

investigate and address vapor intrusion. The performance of this work by AMD, NGC, and PSI shall be approved and monitored by EPA. The settlement includes a covenant not to sue pursuant to Sections 106 or 107(a) of CERCLA.

Under the Settlement Agreement, AMD, NGC, and PSI also agree to pay EPA \$3,143,623.42 in past response costs. This represents a compromise payment for past costs incurred by EPA. EPA is also entitled to reimbursement of additional future response costs. EPA will consider all comments received on the Settlement Agreement in accordance with the **DATES** and **ADDRESSES** sections of this Notice and may modify or withdraw its consent to the Settlement Agreement if comments received disclose facts or considerations that indicate that the settlement is inappropriate, improper, or inadequate.

Dated: September 23, 2019.

BILLING CODE 6560-50-P

FEDERAL COMMUNICATIONS COMMISSION

[OMB 3060-0698]

Information Collection Being Reviewed by the Federal Communications Commission Under Delegated Authority

AGENCY: Federal Communications Commission.

ACTION: Notice and request for comments.

SUMMARY: As part of its continuing effort to reduce paperwork burdens, and as required by the Paperwork Reduction Act (PRA) of 1995, the Federal Communications Commission (FCC or the Commission) invites the general public and other Federal agencies to take this opportunity to comment on the following information collection. Comments are requested concerning: Whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; the accuracy of the Commission's burden estimate; ways to enhance the quality, utility, and clarity of the information collected; ways to minimize the burden of the collection of information on the respondents, including the use of automated collection techniques or other forms of information technology; and ways to

further reduce the information collection burden on small business concerns with fewer than 25 employees. The FCC may not conduct or sponsor a collection of information unless it displays a currently valid control number. No person shall be subject to any penalty for failing to comply with a collection of information subject to the PRA that does not display a valid Office of Management and Budget (OMB) control number.

DATES: Written PRA comments should be submitted on or before December 3, 2019. If you anticipate that you will be submitting comments, but find it difficult to do so within the period of time allowed by this notice, you should advise the contact listed below as soon as possible.

ADDRESSES: Direct all PRA comments to Nicole Ongele, FCC, via email PRA@fcc.gov and to Nicole.Ongele@fcc.gov.

FOR FURTHER INFORMATION CONTACT: For additional information about the information collection, contact Nicole Ongele at (202) 418-2991.

SUPPLEMENTARY INFORMATION:

OMB Control Number: 3060-0698.

Title: Section 25.203(i) and 73.1030(a)(2), Radio Astronomy Coordination Zone in Puerto Rico.

Form No: N/A.

Type of Review: Extension of a currently approved collection.

Respondents: Business or other for-profit, Not-for-profit institutions, and State, Local, or Tribal Government.

Number of Respondents and Responses: 1,200 respondents, 10,500 responses.

Estimated Time per Response: 20 minutes (.0333 hours).

Frequency of Response: On occasion reporting requirement and third party disclosure requirement.

Obligation to Respond: Required to obtain or retain benefits. Statutory authority for this information collection is contained 47 U.S.C. 154(i), 303(f), 303(r), and 309(j)(13).

Total Annual Burden: 3,500 hours.

Total Annual Cost: No cost.

Privacy Act Impact Assessment: No impact(s).

Nature and Extent of Confidentiality: There is no need for confidentiality.

Needs and Uses: The Commission will submit this expiring information collection to the Office of Management and Budget (OMB) after this 60-day comment period to obtain the three-year clearance from them.

On October 15, 1997, the FCC released a Report and Order, ET Docket No. 96-2, RM-8165, FCC 97-347, that established a Coordination Zone for new and modified radio facilities in various

communications services that cover the islands of Puerto Rico, Desecheo, Mona, Vieques, and Culebra within the Commonwealth of Puerto Rico. The coordination zone and notification procedures enable the Arecibo Radio Astronomy Observatory to receive information needed to assess whether an applicant's proposed operations will cause harmful interference to the Arecibo Observatory's operations, which also promotes efficient resolution of coordination problems between the applicants and the Arecibo Observatory.

FEDERAL COMMUNICATIONS COMMISSION

Federal Advisory Committee, Task Force for Reviewing the Connectivity and Technology Needs of Precision Agriculture in the United States

AGENCY: Federal Communications Commission.

ACTION: Notice of intent to establish.

