Federal Railroad Administration

[Docket Number FRA–1999–5756]

Petition for Waiver of Compliance

Under part 211 of title 49 Code of Federal Regulations (CFR), this document provides the public notice that on September 3, 2019, the Canadian National Railway (CN) petitioned the Federal Railroad Administration (FRA) to extend and modify a waiver of compliance from certain provisions of the Federal railroad safety regulations contained at 49 CFR part 229. Specifically, CN seeks to extend its waiver for 81 carbody style locomotives (BCOL 4601–4626 and CN 2400–2454) that are not equipped with a brake valve adjacent to each end exit door. CN also requests relief from a condition of the original waiver which required such locomotives to be captive to CN’s system while operated in the United States. FRA assigned the petition Docket Number FRA–1999–5756.

CN explains that all locomotives covered under its request are equipped with a rear walkway from which the engineer may be directed during a reverse movement. CN further states it has been complying with the existing conditions of the waiver and is not aware of any operational problems with these locomotives while in service in the United States.

A copy of the petition, as well as any written communications concerning the petition, is available for review online at www.regulations.gov and in person at the U.S. Department of Transportation’s (DOT) Docket Operations Facility, 1200 New Jersey Avenue SE, W12–140, Washington, DC 20590. The Docket Operations Facility is open from 9 a.m. to 5 p.m., Monday through Friday, except Federal Holidays.

Interested parties are invited to participate in these proceedings by submitting written views, data, or comments. FRA does not anticipate scheduling a public hearing in

connection with these proceedings since the facts do not appear to warrant a hearing. If any interested parties desire an opportunity for oral comment and a public hearing, they should notify FRA, in writing, before the end of the comment period and specify the basis for their request.
