Hearing-impaired individuals may obtain information on this matter by contacting the Commission's TDD terminal at 202-205-1810. General information about the Commission is available by accessing the Commission website at <https://www.usitc.gov/>. Persons with mobility impairments who will need special assistance in gaining access to the Commission should contact the Office of the Secretary at (202) 205-2000.

**Background:** Section 1205(a) of the Omnibus Trade and Competitiveness Act of 1988 (the 1988 Act) (19 U.S.C. 3005(a)) requires that the Commission keep the Harmonized Tariff Schedule of the United States (Harmonized Tariff Schedule or HTS) under continuous review and periodically recommend to the President such modifications in the HTS as the Commission considers necessary or appropriate to conform the HTS with amendments made to the International Convention on the Harmonized Commodity Description and Coding System (Convention), which contains the Harmonized System nomenclature in the Annex to the Convention.

On June 28, 2019, the WCO adopted recommended amendments to the Harmonized System nomenclature that are scheduled to enter into force on January 1, 2022. The amendments are the sixth in a series of such amendments and are part of the WCO's ongoing program of periodically reviewing and updating the Harmonized System nomenclature. The Commission has posted a copy of the WCO amendments on its website at <https://www.usitc.gov/>. The Commission will recommend to the President such modifications in the HTS as it considers necessary or appropriate to conform the HTS with such amendments.

As part of this investigation, the Commission will also consider whether it is necessary or appropriate to recommend a modification to the HTS nomenclature for blanched peanuts to conform the HTS with a 2018 opinion of the WCO's Harmonized System Committee, which classified certain blanched peanuts in heading 1202 of the Harmonized System. Before the WCO opinion, Customs and Border Protection (CBP) had consistently classified blanched peanuts in heading 2008 based in part on an HTS subheading in chapter 20 that provided for blanched peanuts.

An up-to-date copy of the HTS, which incorporates the Harmonized System in its overall structure, is available on the Commission's website at <https://www.usitc.gov/>.

**Proposed Recommendations, Opportunity to Comment:** In preparing its recommended modifications, the Commission will prepare proposed recommendations and then provide an opportunity to interested Federal agencies and the public to present their views in writing and/or at a public hearing on those proposed recommendations. The Commission expects to post the proposed recommendations on its website in March 2020, and will publish a notice in the **Federal Register** at that time providing notice of their availability and the procedures for filing written views, including the date by which such written views must be filed. To assist the public in understanding the proposed changes and in developing comments, the Commission will include, with the proposed recommendations, a non-authoritative cross-reference table linking the proposed tariff codes to the corresponding current tariff codes. Persons using the cross-reference table should be aware that the cross-references shown are subject to change during the course of the investigation.

**Recommendations to the President:** The Commission will submit its recommended modifications to the President in the form of a report that will include a summary of the information on which the recommendations were based, together with a statement of the probable economic effect of each recommended change on any industry in the United States. The report also will include a copy of all written views submitted by interested Federal agencies and a copy or summary, prepared by the Commission, of the views of all other interested parties. The Commission expects to submit that report in September 2020.

By order of the Commission

Issued: October 1, 2019.

*Secretary to the Commission.*

#### FOR FURTHER INFORMATION CONTACT:

Hope Janke, Bureau of Justice Assistance, Office of Justice Programs, 810 7th Street NW, Washington, DC 20531; [AskPSOB@usdoj.gov](mailto:AskPSOB@usdoj.gov); (888) 744-6513.

**SUPPLEMENTARY INFORMATION:** The purpose of the PSOB Program is to provide: Death benefits to eligible statutory survivors of fallen law enforcement officers, firefighters, and other public safety officers; disability benefits to public safety officers catastrophically injured in the line of duty; and benefits in the form of educational assistance to spouses and children of public safety officers who were killed or catastrophically injured in the line of duty.

The Department is updating the system of records notice for JUSTICE/OJP-012, last published in its entirety in the **Federal Register** at 64 FR 25070 (May 10, 1999), and amended at 66 FR

8425 (Jan. 31, 2001) and 82 FR 24147 (May 25, 2017). First, the Department is making certain non-substantive editorial changes for JUSTICE/OJP–012, including: Updating the position title of the system’s manager; re-ordering the routine uses by listing the routine uses specific to this system of records first, followed by the Department’s model routine uses; updating the “Authority for Maintenance of the System” to reflect the reorganization of the United States Code’s sections for the PSOB Act from Title 42 to Title 34; and making other non-substantive editorial and conforming changes, such as revising the titles for sections related to the purposes, storage, retrieval, retention, disposal and safeguards of records covered by this system.

Second, the Department is making substantive changes to JUSTICE/OJP–012 including: Updating the security classification for the system; clarifying certain descriptions of categories of records, individuals, and sources contained in the system; and revising and adding routine uses to more accurately describe the entities to, or circumstances under, which OJP may disclose information covered by this system. Examples of the changes to the routine uses of the records in the system include: (1) Adding a routine use that allows OJP to disclose to one claimant minimal relevant information from the records pertaining to another claimant in situations where—(a) the claims are or could be adverse; and (b) disclosure of the records would (or could) assist—(i) any such claimant in establishing his claim, or (ii) OJP in adjudicating any such claim; (2) revising the routine use related to disclosure of information to researchers by requiring approval by the Director of the Bureau of Justice Assistance, while allowing a broader scope of research to be conducted; and (3) adding a routine use that allows OJP to disclose records to appropriate governmental and professional organizational bodies when there is good cause to question the legality or ethical propriety of the actions of a claimant’s representative during the pendency of a claim.

The entire notice incorporating the new modifications is being republished for the convenience of the public.

28 CFR pt. 32 and 83 FR 22367 provide the eligibility requirements and procedures for the submission and consideration of claims under the PSOB Program. More detailed information regarding the PSOB Program is available on the PSOB Program’s website at [www.psob.gov](http://www.psob.gov).
