administrative review of the *Order* with regard to Geelong.⁵ On April 1, 2019, we published a notice of initiation for this administrative review.⁶

Scope of the Order

The scope of the *Order* covers tool chests from China. A full description of the scope of the *Order* is contained in the Preliminary Decision Memorandum.⁷

Methodology

We are conducting this administrative review in accordance with section 751(a)(1)(A) of the Tariff Act of 1930, as amended (the Act). For each of the subsidy programs found countervailable, we determine that there is a subsidy, *i.e.*, a financial contribution by an “authority” that confers a benefit to the recipient, and that the subsidy is specific.⁸ For a full description of the methodology underlying our preliminary conclusions, including our reliance, in part, on adverse facts available pursuant to sections 776(a) and (b) of the Act, see the Preliminary Decision Memorandum. A list of topics included in the Preliminary Decision Memorandum is provided in the appendix to this notice.

The Preliminary Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance’s Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <http://access.trade.gov>, and is available to all parties in the Central Records Unit, room B8024 of the main Commerce building. In addition, a

⁵ See *Initiation of Antidumping and Countervailing Duty Administrative Reviews*, 84 FR 12200, 12206 (April 1, 2019) (*Initiation Notice*). The parties requested reviews of Geelong, Geelong Sales (MCO) Ltd. (MCO), and Geelong Sales Co. International (HK) Ltd. However, neither of the latter two companies produce subject merchandise and we preliminarily determine that neither of these two companies received any subsidies.