SUMMARY: In accordance with the Federal Advisory Committee Act, the Federal Communications Commission (Commission) announces its intent to establish a Federal Advisory Committee, known as the "Task Force for Reviewing the Connectivity and Technology Needs of Precision Agriculture in the United States" (the Task Force).

ADDRESSES: Federal Communications Commission, 445 12th Street SW, Washington, DC 20554.

FOR FURTHER INFORMATION CONTACT:

Jesse Jachman, Designated Federal Officer, Federal Communications Commission, Wireline Competition Bureau, (202) 418-2668, or email: Jesse.Jachman@fcc.gov; Erin Boone, Deputy Designated Federal Officer, Federal Communications Commission, Wireless Telecommunications Bureau, (202) 418-0736, or email: Erin.Boone@fcc.gov; or Celia Lewis, Deputy Designated Federal Officer, Federal Communications Commission, Wireline Competition Bureau, (202) 418-7456, or email Celia.Lewis@fcc.gov.

SUPPLEMENTARY INFORMATION: The Chairman of the Commission, as required by Section 12511 of the Agriculture Improvement Act of 2018, Public Law 115-334, 132 Stat 4490, is taking appropriate steps to establish the Task Force, which Congress has deemed necessary and in the public interest.

After consultation and concurrence with the General Services Administration, the Commission intends to establish the charter on or before December 19, 2019, providing the Task Force with authorization to operate for two years.

In consultation with the Secretary of Agriculture (Secretary), or a designee of the Secretary, and in collaboration with public and private stakeholders in the agriculture and technology fields, the purpose of the Task Force is to: Identify and measure current gaps in the availability of broadband internet access service on agricultural land; develop policy recommendations to promote the rapid, expanded deployment of broadband internet access service on unserved agricultural land, with a goal of achieving reliable capabilities on 95 percent of agricultural land in the United States by 2025; promote effective policy and regulatory solutions that encourage the adoption of broadband internet access service on farms and ranches and promote precision agriculture; recommend specific new rules or amendments to existing rules of the Commission that the Commission should issue to achieve the goals and purposes of the policy recommendations described in the second bullet in this list; recommend specific steps that the Commission should take to obtain reliable and standardized data measurements of the availability of broadband internet access service as may be necessary to target funding support, from future programs of the Commission dedicated to the deployment of broadband internet access service, to unserved agricultural land in need of broadband internet access service; and recommend specific steps that the Commission should consider to ensure that the expertise of the Secretary and available farm data are reflected in future programs of the Commission dedicated to the infrastructure deployment of broadband internet access service and to direct available funding to unserved agricultural land where needed.

In addition, not later than one (1) year after the date on which the Commission officially establishes the Task Force, and annually thereafter, the Task Force will submit to the Chairman of the Commission a report, which shall be made public, that details: The status of fixed and mobile broadband internet access service coverage of agricultural land; the projected future connectivity needs of agricultural operations, farmers, and ranchers; and the steps being taken to accurately measure the availability of broadband internet access service on agricultural land and the

limitations of current, as of the date of the report, measurement processes.

Advisory Committee

The Task Force will be organized under, and will operate in accordance with, the provisions of the Federal Advisory Committee Act (FACA) (5 U.S.C. App. 2). The Task Force will be solely advisory in nature. Consistent with FACA and its requirements, each meeting of the Task Force will be open to the public unless otherwise noticed. A notice of each meeting will be published in the **Federal Register** at least fifteen (15) days in advance of the meeting. Records will be maintained of each meeting and made available for public inspection. All activities of the Task Force will be conducted in an open, transparent, and accessible manner. The Task Force shall terminate two (2) years from filing date of its charter. However, the Commission will seek to renew the Task Force's charter for successive terms until the Task Force terminates on January 1, 2025. The first meeting date and agenda topics will be described in a Public Notice issued and published in the **Federal Register** at least fifteen (15) days prior to the first meeting date. In addition, as needed, working groups or subcommittees (ad hoc or steering) will be established to facilitate the Task Force's work between meetings of the full Task Force. Meetings of the Task Force will be fully accessible to individuals with disabilities.

Accessible Formats: To request materials in accessible formats for people with disabilities (Braille, large print, electronic files, audio format), send an email to fcc504@fcc.gov or call the Consumer and Governmental Affairs Bureau at (202) 418-0530 (voice), 1-888-835-5322 (TTY).
