Mail: Department of Defense, Office of the Chief Management Officer, Directorate for Oversight and Compliance, 4800 Mark Center Drive, Mailbox #24, Suite 08D09, Alexandria, VA 22350-1700.

Instructions: All submissions received must include the agency name, docket number and title for this **Federal Register** document. The general policy for comments and other submissions from members of the public is to make these submissions available for public viewing on the internet at <http://www.regulations.gov> as they are received without change, including any personal identifiers or contact information.

FOR FURTHER INFORMATION CONTACT: To request more information on this proposed information collection or to obtain a copy of the proposal and associated collection instruments, please write to 4800 Mark Center Dr. Alexandria, VA 22311, the Office of the Under Secretary of Defense (Personnel and Readiness) (Military Personnel Policy)/Accession Policy, Attn.: Major Arturo Roque, or call (703) 695-5527.

SUPPLEMENTARY INFORMATION:

Title; Associated Form; and OMB Number: Request for Verification of Birth; DD Form 372; OMB Control Number 0704-0006.

Needs and Uses: Title 10, U.S.C. 505, 532, 3253, and 8253, require applicants meet minimum and maximum age and citizenship requirements for enlistment into the Armed Forces (including the Coast Guard). If an applicant is unable to provide a birth certificate, the recruiter will forward a DD Form 372, "Request for Verification of Birth," to a state or local agency requesting verification of the applicant's birth date. This verification of the birth date ensures that the applicant does not fall outside the age limitations, and the

applicant's place of birth supports the citizenship status claimed by the applicant.

Proposed Collection; Comment Request

AGENCY: Office of the Under Secretary of Defense for Acquisition and Sustainment, DoD.

ACTION: Information collection notice.

SUMMARY: In compliance with the *Paperwork Reduction Act of 1995*, the Defense Logistics Agency announces a proposed public information collection and seeks public comment on the provisions thereof. Comments are invited on: Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; the accuracy of the agency's estimate of the burden of the proposed information collection; ways to enhance the quality, utility, and clarity of the information to be collected; and ways to minimize the burden of the information collection on respondents, including through the use of automated collection techniques or other forms of information technology.

DATES: Consideration will be given to all comments received by December 9, 2019.

ADDRESSES: You may submit comments, identified by docket number and title, by any of the following methods:

Federal eRulemaking Portal: <http://www.regulations.gov>. Follow the instructions for submitting comments.

The general policy for comments and other submissions from members of the public is to make these submissions available for public viewing on the internet at <http://www.regulations.gov> as they are received without change, including any personal identifiers or contact information.

FOR FURTHER INFORMATION CONTACT: To request more information on this proposed information collection or to obtain a copy of the proposal and associated collection instruments, please write to the Defense Logistics Agency (J62C), 8725 John J. Kingman Road, Ft. Belvoir, VA 22060-6221, Attn: Greg Riley, or call 571-767-3996.

SUPPLEMENTARY INFORMATION:

Title; Associated Form; and OMB Number: Joint Contingency and Expeditionary Services (JCXS); OMB Control Number 0704-XXXX.

Needs and Uses: The information collection requirement is necessary to maintain the safety of contractors and U.S. Armed Forces while ensuring that the U.S. Government is not doing business with entities at odds with American interests. JCXS contains two modules, the Joint Contingency Contracting System (JCCS), which evaluates vendors for possible approval or acceptance to do business with and have access to U.S. military installations around the world, and the Civilian Arming Authorization Management System (CAAMS), which provides a standardized and automated process for the submission, review, approval, and compliance management of the contractor arming process. JCXS is the DoD's agile, responsive, and global provider of Joint expeditionary acquisition business solutions that fulfill mission-critical requirements while supporting interagency collaboration—to include, but not limited to, contracting, finance, spend analysis, contract close-out, staffing, strategic sourcing, and reporting.

Affected Public: Business or other for-profit, individuals or households.

**Federal Energy Regulatory
 Commission**

[Docket No. RP20-41-000]

**PennEast Pipeline Company, LLC;
 Notice of Petition for Declaratory Order**

Take notice that on October 4, 2019, pursuant to Rule 207 of the Federal Energy Regulatory Commission’s (Commission) Rules of Practice and Procedure, 18 CFR 385.207 (2019), PennEast Pipeline Company, LLC, filed a petition for declaratory order (petition) and for expedited action requesting that the Commission issue an order interpreting the Natural Gas Act’s eminent domain authority in Section 7(h), and concluding that: (1) Under NGA Section 7(h), a certificate holder’s authority to “condemn the necessary right-of-way to construct, operate, and maintain a [natural gas] pipeline” and the “necessary land or other property, in addition to right-of-way, for the location of compressor stations [and other associated equipment],” applies to

property in which a state holds an interest; (2) in NGA Section 7(h), Congress delegated the federal government’s eminent domain authority to certificate holders; and (3) in delegating the federal government’s eminent domain authority in NGA Section 7(h), Congress necessarily delegated to certificate holders the federal government’s exemption from claims of state sovereign immunity, all as more fully explained in the petition.

Any person desiring to intervene or to protest this filing must file in accordance with Rules 211 and 214 of the Commission’s Rules of Practice and Procedure (18 CFR 385.211, 385.214). Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a notice of intervention or motion to intervene, as appropriate. Such notices, motions, or protests must be filed on or before the comment date. Anyone filing a motion to intervene or protest must serve a copy of that document on the Petitioner.

The Commission encourages electronic submission of protests and interventions in lieu of paper using the eFiling link at <http://www.ferc.gov>. Persons unable to file electronically should submit an original and 5 copies of the protest or intervention to the Federal Energy Regulatory Commission,

888 First Street NE, Washington, DC 20426.

This filing is accessible on-line at <http://www.ferc.gov>, using the eLibrary link and is available for review in the Commission’s Public Reference Room in Washington, DC. There is an eSubscription link on the website that enables subscribers to receive email notification when a document is added to a subscribed docket(s). For assistance with any FERC Online service, please email FERCOnlineSupport@ferc.gov, or call (866) 208-3676 (toll free). For TTY, call (202) 502-8659.

Comment Date: In light of the petitioner’s request for expedited treatment, and the significance of the issues presented, the comment due date is 5:00 p.m. Eastern Time on October 18, 2019.

Dated: October 4, 2019.
