

other than the online provider or stakeholder itself, or any websites operated by such entities). Multi-branded offerings include OSHA Outreach-like training that is similar, but not equivalent, to OSHA Outreach Training Program training. Multi-branded offerings do not result in the student receiving a legitimate 10- or 30-hour Outreach course completion card.

M.3. Do you agree the practices discussed above generate confusion for members of the public who wish to complete online OSHA Outreach Training Program classes? Should OSHA prohibit these practices? Please explain.

M.4. Should OSHA consider incorporating requirements and other controls to limit public misinformation or confusion? Please explain.

M.5. What actions should OSHA take against consortium partner practices that mislead the public? Please explain.

Program Administrative Requirements

OSHA is considering requiring online providers to establish and implement policies and procedures for administration of the Online Outreach Training Program. For example, OSHA might require online providers to establish and implement policies and procedures for: Hosting online courses in a capable Learning Management System; retaining student training records; compiling, collating, and submitting training reports and other information or data; requesting Outreach student course completion cards; administering the online training registration process; ensuring compliance with geographic jurisdiction requirements; and monitoring user experience.⁴

OSHA is also considering requiring customer service to be the responsibility of the online provider through its authorized Outreach trainer(s). To ensure satisfactory customer service, OSHA is considering requiring responses to inquiries about the following types of issues within 24 hours: Technical support; course curriculum; and Outreach student course completion cards.

M.6. Do you agree OSHA should institute the program administrative

requirements listed above? Please explain.

M.7. What are industry best practices for a capable Learning Management System? Please explain.

M.8. What policies and procedures for a capable Learning Management System should OSHA require? Please explain.

M.9. What policies and procedures for student record retention should OSHA require? Please explain.

M.10. What types of training reports (e.g., reports on the number of students trained, number of classes offered, average course completion rates, etc.) will best serve the interests of the consortium? Please explain.

M.11. What policies and procedures for requesting Outreach student course completion cards should OSHA require? Please explain.

M.12. What policies and procedures for online training registration process should OSHA require? Please explain.

M.13. What policies for ensuring training complies with geographic jurisdiction requirements should OSHA require? Please explain.

M.14. What policies and procedures for ensuring timely and high quality customer service should OSHA require? Please explain.

N. Additional Information

OSHA has listed within this RFI the majority of issues the agency has encountered with the current model of delivering online OSHA Outreach Training Program courses, described an alternative to the current model OSHA is considering, and also described additional requirements OSHA is considering placing on the provision of online Outreach Training Program training. The information OSHA discussed in this Request for Information is not intended to be all-inclusive and may not address all public or stakeholder concerns.

N.1. Is there any additional information, or are there any public or stakeholder concerns, not contained in this RFI, that OSHA should consider? If so, please explain.

IV. Authority and Signature

Loren Sweatt, Principal Deputy Assistant Secretary of Labor for Occupational Safety and Health, authorized the preparation of this notice pursuant to 29 U.S.C. 653 and 670(c)(1), and Secretary's Order 1-2012 (77 FR 3912, Jan. 25, 2012).

Signed in Washington, DC.

Loren Sweatt,

Principal Deputy Assistant Secretary of Labor for Occupational Safety and Health.

NATIONAL AERONAUTICS AND SPACE ADMINISTRATION

[Notice: (19-062)]

National Space Council Users' Advisory Group; Meeting

AGENCY: National Aeronautics and Space Administration.

ACTION: Notice of Meeting.

SUMMARY: In accordance with the Federal Advisory Committee Act, as amended, the National Aeronautics and Space Administration (NASA) announces a meeting of the National Space Council Users' Advisory Group (UAG). This will be the fourth meeting of the UAG.

DATES: Monday, October 21, 2019, from 1:00 p.m.–5:00 p.m., Eastern Time.

ADDRESSES: Courtyard by Marriott, Washington Downtown/Convention Center, Shaw Ballroom, 901 L Street NW, Washington, DC 20001.

FOR FURTHER INFORMATION CONTACT: Mr. James Joseph Miller, UAG Designated Federal Officer/Executive Secretary, NASA Headquarters, Washington, DC 20546, (202) 358-4417 or jj.miller@nasa.gov.

SUPPLEMENTARY INFORMATION: This meeting will be open to the public up to the capacity of the meeting room. This meeting is also available telephonically and via WebEx. You must use a touch-tone phone to participate in this meeting. Any interested person may dial the Toll Free Number 1-844-467-6272 and then the numeric passcode 764096, followed by the # sign. NOTE: If dialing in, please "mute" your phone. To join via WebEx, the link is <https://nasaenterprise.webex.com/nasaenterprise/j.php?MTID=m4d0c72b19cbb68933c7a7f9da564902c>. The meeting number is 909 223 161 and the meeting password is jUj3pBS* (case sensitive).

