OFFICE OF THE UNITED STATES TRADE REPRESENTATIVE

[Docket No. USTR-2018-0001]

Withdrawal of Bifacial Solar Panels Exclusion to the Solar Products Safeguard Measure

AGENCY: Office of the United States Trade Representative.

ACTION: Notice.

SUMMARY: On January 23, 2018, the President imposed a safeguard measure on imports of certain solar products pursuant to a section 201 investigation. On February 14, 2018, the U.S. Trade Representative established procedures for interested persons to request product-specific exclusions from application of the safeguard measure.

On June 13, 2019, the U.S. Trade Representative published a notice granting certain requests for exclusions and excluding the products at issue from the safeguard measure's application. In particular, the U.S. Trade Representative excluded bifacial solar panels consisting only of bifacial solar cells. Since publication of that notice, the U.S. Trade Representative has evaluated this exclusion further and, after consultation with the Secretaries of Commerce and Energy, determined it will undermine the objectives of the safeguard measure. Accordingly, the U.S. Trade Representative has modified the Harmonized Tariff Schedule of the United States (HTSUS) to withdraw the exclusion of bifacial solar panels from application of the safeguard measure. The U.S. Trade Representative also has modified the HTSUS to make certain technical changes in connection with the safeguard measure.

DATES: The withdrawal of the exclusion for bifacial solar panels from application of the safeguard measure and technical changes will apply as of October 28, 2019.

FOR FURTHER INFORMATION CONTACT: Victor Mroczka, Office of WTO and Multilateral Affairs, at vmroczka@ustr.eop.gov or (202) 395-9450, or Dax Terrill, Office of General Counsel, at Dax.Terrill@ustr.eop.gov or (202) 395-4739.

SUPPLEMENTARY INFORMATION:

A. Background

On January 23, 2018, the President issued Proclamation 9693 (83 FR 3541) to impose a safeguard measure under section 201 of the Trade Act of 1974 (19 U.S.C. 2251) with respect to certain crystalline silicon photovoltaic (CSPV) cells and other products (CSPV products) containing these cells. The Proclamation directed the U.S. Trade Representative to establish procedures for interested persons to request the exclusion of particular products from the safeguard measure. It also authorized the U.S. Trade Representative, after consultation with the Secretaries of Commerce and Energy, to exclude products by modifying the HTSUS with publication of a determination in the **Federal Register** regarding the exclusion of such products.

On February 14, 2018, the U.S. Trade Representative issued a notice setting out the procedures to request a product exclusion and opened a public docket. See 83 FR 6670 (the February 2018 notice). Under the February 2018 notice, requests for exclusion were to identify the particular product in terms of its

¹ Persons interested in submitting an OFA to subsidize continued rail service must first file a formal expression of intent to file an offer, indicating the intent to file an OFA for subsidy and demonstrating that they are preliminarily financially responsible. See 49 CFR 1152.27(c)(2)(i).

² The filing fee for OFAs can be found at 49 CFR 1002.2(f)(25).

³ Because this is a discontinuance proceeding and not an abandonment, trail use/rail banking and public use conditions are not appropriate. Because there will be an environmental review during abandonment, this discontinuance does not require environmental review.
