administrative review, no party requested a review of the China-wide entity. Moreover, we have not self-initiated a review of the China-wide entity. Because no review of the China-wide entity is being conducted, the China-wide entity's entries are not subject to the review and the rate applicable to the NME entity is not subject to change as a result of this review. The China-wide entity rate is 234.51 percent.

Public Comment

Interested parties are invited to comment on the preliminary results and may submit case briefs and/or written comments, filed electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS), within 30 days after the date of publication of these preliminary results of review.⁹ ACCESS is available to registered users at <http://access.trade.gov> and is available to all parties in the Central Records Unit in room B8024 of the main Commerce building. Rebuttal briefs, limited to issues raised in the case briefs, must be filed within five days after the time

⁸ In accordance with 19 CFR 351.213(b)(1), parties should specify that they are requesting a review of entries from exporters comprising the entity, and to the extent possible, include the names of such exporters in their request.

limit for filing case briefs.¹⁰ Parties who submit case or rebuttal briefs in this proceeding are requested to submit with each argument a statement of the issue, a brief summary of the argument, and a table of authorities.¹¹

Interested parties who wish to request a hearing, or to participate if one is requested, must submit a written request to Commerce within 30 days of the date of publication of this notice.¹² Requests should contain: (1) The party's name, address, and telephone number; (2) the number of participants; and (3) a list of issues to be discussed. Issues raised in the hearing will be limited to those raised in the respective case and rebuttal briefs. If a request for a hearing is made, parties will be notified of the time and date for the hearing to be held at the U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington DC 20230.¹³ Commerce intends to issue the final results of this administrative review, which will include the results of our analysis of all issues raised in the case briefs, within 120 days of publication of these preliminary results in the **Federal Register**, unless extended, pursuant to section 751(a)(3)(A) of the Act.

Assessment Rates

Upon issuance of the final results of this review, Commerce will determine, and CBP shall assess, antidumping duties on all appropriate entries of subject merchandise covered by this review.¹⁴ We intend to instruct CBP to liquidate entries containing subject merchandise exported by the companies under review that we determine in the final results to be part of the China-wide entity at the China-wide entity rate of 234.51 percent. Commerce intends to issue assessment instructions to CBP 15 days after the date of publication of this review in the **Federal Register**.¹⁵

Cash Deposit Requirements

The following cash deposit requirements will be effective upon publication of the final results of this review for shipments of the subject merchandise from China entered, or withdrawn from warehouse, for consumption on or after the publication date, as provided by sections 751(a)(2)(C) of the Act: (1) For

companies that have a separate rate, the cash deposit rate will be that established in the final results of this review (except, if the rate is zero or *de minimis*, then zero cash deposit will be required); (2) for previously investigated or reviewed Chinese and non-Chinese exporters not listed above that received a separate rate in a prior segment of this proceeding, the cash deposit rate will continue to be the existing exporter-specific rate; (3) for all Chinese exporters of subject merchandise that have not been found to be entitled to a separate rate, the cash deposit rate will be that for the China-wide entity (*i.e.*, 234.51 percent); and (4) for all non-Chinese exporters of subject merchandise which have not received their own rate, the cash deposit rate will be the rate applicable to the Chinese exporter that supplied that non-Chinese exporter. These deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

This notice also serves as a reminder to importers of their responsibility under 19 CFR 315.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

We are issuing and publishing these preliminary results in accordance with sections 751(a)(1) and 777(i) of the Act, and 19 CFR 351.213(h) and 351.221(b)(4).

Circular Welded Austenitic Stainless Pressure Pipe From the People's Republic of China: Final Results of the Expedited Second Sunset Review of the Countervailing Duty Order

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (Commerce) finds that revocation of the

countervailing duty (CVD) order on circular welded austenitic stainless pressure pipe (WSP) from the People's Republic of China (China) would be likely to lead to continuation or recurrence of a countervailable subsidy at the levels indicated in the "Final Results of Sunset Review" section of this notice.

DATES: Applicable October 2, 2019.

FOR FURTHER INFORMATION CONTACT: Eric Greynolds, AD/CVD Operations, Office III, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482-6071.

SUPPLEMENTARY INFORMATION:

Background

On March 19, 2009, Commerce published in the *Federal Register* the CVD order on WSP from China.¹ On August 12, 2014, at the conclusion of the first sunset review, Commerce issued a notice of continuation of the *Order*.² On June 4, 2019, Commerce published the notice of initiation of this second sunset review of the *Order*, pursuant to section 751(c) of the Tariff Act of 1930, as amended (the Act).³ On June 13, 2019, Commerce received a notice of intent to participate in the sunset review from Bristol Metals, LLC, Felker Brothers Corporation, and Webco Industries (collectively, domestic interested parties).⁴ On June 18, 2019, Commerce also received a notice of intent to participate in the sunset review from Primus Pipe & Tube, Inc. (Primus

Pipe).⁵ The domestic interested parties and Primus Pipe claimed interested party status under section 771(9)(C) of the Act, as manufacturers in the United States of the domestic like product.⁶

On June 28, 2019, pursuant to 19 CFR 351.218(d)(3)(i), the domestic interested parties filed a timely and adequate substantive response.⁷ On July 5, 2019, Primus Pipe stated its support for the substantive response filed by the domestic interested parties.⁸ Commerce did not receive a substantive response from the Government of China or a respondent interested party to this proceeding. As a result, pursuant to section 751(c)(3)(B) of the Act and 19 CFR 351.218(e)(1)(ii)(C)(2), Commerce conducted an expedited (120-day) sunset review of the *Order*.

Scope of the Order

The merchandise covered by this order is circular welded austenitic stainless pressure pipe not greater than 14 inches in outside diameter.

The subject imports are normally classified in subheadings 7306.40.5005, 7306.40.5040, 7306.40.5062, 7306.40.5064, and 7306.40.5085 of the Harmonized Tariff Schedule of the United States (HTSUS). They may also enter under HTSUS subheadings 7306.40.1010, 7306.40.1015, 7306.40.5042, 7306.40.5044, 7306.40.5080, and 7306.40.5090. The HTSUS subheadings are provided for convenience and customs purposes only; the written description of the scope is dispositive.⁹

Analysis of Comments Received

A complete discussion of all issues raised in this sunset review, including the likelihood of continuation or recurrence of a countervailable subsidy and the net countervailable subsidy rates likely to prevail if the *Order* were to be revoked, is provided in the accompanying Issues and Decision Memorandum, which is hereby adopted by this notice.¹⁰ A list of the topics discussed in the Issues and Decision Memorandum is attached as an Appendix to this notice. The Issues and Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). In addition, a complete version of the Issues and Decision Memorandum can be accessed on the internet at <http://enforcement.trade.gov/frn/>. The signed Issues and Decision Memorandum and the electronic version of the Issues and Decision Memorandum are identical in content.

Final Results of Sunset Review

Pursuant to sections 751(c)(1) and 752(b) of the Act, Commerce determines that revocation of the *Order* would be likely to lead to continuation or recurrence of a net countervailable subsidy at the following rates:¹¹