The agenda for the meeting will include the following:

- Opening Remarks and Meeting Objectives by UAG Chair
- Expert Presentation on Global Navigation Satellite System (GNSS) Advancements for Space Operations and Science, per Subcommittee Focus Areas
- Reports and Updates from UAG Subcommittees:
 - Exploration and Discovery
 - Economic Development/Industrial Base
 - Outreach and Education
 - National Security Space
 - Space Policy and International

⁴ OSHA Outreach Training Program classes may generally only be conducted in training locations within the geographic jurisdiction of the Occupational Safety and Health (OSH) Act. The geographic jurisdiction of the OSH Act is limited to the 50 U.S. States, the District of Columbia, the Commonwealth of Puerto Rico, the Virgin Islands, American Samoa, Guam, the Commonwealth of the Northern Mariana Islands, Wake Island, Outer Continental Shelf Lands defined in the Outer Continental Shelf Lands Act, and Johnston Island.

- Engagement
 - Technology and Innovation
- Preliminary Deliberations on any Findings and Recommendations
- Other UAG Business and Work Plan Schedule

Attendees will be requested to sign a register prior to entrance to the proceedings. Advance RSVPs are not a pre-requisite, but may expedite entry and should be sent to Mr. James Joseph Miller via email at jj.miller@nasa.gov. It is imperative that the meeting be held on this date to meet the scheduling availability of key participants, and is aligned with the opening day of the 70th annual International Astronautical Congress (IAC). For further information, visit the UAG website at: <https://www.nasa.gov/content/national-space-council-users-advisory-group>.

Patricia Rausch,

*Advisory Committee Management Officer,
National Aeronautics and Space
Administration.*

BILLING CODE 7510-13-P

EXECUTIVE OFFICE OF THE PRESIDENT

Office of National Drug Control Policy

Submission for Review: Survey on Practices and Policies Related to the Treatment of Opioid Use Disorders

AGENCY: Office of National Drug Control Policy, Executive Office of the President.

ACTION: Notice and request for comments.

SUMMARY: In accordance with the Paperwork Reduction Act of 1995, the Office of National Drug Control Policy (ONDCP) announces it will submit to the Office of Management and Budget (OMB) and Office of Information and Regulatory Affairs (OIRA) an information collection request.

DATES: ONDCP encourages and will accept public comments on or before 60 days after the date of this publication.

ADDRESSES: Address all comments in writing within 60 days to Jayme Delano, Deputy Director, National HIDTA Program Office. Email is the most reliable means of communication. Ms. Delano's email address is Jayme_A_Delano@ondcp.eop.gov.

FOR FURTHER INFORMATION CONTACT: To request more information on the proposed project or to obtain a copy of the data collection plans and instruments, contact the Executive Office of the President, Office of

National Drug Control Policy, attention: Jayme_A_Delano@ondcp.eop.gov. Formal requests for additional plans and instruments must be in writing. Copies of documents submitted to OMB and other information is available from Ms. Delano who may be contacted at 202-395-6794.

SUPPLEMENTARY INFORMATION: The Office of National Drug Control Policy desires to learn how adult drug courts are responding to the opioid epidemic. To do so, they propose to conduct a survey of State/Territory Drug Court Coordinators to learn more about adult drug courts' efforts to serve persons suffering from opioid use disorders, focusing particularly on the use of medication-assisted treatment (MAT). An earlier survey from 2012 found that nearly half of drug courts were not using MAT or had blanket prohibitions against methadone or buprenorphine. At the same time, ONDCP funded a suite of resources to increase uptake of MAT in treatment courts, including online and in-person training workshops, practitioner fact sheets, pocket guides for staff members and participants, professional tool kits, and sample policies and procedures materials. The proposed survey will examine statewide MAT efforts, and policies and procedures concerning MAT, including whether there have been recent changes in state certification requirements, training modules, or funding mandates to increase MAT adoption.

Overview of Information Collection

Title of Information Collection: Survey on Practices and Policies Related to the Treatment of Opioid Use Disorders.

Method of data collection: Electronic survey.

Frequency: One-time data collection.

Members of affected public: State and Territory Drug Court Coordinators.

Estimation of the total numbers of hours needed to prepare the information collection including number of respondents, frequency of response, and hours of response:

Number of respondents: 54.

Frequency of response: 1.

Average time per response: 17 minutes.

Annual Hour Burden: 15 hours.

Status of the proposed information collection: New.

Dated: October 3, 2019.

Michael Passante,

Acting General Counsel.

SUPPLEMENTARY INFORMATION: The Office of National Drug Control Policy desires to learn how adult drug courts are responding to the opioid epidemic. To do so, we propose to conduct a survey of 269 drug courts in the counties with the highest total opioid-related overdoses and the highest opioid-related overdose rates. The aim of the survey is to learn more about adult drug courts' efforts to serve persons suffering from opioid use disorders, focusing particularly on the use of medication-assisted treatment (MAT). An earlier survey from 2012 found that nearly half of drug courts were not using MAT or had blanket prohibitions against methadone or buprenorphine. At the same time, ONDCP funded a suite of resources to increase uptake of MAT in treatment courts, including online and in-person training workshops, practitioner fact sheets, pocket guides
