OMB Control No. 1513–0110

Title: Recordkeeping for Tobacco Products Removed in Bond from a Manufacturer’s Premises for Experimental Purposes—27 CFR 40.232(e).

Abstract: The IRC at 26 U.S.C. 5704(a) provides that manufacturers of tobacco products may remove tobacco products for experimental purposes without payment of Federal excise tax, as prescribed by regulation. Under that authority, the TTB regulations at 27 CFR 40.232(e) require the keeping of certain usual and customary business records regarding the description, shipment, use, and disposition of tobacco products removed for experimental purposes outside of the facility. These records are subject to TTB inspection and are necessary to protect the revenue, as they allow TTB to account for the lawful experimental use and disposition of experimental tobacco products, and to detect diversion of such products into the domestic market.
Current Actions: There are no changes to this information collection or its estimated burden, and TTB is submitting it for extension purposes only.

Type of Review: Extension of a currently approved collection.

Affected Public: Businesses or other for-profits.

Estimated Annual Burden:
- Number of Respondents: 235.
